MEMORANDUM

To: Mayor and City Council

From: Jennifer Peterson, Community Development Director

Date: April 20, 2009

Subject: **Sign Code Amendment – Requirement of a Business License**

A member of Council requested staff review the adopted sign code to see if we require proof of an active business license for businesses requesting sign permits. Under our existing regulations we do not require proof of an active business license as a part of the permitting process for signage.

Should Council direct staff to initiate a text amendment to the sign code, it could be heard by Community Council in May, Planning Commission in June, and return to Council for a first and second read on June 22nd and July 13th, respectively.
