- (ii) Uses of any of these items or any other items are at the risk of the user. The City does not recommend the products. Use may discolor or damage the finish of the surface the products are used on.

(g) City Cost Declared Lien. If the person, agent, firm, manager, or owner of the property fails to remove the graffiti by the end of the ten (10)-day notification period, the City Manager may cause the graffiti to be removed and charge to the property owner the expenses incurred. Upon the completion of removal by the City, the City shall provide the proper party written notice consistent with subsections (d) and (e) above of the total cost of removal and shall give the proper party thirty (30) days to pay the total cost incurred by the City. - (b) Among the circumstances which may be considered in determining whether alarm is warranted is the fact that the person takes flight upon the appearance of a law enforcement officer, refuses to identify himself, or manifestly endeavors to conceal himself or any object. Unless flight by the person or other circumstances make it impracticable, a law enforcement officer shall, prior to any arrest for an offense under this section, afford the person an opportunity to dispel any alarm or immediate concern which would otherwise be warranted by requesting the person to identify himself and explain his presence and conduct. No person shall be convicted of an offense under this section if the law enforcement officer failed to comply with the foregoing procedure or if it appears at trial that the explanation given by the person was true and would have dispelled the alarm or immediate concern.
