RE: Additional Signage Request – RunDunwoody – Rotary Race to Serve

Dear Mayor and City Council:

On October 24, 2010 *RunDunwoody* – Rotary Race to Serve will take place at Perimeter Place Center, 6:00 – 10:30AM. In working with City of Dunwoody staff, we have learned that the Sign Ordinance currently allows the Rotary Club of Dunwoody, as event producer, to apply for two banners. Given the importance of event sponsors to the success of this event we request the following additional signage request.

We ask for permission to display additional signage in order to permit each sponsor and approved vendor to display one sign at assigned table near the race Start/Finish line. We anticipate 20 vendors/sponsors. All signage will be in compliance with Temporary Sign Permit requirements and removed at conclusion of the event at 10:30AM.

In preparing for this event, we have worked closely with Gary Jenkins at Pacesetters PR as well as Lt. Oliver Fladrich in Dunwoody Police department and with the City of Dunwoody staff.

Thank you for your consideration of this request. Please contact me if I can provide additional information – 404-797-0705 or kgbrandt1@comcast.net.

Sincerely yours,

Kathleen G. Brandt
