

MEMORANDUM

To: Mayor and City Council

From: Jessica Guinn

Date: September 15, 2015

Subject: **Media Production and Photography Permit Fees**

ITEM DESCRIPTION

A resolution to adopt fees for Media Production and Photography Permits

BACKGROUND

On April 23, 2012, the City Council adopted fees for Filming Permits by resolution. The proposed resolution for Media Production and Photography Permit Fees modifies the language for the permits to reflect the revisions to the Film and Video Policy, specifically renaming "Filming Permit" to "Media Production Permit;" however, the fees remain the same. As proposed, additional fees have been incorporated for "Photography Permit, Annual" and "Photography Permit, One-Day." This is also in line with the changes to the policy, which now provides reduced permit for photography shoots on public property which do not exceed two hours in duration or ten minutes of set-up/teardown time.

RECOMMENDED ACTION

Consider and approve the proposed resolution adopting Media Production and Photography Permit fees.
