

**MEMORANDUM**

**To:** Mayor and City Council

**From:** David Elliott

**Date:** August 24, 2015

**Subject:** **Approval of Funding for Stormwater Pipe Repairs at 5250 Wyntercreek Way.**

---

**ITEM DESCRIPTION**

Approval of Funding for Stormwater Pipe Repairs at 5250 Wyntercreek Way. Estimate for the rehabilitation is \$92,098, which includes a 10% contingency.

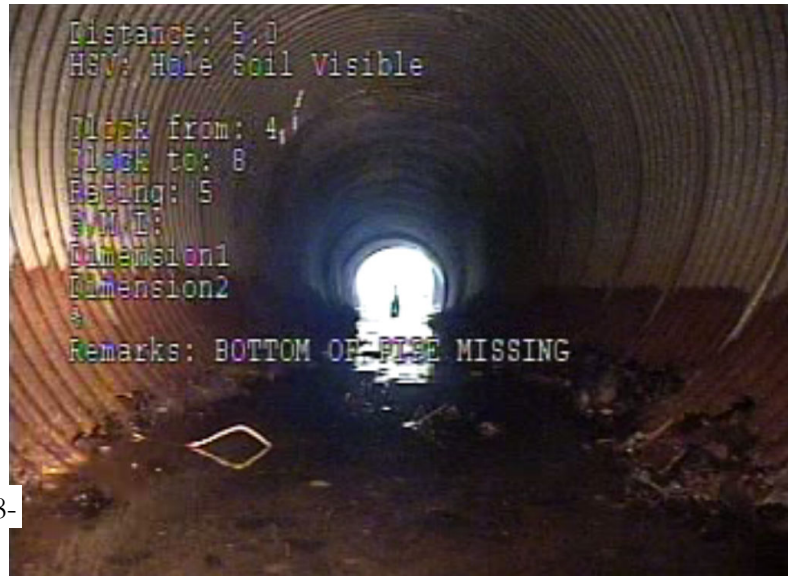

**BACKGROUND**

Needed repairs were identified after a resident reported a sink hole. Repairs are needed to prevent public hazard and prevent settlement issues associated with the City road. The project involves shotcrete replacement and reinforcement of 265' of 48" CMP. This project also involves repairs to 4 junction boxes and 2 headwalls.

**RECOMMENDED ACTION**

Staff recommends approving \$92,098 in funding for Stormwater Culvert Repairs at 5250 Wyntercreek Way.

#10.
