Date: April 25, 2016

Subject: **DHA Food Truck Event**

ITEM DESCRIPTION

Dunwoody Homeowners Association's Food Truck Thursday at Brook Run Park has been a phenomenal success and is now one of the City's Premier events. This event has exposed Brook Run Park to new residents and increased park attendance and awareness of our new amenities such as the Dunwoody Trailway, and improved Dog Park and Community Garden.

As this event has grown on Thursday evenings, the DHA has requested the opportunity to expand the event to the Park at Pernoshal Court on Tuesday evenings. This would introduce residents to the City's newest park and offer nearby community members with a new family friendly event and location.

Bill Grossman with the DHA will be on hand at the Council Meeting to discuss this opportunity.
