**Table 1: Top Values for Parks and Recreation Focus - Other (Q4)**

<b>What top three values should parks and recreation focus on improving? (Other)</b>
add sports fields to Brook Run
adding sports facilities
Aquatics center
Aquatics Center
Athletic Field Quantity
Athletic Fields
Athletic fields & programs for teens
Athletic fields for our teens
Baseball fields
Baseball Fields @ Brook Run
baseball/sports for 12-18 year olds
bathroom near the dog park end of the park
bike lanes on streets
Brook Run Park - for culture and art, theater and meeting space. We need to save it badly.
brook run theater
Brook Run Theater
Brook Run Theatre
Build a town center
Building multi-use fields for schools and others to use
community center
Continuing to focus on sports fields(ie.baseball)for our youth
creating safe interconnected bike/multiuse paths
creating turf/ball fields for sports
Cultural & Performing Arts
Demolish the Old Brook Run Theatre
Develop ball/playing fields for youth/high school athletics ( lacrosse specifically)
Develop existing parks (i.e. Brook Run)
Do not develop at expense of wildlife habitat
Dog parks
Facilities for Team Sports
Fully implementing the master plan for Brook Run
Indoor Softball facility
indoor sports facility for hitting and other activities
Maintaining green space. This does not include gravel parking lots.
More maintained field space for field oriented sports
Multi purpose field space at Brookrun
multi-use athletic fields
natural green & wooded spaces
Need for field space
Organized Sports Fields

*\*Please note, comments are included from both invitation and open-link samples*

<b>What top three values should parks and recreation focus on improving? (Other)</b>
Outdoor Activities
parks need to be more nature-friendly
pathway connect, programs, maintenance
pool, handball
Preserving green space -- This does not include gravel parking lots as '\green space\'
Preserving the theater
Protect Green Space from increasing loss of trees
Region 1 needs a park, if Austin Elementary swaps locations with the ballfields on Roberts Rd, that could be a good entrence to the ball field replacement.
Residents\' (next to parks) security/noise protection
Restoration of BR Theater
restore brook run theater
Restore Brook Run Theater
Restore Brook Run Theatre
ROADS
RRestore Brook Run Theater
Save Trees, Treat Like National Parks
senior Citizen Friendly/Activitys
Soccer facility
Soccer fields, more basketball courts, public track
Soccer/LAX fields
softball baseball fields - murphy candler is not large enough to support programs and we often have to travel to other counties for our children to participate in their sport
Sport fields (eg. baseball)
Sports facilities
Sports Facilities
Sports Fields
Sports fields @ brook run
Sports leagues
tennis
tennis
testLot
The city of Dunwoody (or any government) is not responsible for providing recreation. If provided, users should pay.
Theater @ Brook Run
Wardlaw Property
Youth & especially teen activities
Youth Athletics
Youth Sports

**Table 2: Top Values for Parks and Recreation Focus – Comments (Q4)**

Area	Comments on your responses about top values
District 1	A crown jewel of the Dunwoody Parks is Dunwoody Senior baseball fields. It seems Austin Elementary will be rebuilt where the fields are. The city should do everything they can to try to recreate the fields in Dunwoody. Brook run seems like a logical place. The leagues that use the fields at Dunwoody Senior are essential to the development of youth baseball in our community.
District 1	Adding connected walkways through the city are needed for safe walking/running for all
District 1	All areas mentioned are important and required for an effective parks plan. I chose to emphasize three areas I believe need to come first before the other areas are implemented. But, all are needed.
District 1	As an adult without children I would enjoy finding more ways to get involved in the community. Having programs/classes seems like a great option.
District 1	baseball and lacrosse fields
District 1	Baseball fields are important to our family.
District 1	Baseball is very important to Dunwoody. Youth baseball is handled by neighboring cities but middle school baseball is great at Dunwoody Senior.
District 1	Disappointed to learn of a theft from vehicle at dog park after windscreens were installed. Loss of visibility from inside to parked cars is a problem
District 1	Disc golf or mtn bike trail
District 1	Divide into 'age related' activity areas.
District 1	Dog park maintenance is my highest priority
District 1	Dunwoody is very under represented in providing sports fields for our kids. The only field, and program, we have is dunwoody senior baseball. And now it is under threat from Austin elementary. This program, and others we should have such as lacross fields, need to be provided and remain located centrally in the community. The current DSB location is great. The only other option is at brook run. You'll need to stand up to all of the people who want book run left empty to actually build something we can use.
District 1	Dunwoody must be willing/prepared to maintain all its resources - including parks & rec - to very high standards.
District 1	Dunwoody needs more green space and walkability options. This is improving with sidewalks. We need more of the same.
District 1	Dunwoody needs more park areas for children of all ages (birth to age 18) and adults. Please don't give away any current park space for other uses. Please work on acquiring and adding to our park space. Please take excellent care of what we already have. Please keep the park space safe too.
District 1	I am specifically concerned about the potential use of Dunwoody Senior as the new site for Austin. Our children need Dunwoody Senior as a continued facility from Murphey Candler. The loss of this park would eliminate viable options for 13-16 year old baseball in the community.
District 1	I do NOT want a new theater built at Brook Run, and I do NOT want the old theater refurbished. Please use the area for another project.
District 1	I had a hard time rating safety and security. I think it should be table stakes not only in parks but in the city of Dunwoody. Nothing else matters if we aren't safe - but again I see that as bigger than just parks and rec.

*\*Please note, comments are included from both invitation and open-link samples*

Area	Comments on your responses about top values
District 1	I live in the Branches and I would have liked to have my kids be able to ride there bike to a park without having to ride next to two of the busiest roads in Dunwoody. I feel our side of Dunwoody is vastly under served by the number of parks.
District 1	I strongly support acquisition of additional land for greenspace that can be used for trails, sports, public events, etc. In addition, we need to connect the greenspace that we have in order to promote healthy and safe lifestyles. This connectivity and additional greenspace will greatly enhance the quality of life for Dunwoody citizens, not to mention property values.
District 1	I think continuing the trends of catering to families and the community are important to maintain support for the parks.
District 1	I think Youth Sports are the backbone to a healthy family and community.
District 1	I would also like to see city financial support of public art and public art events in our park system
District 1	I would like us to have a concert venue similar to Sandy Springs
District 1	I would love to see more trails and connectivity for biking and walking throughout the city and between parks and open spaces.
District 1	It would be great to have an outdoor movie hosted (screen on the green style) every weekend during the summer.
District 1	It would be nice to have city youth sports development programs such as tball and soccer etc.
District 1	Lacrosse fields and or sports complex for Dunwoody.
District 1	Let's not locate parks next to apartment complexes.
District 1	More free educational programs for seniors at different locations and advertise these events.
District 1	more greenspace. Like the Beltway.
District 1	My husband and I are not regular park users, but we think them important, particularly for family and community oriented events.
District 1	Need more programming for seniors
District 1	need Parks North of Mt. Vernon
District 1	Not necessarily your fault, but the lack of helmet use at the skate park at Brook Run infuriates me! It makes it so much harder to reinforce our family's rules when NO ONE else is wearing them.
District 1	online survey seems a bit messed up, following hard copy: previous question asked to pick top 3, picking first choice first, next question/page, asks to now pick 2nd and 3rd choice?? I would be careful of results on these 2 questions due to the faulty design. As well, I filled out hard copy (so my wife and kids could participate and give input) and then went online to submit, but the outline and placement of answers does not match, for instance, on hard copy athletic fields is first choice, electronic event pavilions is first choice. If one is just following what they did on hard copy, results will be incorrect.
District 1	Our city does a lot with special events, but the parks have not
District 1	Our city has a real shortage of athletic fields for use in Youth and High School Athletics. It is shameful that Dunwoody High School Lacrosse has no place to even practice because of lack of usable fields
District 1	Our community needs to keep Dunwoody Senior Park and keep Austin Elementary in the same area. You will hurt the community by moving Austin. This means we need to aquire land to relocate Dunwoody Senior.
District 1	Our first priority is for more field space in Dunwoody. My boys play Lacrosse, and there aren't many options for Lacrosse fields in the Dunwoody area.

*\*Please note, comments are included from both invitation and open-link samples*

Area	Comments on your responses about top values
District 1	Our parks are great. Brook Run Theater is a perfect location for community plays, arts of all kinds and is convenient to 285. Why not save it and if the Conservancy & City can't cooperate to make it work, you can tear it down then!!!
District 1	Parks must be built to preserve the open-air, green, treed aspects that Dunwoody is noted for. We must not become just another Buckhead.
District 1	Parks should have place to walk / run / bike
District 1	Pathway connectivity gives can give the most people easier access to the parks
District 1	Please consider trail surfaces that are not concrete. Cochran Shoals is a great example. Runners seek soft surface - not concrete. I'd love a natural trail option that is softer than a paved surface.
District 1	Please consider unpaved trails. Cochran Shoals National park is a good example of a highly used park with a natural trail surface. Runners do NOT seek out concrete surface. They seek out soft surface.
District 1	Please stop spending so much money on park development, parks should be green space and not concrete space.
District 1	Probably would have been a good idea to have definitions for each of the selections above. Safety and security should always be a No. 1 priority but I did not select that. Also, whatever is done should have plans in place for long term maintenance and support.
District 1	Putting up trees/iron gates to safely secure and distance homes from the walkways would be helpful - that was done in our neighborhood in Southern California and it didn't feel like an intrusion - there were also dips and walls for security. Also, suggestion for community pools - the kids/families like to enjoy the company of their friends which can vary from one neighborhood to another. It would be nice to offer one flat bond fee and then pay an additional fee per pool that you want to join/visit vs. a bond fee per pool. It would be a good community wide/family wide effort.
District 1	restoration of Brook Run theater
District 1	Retaining the trees and eliminating any consideration for replacing natural trails with concrete!!!!
District 1	Saving and preserving tree acreage and wilderness space is hugely important to the feel of the city and the health of its citizens.
District 1	Sports fields
District 1	Sports fields are needed, and Brook Run is the place.
District 1	Stop 'activating' trees by allowing a dumb company attach a zip line to them.
District 1	Stop building on every inch of land in Dunwoody and create some parks!
District 1	Supporting and encouraging team sports
District 1	The area needs an indoor hitting facility for baseball and softball.
District 1	The city needs fields for popular organized sports. (soccer and baseball) to avoid reliance on Sandy Springs, Brookhaven, and local churches.
District 1	The focus of the parks initiative, though noble, focuses too much on toddlers through elementary school children. Middle school and older kids are under-served by our parks. It's nice to see a couple of basketball courts in Pernoshal, but it's not enough. The skate park covers a small niche population. What about a soccer field with a baseball backstop in a corner that will not be overrun by rec leagues and residents can actually use a field on the weekend without being run off by a league or team that has reserved the field.
District 1	The parks need to be interconnected with walking/cycling pathways that allow much greater access w/o driving.

*\*Please note, comments are included from both invitation and open-link samples*

Area	Comments on your responses about top values
District 1	Training and Hitting facility for softball
District 1	Urban Parks are important to our type of community. Reasonable access to older folks is important. We generally avoid high profile events like Lemonade Days, especially when an event involves a carnival atmosphere. Quiet walking trails are far more appealing.
District 1	Very important keeping baseball parks active and well maintained in the area
District 1	We are 'under-parked'
District 1	We do not need to create human space at expense of wildlife habitat..i.e. we don't need more open, grassy areas in existing parks if it means encroaching on wildlife beds, nests, holes, etc.
District 1	We don't want to be left behind: the Beltline, PATH 400 - major selling points to area livability. Let's do it!
District 1	We have limited trees and green space left in our area. The parks need to be places where children and adults can enjoy birds, wildflowers, streams, etc.
District 1	We need a community center which has a basketball gym and fields similar to Hammond Park.
District 1	We need a community gathering place for citizens of all ages. If the Brook Run Theater was restored a variety of groups could use the space both day and night. Passive activity in the park would be a detriment to vandalism.
District 1	We need more passive park land
District 1	We need sports fields!!!
District 1	We need sports fields, tennis courts, etc. for community use. Tired of driving to Fulton County for these things.
District 1	We should put some baseball & soccer/LAX fields in the back of Brook Run and bring the food trucks to eat/watch playoff games etc... Rather than putting in a theater, we should leverage the new DHS's underused (beautiful) theater.
District 1	We would like to see the city first and foremost expand and enhance parkland throughout the city and increase connectivity between our green spaces as much as possible. It would be wonderful to have a central green space within the commercial area at Chamblee Dunwoody and Mt. Vernon. We strongly support all city efforts to enhance the City's partnership with the Dunwoody Nature Center and to enhance and promote Dunwoody Park as essential to the identity of the community.
District 1	Wheelchair accessibility
District 1	With the talk of using the current DSB fields for the NEW Austin, what will happen to the Middle School baseball league? What will happen to the DSB baseball league? Why didn't Dunwoody use the vacant PVC field (now developed for - yay - another subdivision)? There is so much wasted space for baseball, soccer, LAX fields at Brook Run it makes me sick to my stomach. We don't more homes built, we need places for kids AND adults to play. Gosh, we care more about having a place for dogs to play than we do for humans. I have a dog and she can pretty much enjoy any spot of the planet.
District 1	WOULD LIKE TO SEE MORE LOCAL TALENT CONCERTS
District 1	Would love to see us keep, maintain, add fields for youth to play baseball, ultimate frisbee, etc.
District 2	#1 Priority for our household is a place where we can go to Walk or Run a 2.5 to 3 mile loop like Chastain Park. We leave Dunwoody regularly to go to Chastain specifically for this purpose. If Ball fields or playgrounds are incorporated into the design that's fine, but, Dunwoody is so focused on 'family' or recreation spaces that it misses the need to have

Area	Comments on your responses about top values
	peaceful beautiful places where people can go without the noise and chaos of trying to fit too many things into one park.
District 2	1) Dunwoody will soon be overdeveloped. The more park space we can preserve, the better. It will soon be too late. 2) With better connectivity to neighborhoods, there will be fewer cars on the road; there are so many families that would love to be able to safely ride bikes/stroll to the park. 3) There are many groups in Dunwoody that already are very good at providing services: churches, MJCC, schools, Spruill, etc. City of Dunwoody should partner with these groups so that efforts aren't duplicated, and use finite resources to provide the infrastructure for the groups, such as playing fields, cultural arts space, etc.
District 2	2. Soccer Complex 3. Senior Center
District 2	A cultural/performing arts/community center at the Brook Run Theater should be a top priority for the city of Dunwoody. Only the narrow & closed minded person cannot see the potential use for this historical building. The structure is sound and be restored for far cheaper than building new. Furthermore, there is no available land in Dunwoody to build such a venue in another location.
District 2	Ability to ride bikes in our community needs to be made a priority, it is currently dangerous to the point of not being rideable at all. The area has been dominated for too long by residents that are empty nesters where our town is not top of mind for young professionals and young families seeking for places to establish their roots.
District 2	Activities should be available for families with Working Moms
District 2	Adding multi-use trails would be awesome. It would be great in the future to have the ability to access multi-use trails from neighborhoods in Dunwoody and ride a bike to PATH 400 and all the way down to the belt line. It would also allow families to safely travel to Dunwoody village and other town centers without getting in their cars.
District 2	An indoor pool would be great
District 2	Brook Run has so much potential! It could really become the 'Piedmont Park' of Dunwoody.
District 2	Brook Run Park is the best thing that has happened in my 38 years in Dunwoody.
District 2	Call boxes are needed immediately on all trails. Safety for senior, children, and women should not be an afterthought. Additionally, wide sidewalks with benches and vegetation that connect to parks should be created and considered as 'linear parks.' Also, publicly-accessible edibles such as fruit trees and bushes, and herb planters, should be part of all parks and linear parks.
District 2	City baseball parks for the youth that age out of Murphey Candler are a must.
District 2	City has developed most of parks away from most homes. Dunwoody SR baseball park is not what it should be. We took care of apartment people but didn't with most of home owners
District 2	Classes and activities for kids should be number one. After that add more parks. Finally, a Dunwoody beltline would be great.
District 2	Connectivity - through walking & biking -- is the most important piece for my family.
District 2	Dedicated sports fields
District 2	Develop the land we have like the area behind brook run. Use it for soccer fields indoor and outdoor facilities. They can be rented to academies like Concorde Fire.
District 2	Dunwoody baseball, softball, and soccer fields would be a huge asset to our community. Instead of dividing up the community between Morgan Falls and Murphy Candler.
District 2	Dunwoody desperately needs to develop and improve the parkland it currently holds, including Brook Run and the Dunwoody Senior League fields, and to create more usable fields, play space, and facilities for use by youth and adults alike.

Area	Comments on your responses about top values
District 2	Dunwoody does not offer any youth camps. These would be great additions!
District 2	Dunwoody has done a great job developing and acquiring Brook Run, Pernoshal, and Dunwoody Green/Renaissance. The top priority should be to continue to focus on an maintain these great existing parks.
District 2	Dunwoody is a wonderful place to live and raise a family. However, there is a huge deficit of field and gym space for our children to play.
District 2	Dunwoody needs a cultural & performing arts center with meeting rooms and other amenities. Currently there isn't any such facility in Dunwoody.
District 2	Dunwoody needs a town center built at Brook Run to host outdoor concerts and special events. Should include a field and play area with swings, etc..for kids to run around in while adults enjoy music.
District 2	Dunwoody needs better connectivity of sidewalks, better facilities that are clean and secure and can host family activities. Safety and Security shouldn't be a choice by the way, it should be a given.
District 2	Dunwoody needs more fields especially multi purpose fields to support lacrosse and soccer. Communities are built around solid sports programs, look at Murphey Candler those fields have been servicing the Dunwoody and Brookhaven communities for over 50 years helping to build LIFE long friendships among parents and Children. Dog parks and skate parks do not offer the same community bonding.
District 2	Dunwoody needs to find a way to serve its families and children with active youth sports programs. We rely on Brookhaven, Sandy Springs and other associations to provide these services. Dunwoody families spend thousands of dollars and countless resources supporting these programs and improving parks in these cities. Girls sports continued to be severely neglected, underfunded, and ignored as a whole. My children are now aging out of sports but if the City wishes to continue to attract young families, you are going to have to provide better sports programs. We are losing families to Brookhaven right now.
District 2	Dunwoody should provide and maintain safe and secure parks with community access, including access to baseball fields and facilities.
District 2	Effective use of current facilities - example: save existing Brook Run theater
District 2	Elder Playgrounds <a href="http://www.huffingtonpost.com/2015/06/04/playgrounds-for-seniors_n_7452270.html">http://www.huffingtonpost.com/2015/06/04/playgrounds-for-seniors_n_7452270.html</a>
District 2	Every week I leave Dunwoody to go to neighboring cities for family services (parks and recs) that Dunwoody should provide.
District 2	Everything is important but safety and providing a good area for everyone to enjoy is just as important.
District 2	Festivals and events at parks in Dunwoody would be great.
District 2	Field space for sports in Dunwoody - we need facilities close to home
District 2	Fields available for middle school and Rec leagues
District 2	Fields like murphy candler would be a great asset to the community- allowing Dunwoody to host games for local teams!
District 2	Finish Developing the main lawn and some ball fields in Brook Run. Maintain the old swing benches, picnic tables, and Awnings by the great lawn or tear them down.
District 2	Focus on keeping up the high quality parks and plan for Dunwoody north shallowford corridor.
District 2	Great but traffic is a big problem
District 2	Have more small neighborhood parks

Area	Comments on your responses about top values
District 2	Having high quality well maintained parks is a high priority. Community wide events to promote parks is a good way to inform the public.
District 2	I am very interested in art and art shows.
District 2	I believe my reponses above are the necessary firsts. We need a framework before we can offer activities, programming. Would love to see enough land acquired to build sports fields, perhaps a ymca type facility. I supported the failed parks bond.
District 2	I feel it is important to have accessibility to athletic fields especially to our teens as they age out of other programs such as Murphy Candler. Youth baseball fields, especially middle aged youth, need to be preserved or protected. Baseball is good for our community.
District 2	I love brook run for little kids and dunwoody senior for the older kids. If they can be combined that would be great but there needs to parks for all age groups and sporting events.
District 2	I love what we do on Food Truck Thursdays where the kids are playing on the field and everyone is eating and conversing and relaxing.
District 2	I really think we need more ball fields for kids.
District 2	I think it is important to address the needs of both the young residents and the seniors. The parks are a great example of places that everyone can enjoy. However, if we are going to have nice places for the teens to gather (and I believe we need to do this), we must also make sure that they are well lighted and not attractive to kids who are looking for trouble. Also the support that we provide to Spruill and the Dunwoody Nature Center helps both age groups and should continue. Sidewalks (which is not really a parks and recreation topic) are essential for young and old alike to get out in the community. We need more in the neighborhoods!
District 2	i think the work that has been done with the parks in Dunwoody has been great- I would love to see more pathways connected to give our community a safe place to go out an exercise and be active with their families. I would like to see brook run continue to add activities and events and develop the park further- maybe add some fields or turf field and some outdoor courts- security will be important as well
District 2	I think we are lacking in programs that are similar to what roswell parks and rec offer.
District 2	I think we have enough parks, we should connect them and evolve them to their full potential
District 2	I think we need an indoor activities facility with gymnasiums. Our community growth of young families is straining current facilities with these amenities.
District 2	I would like to have a facility that we can rent for events, just like the one that is in Dunwoody Nature Center, or in Ashford Park in Brookhaven
District 2	I would like to see the existing parks completed before acquiring new parks. Develop the back of Brook Run to include grading the large green space so it can be utilized.
District 2	I would love for Dunwoody High School Athletics to have their own semi or full stadium for football, lacrosse, soccer and other such events.
District 2	I would love for us to utilize the greenway under the power lines. I remember this idea surfaced several years ago (bike path), but was shot down by a very vocal minority. I think Dunwoody is missing the mark by not having a useable greenway, especially when this is offered in other communities nearby. The Brooke Run trail is great, but it would be even greater if it was connected to a whole system of trails/pathways. Plus, this is something that can be utilized by all age groups.

Area	Comments on your responses about top values
District 2	I would love to see bike/walking paths with a physical barrier to cars all over Dunwoody. (Mt. Vernon to Dunwoody Village, Chamblee Dunwoody Rd.)
District 2	I would love to see sidewalks the entire way down Tilly Mill Road so I can get to Brook Run and the other parks without having to drive a car.
District 2	I'd like to see Dunwoody invest in more and better softball facilities for girls, particularly an indoor batting and practice facility.
District 2	If the art installations were similar to the Sandy Springs Abernathy Greenway Park, I would rank it as a priority. If you haven't been, you must go see it. We love it so much and would love to have something like it here. 70 Abernathy Road Sandy Springs, GA 30328
District 2	Indoor Softball facility
District 2	It is a HUGE shame that Dunwoody teams have to rent field space for soccer and lacrosse practices from schools in Fulton County. TONS of green space at Brookrun that no one can use. It could be a money maker and all that is needed is paint lines and nets.
District 2	It is important to keep parks especially with baseball fields within our Dunwoody community. It is great use of land for our kids to be part of in their community.
District 2	Keep special purpose group activities (e.g. Dunwoody Senior baseball) out of public facilities unless/until they pay full cost of those facilities.
District 2	Keep up dunwoody senior baseball fields.
District 2	Land acquisition and land preservation are two entirely different things. I am all for the preservation of our park land but I do not think acquisition of land for additional parks should be a city priority.
District 2	Land Preservation/acquisition - priority should be maintaining natural areas and tree coverage, preserving and expanding natural space. Customer Service - better communication with signage at park locations, and better communication on Dunwoody website of ongoing initiatives (i.e., publicizing when and where pesticide spraying is occurring, what types of chemicals being used, and purpose for the spraying - so that families can determine whether to wait before taking children and/or pets to areas that are being treated. Frankly, pesticide spraying should be kept to an absolute minimum, only for mosquito control. Herbicide usage should be banned (it is a park after all). Pesticides should be as environmentally friendly as possible. Persistent and systemic pesticides/herbicides should not be used as they can have severe unintended consequences for people, pets, wildlife and plants. Accessibility - this was a close choice between accessibility and maintenance of parks/facilities. Providing access to citizens with disabilities is not only good public policy, it is also the law. I really wish we had the option to choose four priorities because preventative maintenance and ongoing maintenance and repairs of parks and facilities is an absolutely critical component of a successful parks program.
District 2	Land..theyre not making any more of it..especially old growth trees...they add so much to cleaning our air and providing shade in the summer..
District 2	Leave wild spaces in the parks. We especially love the paths through the woods in Brook Run that pre-date the official development of the park.
District 2	Less concrete in the parks. Silly we pave parks. So many other alternatives if you must have a path
District 2	Love the ability to unite our Dunwoody neighborhoods around baseball
District 2	Love the paths and would love even more? Wouldn't be cool to connect D'woody to SS and to ATL?

Area	Comments on your responses about top values
District 2	Make sure parks are patrolled and keoPt safe and drug free. Add programs for kids and families.
District 2	My children will never reap the rewards, but we need at least one multi-purpose turf field for kids to play football, baseball, softball, soccer and lacrosse. We could also use a multi-purpose indoor facility.
District 2	My kids would love public basketball and tennis courts
District 2	Need more than playgrounds; At Brook Run, an aquatic center, perhaps run by Dynamo, should be put in the back. Tennis Courts would be great too, but do NOT let ALTA use/control them like they monopolized apartment ones for years. Lemonade Days needs to have more going on rather than a carnival atmosphere.
District 2	Need more youth sports programs.
District 2	Need more/better baseball and softball facilities!!!!!!
District 2	Need soccer fields. Churches can no longer provide adequate services given the amount of play on their limited facilities.
District 2	Need to connect Georgetown Part to the Perimeter Mall area. That would help traffic especially during the holiday period.
District 2	Need to demolish the deteriorated theatre in Brook Run.
District 2	Need to utilize park space by having sports, paths, and events. Don't need space to have alone time. I can stay in my back yard for that.
District 2	No more hotels and buildings. We should stop construction for big companies and buildings and have more parks and bike trails etc
District 2	not a theater
District 2	Obviously all of the above are important. I don't want our community to be like Sandy Springs or Duluth, concentrated on bringing lots of people from outside. Let's build a strong Dunwoody Community.
District 2	Of course, all of these areas are important and beneficial to families in our community. They should also have dog-friendly areas, but preferably should require all dogs to be on-leash. In addition, all parks should be environmentally friendly (construction with recycled materials, recycling bins, solar lighting, et cetera).
District 2	Our city needs to provide Athletic fields especially for our teens as they age out of other programs (MCLL). Dunwoody Senior baseball is very important to maintain and invest in for my (3) boys.
District 2	Our roadway/sidewalks are horrible. One of our mainstreet mount vernon highway looks terrible. Poor lighting, lack of green space, crosswalks. .Its embarrassing that we can plant trees, flowers, lantern, etc along the most traveled road.
District 2	Parks and family friendly places
District 2	Parks are great means of drawing the right types of people to Dunwoody. And can easily be used to generate revenue Through festivals concerts and other charged admission type events.
District 2	Parks should be protected green space for activities in the outdoors.
District 2	Pathway - the high-power line that connects Sandy Springs, Dunwoody & Peachtree Corners. Do a better job of educating residents about benefits and how a linear park would work. (no vehicles, install fencing, etc.)
District 2	Pathway connectivity with less bike lane construction. Most families will not use the bike lanes on major roads. Additional bike pathways need to be connected by a path similar to the Georgetown pathway to Brook Run. Why not make sidewalks wide enough to accept

Area	Comments on your responses about top values
	bikes and walkers and eliminate bike lanes on roadways. By doing this the land taken would be the same because there would be no dedicated bike lanes. With distracted drivers playing on their smartphones we refuse to use the bike lanes in our community. I was almost hit last week while walking in our neighborhood by a driver texting on a smartphone...
District 2	Piedmont Park does movies in the park and other spring/summer events. It's fairly low cost and brings the community together. We have several parks in Dunwoody and events like this bring the community together. If we do these already, they aren't widely publicized, because I've never heard of them.
District 2	Provide more events (holiday related are great) for families to get involved. Be sure restroom facilities at local parks are maintained.
District 2	Redevelop the Brook Run Theatre
District 2	Running, biking and walking trails are lacking in the community. Many people running and biking the roads increasing danger.
District 2	SAFETY IS MOST IMPORTANT. PERNOSHAL PARK HAS NOT OFFICIALLY OPENED YET THE BARRICADES HAVE BEEN MOVED AND THE BASKETBALL COURTS ARE BEING USED. ALREADY PEOPLE USING THE PARK ARE NOT GOING BY THE RULES.
District 2	Side walks on peeler on the brookrun side of the park are needed. we have to cross busy peeler at the curve where speeders are not visible just to walk to the park, very dangerous!
District 2	Sporting fields including baseball (eg. Dunwoody Senior Park) are important for our community especially youth that have aged out of the other youth programs. It will continue to foster community and wellness while providing a safe outlet for their boundless energy. Gathering to watch a sport activity brings the community together in a very productive manner.
District 2	Sports fields and programs for our children seems like a huge area for improvement. A family friendly community like Dunwoody needs more sports fields and leagues.
District 2	Sports fields and sports programs for children are sorely needed in Dunwoody. It is so inconvenient and time-consuming for parents to drive to other cities during rush hours for children's sports opportunities. Sports fields would improve the city and the quality of life for so many in families in Dunwoody. Our children are now in college but when they participated in sports it was often a nightmare to navigate traffic to get them to practices and games on time in neighboring cities. Crazy stressful for all involved. I thought the land where the old apartments are on Peachtree Industrial Blvd. which was discussed at one time was a good idea because of accessibility and traffic accommodations. It seems a very vocal minority shot down this proposal.
District 2	Sports. I think baseball fields and new basketball space are 2 of the best park related things going in Dunwoody. AS well as the dog park. We need a basketball gym for our city and to be used by the high school.
District 2	Stop signing over city assets to private interest groups. Should have never happened under county ownership, city has continued to allow special interest groups to interfere with their responsibilities. Any money obtain from use of city property should go back to that specific property not into general funds.
District 2	Strong connectivity of trails and accessible routes for walkers and bikers will attract millenials and other community focused residents.
District 2	Study and copy Roswell-we used their programs for our children because we had nothing here when our kids were being raised.

Area	Comments on your responses about top values
District 2	The above choices do not include my top priorities. It is important to preserve the neglected theater building for meeting space, special event facility, music and theatrical performances. I would also include taking care of the land and waterways (Nancy Creek and its tributaries are almost closed down due to debris from storms and construction). Safety and security are always important and a continuation of family events. Maintenance could be improved also and in doing so not destroying Scout projects and others that have been built under the approval of the city.
District 2	The big difference in Dunwoody and Roswell is the quality of the parks which support young families and the number of parks.
District 2	The connection of Brook Run Park to other areas has been a big development and will enable us to do a 5 mile walk off main roads.
District 2	The current Brook Run facilities vendor does a very good job at keeping the park clean and keeping areas easy to use. I run the trail 4x's a week and know that it's always clear of debris. The newly planted trees are also well maintained and are blooming very nicely which tells me that they are putting the right time and energy into the success of the park. Unfortunately there are people who don't leave the park as they found it, so your vendor does a great job and keeping it looking great.
District 2	The fields and facilities (Cages, Dugouts, etc.) at Dunwoody Senior have improved, but are still no acceptable. We have a CLEAR NEED for more athletic fields for baseball, football, soccer, LAX and other sports. There are too many kids and not enough space!!!
District 2	The 'Master Plan' has changed so often in the past 7 years (with each new commission), basic rights of residents who live alongside parks are ignored. Noise and lack of security are constant problems - the County/City has not made any types of relief to those who want peace/privacy in their own homes
District 2	The new park at Pernoshal and new portion of trail that connects this park to Brook Run are already showing signs of vandalism, trash, and no maintenance. Man, I was very much looking forward to this park and trail but they are already being treated poorly. Please help keep this park and trail a public facility I am proud of and want to use for years to come.
District 2	The parks Dunwoody has recently opened or renovated, such as Brook Run, Dunwoody Green/Renaissance and Pernoshal are excellent features that will attract residents and businesses to the area. Keeping and maintaining those parks should be top priority
District 2	The parks should be well-lit; preserve more trees and land instead of developments; control population density; assure safety and security in park areas
District 2	The parks should include tennis courts, community pools and host special events.
District 2	The signage and branding is not attractive. I live in the Vernon Springs area, and the sign that was placed on the park property in our neighborhood is an eyesore. There was a sign placed there by the Eagle Scout that cleaned up the park which was perfectly appropriate and fit into the natural surrounding. The signage at Dunwoody Park is similar and also an eye sore on Roberts Drive. It simply doesn't represent the quality of our community.
District 2	The walk path at Brook Run is awesome. You all have done and are still doing a great job. It is such a great addition to the community. Miss the chili cook off!
District 2	Theater in Brook Run Park
District 2	Theater/performing arts
District 2	This is a poorly-designed question, asking us to rank big goals vs. activities vs. services. And it is formatted differently than the printed survey form.
District 2	Want to preserve / expand Dunwoody Baseball.

Area	Comments on your responses about top values
District 2	We can't wait for all the paths to connect so we can ride bikes all over with our kids, safely!
District 2	we have an interesting group of parks and recreational areas. we need a uniform community directional system such as the brown signs used in some places.
District 2	We have enough 'jungle gym' oriented spots for the smaller children. We need more maintained fields not only for organized sports, but general space for tossing a frisbee, playing a pick-up game of football, or kicking a soccer ball. Money spent on the theater is wasted.
District 2	We have higher priorities than the parks and recreation. For the size of Dunwoody, it seems we actually have too many parks.
District 2	We know this is a 'younger' city, but remember that there are a number of older citizens who helped build -- and still live in -- Dunwoody. We'd like to be able to use the parks and not just see kids' parks or ballfields!!!
District 2	We need more ball fields and pocket parks.
District 2	we need more field space for softball fields....we have one park in this huge area we live in....girls sports are overlooked.
District 2	We need more green space and more sports fields. Dunwoody has way less than most north Fulton cities.
District 2	We need more greenspace in Dunwoody. You cannot create greenspace so developing what little we have -- Brook Run for example -- is a disservice and not a responsible use of this land. We don't need ball fields there!
District 2	We need more trails that are NOT concrete. Hard-packed dirt or mulched trails are preferred. Those are easiest on the legs and are generally the most pleasant for walking and running. Had we put these types of trails in and near Brook Run the Dunwoody community would have been in a position to bid on regional, national, and world cross-country championships which would have promoted our community and generated revenue for parks maintenance and improvements. Unfortunately that appears to be a lost opportunity. Many communities have paved trails, as well as dirt ones, that complement each other nicely. Dunwoody is being short-sighted to not consider adding these alternative trails. Take a look at the Eagle Scout project trail behind Dunwoody High School. That trail is wonderful, just too short.
District 2	We need multi purpose field space in Brookrun.
District 2	We need park space for soccer and baseball programs.
District 2	We need to develop strong sports programs for k-12. Many cities have strong Rex league programs for children. We are lucky to have Brook run, Dunwoody Senior baseball park and we need to utilize them to their fullest. We need to create a dynamic parks division!
District 2	We spend quite a bit of time at Brookrun Park and Dunwoody Nature Center
District 2	We would love to have more green paths for biking and running around Dunwoody.
District 2	Weird list, but answered the best I could.
District 2	Within the city, there are two ball fields available for use by kids. Those are geared to 13 year olds and up at Dunwoody Senior. There are no other options for girls and younger kids for baseball, softball and other team sports.
District 2	would like to see a community pool added to Brook Run park around the 1 mile mark of the walking path.
District 2	Would like to see more natural hard packed pathways vs. concrete/black top.
District 2	Would like to see safe running trails - up to 10 miles would be nice.

Area	Comments on your responses about top values
District 2	Would love to see a splash park. Would love to see children's sports programs / classes Would love to see outdoor concerts in the grass at the new Pernoshal park
District 2	Would love to see new life breathed into the Dunwoody Seniors ball fields so that players aging out of Murphey Candler have a competitive ball park to go to outside of East Cobb.
District 3	#1priority is Performing Arts venue at no expense to tax payers. The rush to destroy the existing structure in Brookrun Park does not reflect good judgment. It may not be feasible financially to refurbish but it hurts nothing to stop talking about 'destroying' the structure. Those council members doing that should instead have a positive attitude about helping our city and using their influence to assist in finding a way to make it a successful performing arts facility and contribute to 'making it happen'. It is a potential 'diamond in the rough' and would be a terrific asset in our city at a bargain price.
District 3	A path which connects all three districts by bicycle. Then connect to surrounding cities like Roswell, Sandy Springs, Duluth. Bikes and cars don't mix well in the road and bike paths are the answer.
District 3	a soccer size area for RC electric flyers would be nice.
District 3	Acquisition is important after the City has developed and maintained its existing park facilities to their reasonable best use and enjoyment. Community programs are not that important. Neither is connectivity, although it is good to do so when reasonably possible without great expense.
District 3	athletic fields, basketball courts would be nice.
District 3	Bike paths similar to the beltline would be nice (minimal risk from cars)
District 3	Brook Run Park has a tremendous amount of untapped potential. I'd love to see fields and tennis courts added, but I do NOT want to encourage people from outside of Dunwoody to visit, as the park will become overcrowded.
District 3	Brook Run should be similar to the Regional Park in Weston Florida. It has soccer fields, baseball/softball fields, tennis, fitness rental areas, Dunwoody pool... of course there should be an annual membership.
District 3	Cultural Arts facility at Brook Run that will allow for all performing arts and education, plus room for events.
District 3	Dunwoody needs more offerings for its younger citizens, lacrosse fields, softball fields, soccer, etc.
District 3	Focus on assets that attract people to this community and help to add appreciation to property values.
District 3	For my family and I we love to go on walks and runs on connecting trails. Maintaining great green spaces and playground facilities is great as well.
District 3	Green spaces/natural areas are a wonderful asset for our community.
District 3	how about outdoor workout programs and equipment
District 3	I am also a strong supporter of Dunwoody Baseball and the upkeep of Dunwoody Senior Baseball field is imperative. A wonderful place to beautify.
District 3	I am worried about the rumors related to Dunwoody Senior Baseball Park - there is not enough sports for youth in the 13-15 age group - a very important and potentially turning point in their lives
District 3	I feel that parks should be places that encourage people to go and do something outside. Recreational game areas would increase outside activity: Bocce courts, horseshoes, places to throw the first base, disc golf, sports leagues, etc.

Area	Comments on your responses about top values
District 3	I have significant concerns about all of the development in progress/planned for Dunwoody (and Sandy Springs and Doraville). Projects seem to be considered independently not as a cohesive plan. End result will be extreme congestion and reduced quality of life.
District 3	I like taking my grandkids to the parks. never enough space.
District 3	I live .5 mile from the park, but feel unsafe to bike or cross peeler/north ave on bike or foot. I would like full size paths that expand the park paths to get into neighborhoods and schools that are sheltered from traffic not just a bike lane people don't pay attention to. We love the park and all the events and have enjoyed watching it grow. We just hope the new traffic updates will be pedestrian focused rather and just traffic focused and one day we will be comfortable to let our kids venture to the park or school on either own with out fear of being road kill.
District 3	I prefer a City stance that does not create active Park uses for private groups. I support successful agreement between Schools and their athletic facilities and the City.
District 3	I think our parks/paths are developing beautifully. I love the direction we're going. However, I have easy access to Brook Run and Pernoshal. Other families don't. I use the Brook Run path early in the morning and my husband worries about my safety. Our city is growing so quickly. I think you have to protect greenspaces before they are no longer available.
District 3	I think we need more bike lanes and greenways connecting parks to each other and to neighborhoods and shopping centers.
District 3	I think we should focus on maintaining the parks we currently have while keeping the cost down for tax payers
District 3	I was a big fan of the idea of a bike path in the rights-of-way areas.
District 3	I would like to see more services for seniors. We pay a lot of taxes yet get very little back in the way of services, while supporting the schools and playgrounds for families.
District 3	I would like to see the City build and develop an indoor batting facility for girls' softball and boys' baseball.
District 3	I would like to see the effort put into dunwoody parks that johns creek has put into theirs. Newtown park is beautiful and I would like to see dunwoody have a place like that
District 3	I would like to see the inclusion of soccer fields.
District 3	I would like to see there be more programs that focus on activities for teenagers i.e. basketball courts, etc. in our parks as I feel this is an underserved age group. I say this as someone who is a senior citizen.
District 3	I would love to see even more done at the Brook Run Park area.
District 3	I would rather have the city pave our neighborhood roads and stop dumping money into parks. If you feel the need to fix up land then take a good look at our children's school grounds. PCMS school grounds are a mess as well as other elementary schools like Kingsley. Good schools bring good families and the city does nothing to assist them. To focused on the park sitting right next door to the school where the grounds are in shambles. And I don't want the excuse that it's Dekalb counties responsibility as the city should take some interest in our schools.
District 3	I'd like to see a multi-path trail connect the entire community. I would like to see a park and/or multi-use trail near winters chapel road region.
District 3	I'd like to see additions of team sport activities in Brook Run. Make the park well manicured and beautiful. Offer some type of nightlife and weekend activities, like ponds, small carnival

Area	Comments on your responses about top values
	vendors, but not like cheap ones. More established vendors, like on a boardwalk or outdoor mall.
District 3	In particular, the baseball fields at Dunwoody Senior are vitally important to our family and to the community at large.
District 3	It is very important that the theater building at Brook Run Park be rehabilitated as soon as possible and put into use for community activities, including but not exclusive to the performing arts. There are so many possibilities for its use, and we desperately need the type of spaces that it would provide.
District 3	It would be great to have more concerts like Chamblee has and have an environment similar to the Atlanta Beltway.
District 3	It would be nice to create a viewing deck/platform on the highside of the skate park in brook run. Onlookers would have a safe place to watch the skateboarders while the parents could safely stay outside while watching their kids.
District 3	It's a shame that with the exception of senior baseball, all kids must go out of the city for organized sports
District 3	Its also great to have pet friendly areas
District 3	Keep our parks in a more natural state.
District 3	Keeping the parks updated and well maintained is critical to the enjoyment of the existing public spaces. It will also help ensure other priority choices such as accessibility and safety. We are extremely excited about the multiuse trails that are being planned and constructed throughout the city. They will add tremendous value and enjoyment to the community in the years to come. With so few opportunities to acquire additional public park space, I commend the city's accomplishments so far to purchase and develop new parks and fully support their future efforts.
District 3	Land acquisition. Although this may be too late after the horrible education done on the community years ago with the 2 different bonds to vote on.
District 3	Make sure to do all we can to preserve all we already have. Clean the existing theater and insure its safety. Make sure the new trails are maintained properly.
District 3	Make use of existing structures. i.e. it's absolutely crazy that a few on city council would even consider the demolition of the theater in Brookrun Park and, in the same breath, talk about building a theater as part of a governmental complex. Why spend all that money when the more economical path is the rehabilitate the existing building.
District 3	More baby swings at the parks.
District 3	More open green space any time we can find it.
District 3	More trails, pool, and open spaces
District 3	multi-use sports fields for all ages (lacrosse, especially)
District 3	Need civic minded facilities not just for children
District 3	Numerous buildings that were part of the retardation center were vandalized and then torn down. The dorm located adjacent to Peeler Road was used by the Olympics in 2007 and was in good repair as late at the latter part of 2011 but it was deemed to be a hazard in 2015 when it was demolished at a cost of over \$200,000. No feasibility study was ever done to establish if the building could have been repurposed into a senior center or some other community use. We must do a better job of securing our capital assets and not use demolition as a consistent policy.

Area	Comments on your responses about top values
District 3	One of the things I find most attractive about the Beltline trail in Atlanta is the wonderful collection of art along the way. I love the nature of our Brook Run trail, but some art would be great.
District 3	Parks are for outdoor activities (playing, skating, biking, running or just relaxing), so any new development should stay with that main idea of outside activities (i.e. NO expensive inside theater in Brook Run Park).
District 3	Pathway connectivity for walking, cycling, running options; e.g. various routes would be great to vary things on workouts Also, please do not tear down the Brook Run theatre
District 3	Please focus on adults. We have enough playgrounds.
District 3	Preserve green spaces for community gardens.
District 3	preserve what we have including the use of the theater as a community center. Aquire land for future Parks and service area. That would include land in and around Perimeter area. In the phrase live, work and play. Play means more then shopping and eating out.
District 3	Preserve wooded areas and natural environment.
District 3	Programs for adults without children. Promote parks to attract kids and keep them from playing in the streets.
District 3	Promote the parks to your Dunwoody residents via direct marketing at least twice a year. All residence of Dunwoody aren't receiving these emails. Come from behind the computer and get to reaching all of the community. No just the ones online, like me.
District 3	Providing parking on park land and not on unsafe streets and nearby lawns.
District 3	Restoration of Brook Run Theater
District 3	Restoration of Brook Run Theater should be the highest priority. It will provide space for programs (including all arts) and classes as well as performing arts.
District 3	Safety and security should always be top priority but we need the spaces first. For safety, we are thinking of cameras, call boxes, well lit and visibility. Planning for maintenance costs are very important. Planning Family friendly events is next.
District 3	Safety foremost. Don't want the parks to become target areas. Good illumination, open areas, patrols as necessary.
District 3	Safety measures must include areas surrounding parks, such as lowering speed limits and speeds bumps to manage speed and visibility as children enter park areas.
District 3	Shape of grass areas in Brook Run Park is unacceptable. I hope there is interest in improving grass and landscaping in Dunwoody parks.
District 3	Should the Theater be restored, then many of above items would be covered, family activities, community events, develop classes for all ages etc.
District 3	Softball indoor facilities, basketball indoor facilities
District 3	The bathroom facilities have been messy on multiple occasions. We frequent Georgetown and Brook Run. There is usually no soap in the bathrooms either. Recently a homeless person came to Georgetown, who seemed mentally unstable. Luckily Dunwoody police responded, but it made us nervous to go back.
District 3	The parks are great and already offer so much. I love the direction we are going in with pathway connectivity. Would love to see more music-oriented events like Chamblee does if possible.
District 3	the plan to develop an interconnecting trailway in Atlanta is fantastic - keep it up!!!
District 3	The top priority should be to develop the back acres of Brook Run. The area should be used to offer active/competitive sports like softball, soccer, lacrosse, etc.

Area	Comments on your responses about top values
District 3	The trail between Brook Run and Georgetown is great. Connected other parts of the city will continue to encourage the 'small community' atmosphere.
District 3	There are a lot of open areas and I don't know how you can monitor activity everywhere to ensure safety and security, but cameras continuously monitored by security company should be considered.
District 3	There are so many it is hard to pick only two. Maintenance is key to having a nice facility which brings folks. Need programs for boys from middle school to high school. School programs are limited in the number of students they take so need additional programs to help everyone have a chance to play which keeps kids safe and out of trouble.
District 3	There are so many parks in the dunwoody sandy springs and roswell area. I love to walk and hike but I do not feel safe doing so. During the week almost all the trails are completely deserted.
District 3	There should be more green space, children grow and move and then you are left with playgrounds not being used. Cement makes heat, trees bring cool air.
District 3	Walkable access to open park spaces should be a priority.
District 3	We do not have public art, it would be wonderful if we had 'usable' art or art that brings attention to the history of Dunwoody. Somehow integrate art with a purpose.
District 3	We have a facility in Brook Run Park - a 34,000 square foot theatre/community center that should be restored. This could offer theatre, concerts, business meetings, dance recitals, weddings, civic events and meetings, classes for all ages.
District 3	We have the least amount of athletic field space of almost any city in the vicinity. My son currently play s Lacrosse for Peachtree Middle and we have to travel to Roswell to practice because there is no local field space for Lacrosse. We need a multiuse turf field in Dunwoody.
District 3	We need an amphitheater!
District 3	We need better parks or facilities in District 3
District 3	We need to keep youth baseball going in the parks.
District 3	We would love to see more facilities in the large parks, especially permanent concession stands.
District 3	We would love to see more youth recreation leagues, especially for lacrosse, baseball, tennis and golf.
District 3	Would love to see a single-track, bike only, mountain bike trail through the woods at Brook Run.
	A Dunwoody beltway walk/run/ride.
	I have lived in Dunwoody for 35 years and my other 8 years of life was born and raised in Upstate New York. I have seen Dunwoody grow and grow, and its a wonderful place for families and children. With all the activities and events that go on we are missing one thing and that is a small water facility with slides and shallow pool for all ages to have fun in like in Johns Creek area off Peachtree Industrial. (that would be something) then dunwoody would have (park playgrounds/event center/sports/activities/nature trails/dog park/bike trials/areas for sports/family events and local carnivals/arts and nature center/plus much much more. What more could you ask for in a city to keep your children out of trouble and out of the house from video games 24 hrs a day.
	possibly build a shell for concerts, performances
	Repair Brook Run theatre for concerts and other shows and community events

Area	Comments on your responses about top values
	They just put a big neighborhood behind my house were there used to be a beautiful piece of land. Lots of wild life and beautiful rare trees etc, such a shame 😞

**Table 3: Importance of Facilities - Other (Q5)**

Area	Importance Rating	1-not at all important, 5-very important If you selected other facility, please specify:
District 1	5	Bathrooms
District 1	5	bike lanes
District 1	5	Boys baseball & Community theater very important
District 1	5	Brook Run auditorium
District 1	5	Indoor practice facility - baseball, football, lacrosse etc..
District 1	5	indoor softball/baseball hitting facility
District 1	5	indoor sports facility for indoor hitting and other activities
District 1	5	More field space - see comment above for lacrosse fields
District 1	5	Public tennis courts would be great. Thought DHS was going to open theirs up -- we should have some
District 1	5	Restrooms etc.
District 1	5	Tennis courts
District 1	5	tennis facility
District 1	5	Training and hitting facility for softball
District 1	4	Bathrooms
District 1	4	Community based meeting/event space beyond pavilions
District 1	4	community center to have sport classes for kids
District 1	4	Performing arts location
District 1	4	Public areas such as pavilions
District 1	4	Splash pad
District 1	4	walking trails
District 1	3	Exercise equipment for Seniors
District 1	3	I'm against renovating the brookrun facility
District 1	3	Meditation, Outdoor art / sculptures
District 1	3	none
District 1	3	Upkeep on buildings already existing
District 1	3	use of existing buildings
District 1	2	Parks can only do so much...
District 1	1	I do NOT want the theater at Brook Run refurbished OR rebuilt.
District 1	1	long abandoned theaters
District 1	1	Theater. We have one at DHS that is beautiful and underused.
District 2	5	A city gym.
District 2	5	ability to use the theater building for inside activities. It would be great to know the city has it
District 2	5	An indoor batting facility for baseball/softball

*\*Please note, comments are included from both invitation and open-link samples*

Area	Importance Rating	1-not at all important, 5-very important If you selected other facility, please specify:
District 2	5	Aquatic Center
District 2	5	Aquatics Center
District 2	5	Bathrooms, Water fountain
District 2	5	Brook Run Theater
District 2	5	Brook Run Theatre
District 2	5	Community theatre
District 2	5	Develop the back of Brook Run by simply grading and preparing the green space as a place to throw a ball or frisbee
District 2	5	Dunwoody does not have a community pool; adding one to Brook Run park around the 1 mile point of the trail
District 2	5	I really wish we had a gymnastics center. We have to drive all the way to Sandy Springs for their gym
District 2	5	indoor gym/recreation facility.
District 2	5	Indoor Softball facility
District 2	5	Indoor softball practice facility
District 2	5	Library
District 2	5	Library
District 2	5	Locations that can be rented for events
District 2	5	Meeting space
District 2	5	Performing Arts Center
District 2	5	Public pool (Decatur, Alpharetta, Atlanta all have them and they are beautiful and easily accessible
District 2	5	Restrooms / water fountains
District 2	5	Soccer Fields
District 2	5	Swimming area
District 2	5	town center with concert stage
District 2	5	We need a good soccer facility. Current soccer facilities are terrible
District 2	5	Why don't we have community tennis?
District 2	4	Community theater
District 2	4	Event Storage Facility
District 2	4	Need Rec facility
District 2	4	out door theater
District 2	4	playing fields for sports
District 2	4	Restrooms
District 2	4	River and Creek paths
District 2	4	Seniofr Activities
District 2	4	summer sprinkler area
District 2	4	would be nice to have public tennis
District 2	3	Cannot do it all, must choose. I chose above.
District 2	3	Community center
District 2	3	community pool
District 2	3	Depends on what that facility is

<b>Area</b>	<b>Importance Rating</b>	<b>1-not at all important, 5-very important If you selected other facility, please specify:</b>
District 2	3	Dunwoody baseball expansion in brookrun
District 2	3	Event facility
District 2	3	Just be open to new ideas
District 2	3	Open grass fields
District 2	3	Playground for elders
District 2	3	Rest Rooms
District 2	2	theatre
District 2	1	Stop the theater nonsense at Brook Run. We cannot afford it.
District 2	1	Theater
District 3	5	auditorium
District 3	5	baseball softball facility
District 3	5	batting cages
District 3	5	batting cages
District 3	5	Batting facility
District 3	5	bike paths
District 3	5	Brook Run Theater
District 3	5	Brook Run Theatre
District 3	5	Brook Run Theatre
District 3	5	Cultural building at BRPark
District 3	5	indoor auditorium
District 3	5	Indoor hitting facility for softball & baseball
District 3	5	Lacrosse Field
District 3	5	Performing arts center
District 3	5	Restoration of Theater
District 3	5	Restore Brook Run Theater
District 3	5	Restore Brook Run Theatre
District 3	5	restrooms
District 3	5	tennis
District 3	5	Theatre, annual events and weekly summer activities such as Lemonade Days and Food Truck Thursdays
District 3	5	We need a performing arts theatre and have one available to us.
District 3	5	We need the indoor facility for baseball and softball to remain.
District 3	5	would like public concert venue
District 3	4	A place where small groups and non-profits can meet. A place where community theater can perform.
District 3	4	Aquatics: swimming and diving
District 3	4	Auditorium, Amphitheatres
District 3	4	Community center
District 3	4	community classes
District 3	4	Disc golf - bike trails
District 3	4	public restrooms

Area	Importance Rating	1-not at all important, 5-very important If you selected other facility, please specify:
District 3	4	Public Tennis Courts with Lights
District 3	4	restrooms
District 3	4	theater
District 3	4	Theater
District 3	4	Theatre
District 3	4	We discussed a toy sailboat pond in the first Brookrun Master plan meeting
District 3	4	Would like lake access or an indoor pool or a senior center
District 3	3	bike Trails
District 3	3	Covered areas by playground s
District 3	3	don't have an opinion
District 3	3	Green spaces and good parking
District 3	3	gyms, volley ball courts, and indoor rec areas
District 3	3	not sure what this is
District 3	3	One larger event space for all of Dunwoody would be nice. If big enough, it could host 'big' events
District 3	3	pool, handball courts
District 3	3	Pools
District 3	3	Public reservable meeting space or community center.
District 3	3	Restrooms at parks
District 3	3	Trees and Shrubs,green space
District 3	3	Water Play Area
District 3	2	Amphitheater
District 3	2	Baseball fields!!!
District 3	2	No theater in Brook Run
District 3	1	no other facilites are needed
District 3	1	Unknown
	5	Brook Run Theater
	4	Aquatic center play for kids
	1	no theater

**Table 4: Needs of Community Met by Facilities - Other (Q5)**

Area	Needs Met Rating	1-not at all, 5-completely If you selected other facility, please specify:
District 1	1	Brook Run Auditorium
District 1	1	Brook Run Theater restoration should meet the needs of the community by becoming a Center for citizens
District 1	1	existing buildings not in use
District 1	1	indoor baseball and softball
District 1	1	More bathrooms
District 1	1	More field space - see comment above for lacrosse fields

*\*Please note, comments are included from both invitation and open-link samples*

Area	Needs Met Rating	1-not at all, 5-completely If you selected other facility, please specify:
District 1	1	there are no indoor public sports facilities in Dunwoody
District 1	1	Training and hitting facility for softball
District 1	2	community theater is needed; as is boys baseball field if Austin moves to current Dunwoody baseball
District 1	2	tennis courts
District 1	3	Keep buildings clean, stocked with toiletry necessities
District 1	3	Reactivate small stream
District 1	5	DHS theater is completely satisfying the needs of our community...as it is underused.
District 1	5	tennis
District 2	1	Aquatics Center
District 2	1	Community theatre
District 2	1	Develop the back of Brook Run
District 2	1	Dunwoody does not have a performing arts center
District 2	1	Event Storage Facility
District 2	1	Gymnastics- not at all. We need something here!
District 2	1	Indoor Softball facility
District 2	1	Indoor softball practice facility
District 2	1	Meeting facilities
District 2	1	Need rec facilities & programs
District 2	1	No good soccer facilities
District 2	1	no town center
District 2	1	outdoor theater
District 2	1	Public pool
District 2	1	restrooms
District 2	1	Senior Activities
District 2	1	summer sprinkler
District 2	1	tennis courts and community pool (community like Piedmont Park offers would be nice)
District 2	1	We are not in favor of Athletic fields, basketball courts, skate parks, or the Treetops zip line.
District 2	1	We need a gym.
District 2	2	Tennis facility
District 2	3	Bathrooms / water are good in most parks we visit regularly, but wanted to make sure they are a priority
District 2	3	Library
District 2	3	Open grass fields
District 2	3	Theatre not adequate
District 2	4	Community theater facility
District 2	4	Library
District 2	5	Community pool
District 2	5	I'd love a Dunwoody Theater and Arts complex

Area	Needs Met Rating	1-not at all, 5-completely If you selected other facility, please specify:
District 3	1	Aquatics: swimming and diving
District 3	1	Bathrooms
District 3	1	batting cages
District 3	1	Brook Run Theatre
District 3	1	Brook Run Theatre
District 3	1	Get with it and rehab the theater. It meets lots of community needs.
District 3	1	if we're looking at the BRBuildings..
District 3	1	indoor hitting facility
District 3	1	More connectivity of paths to parks and add disk golf course
District 3	1	no bandstand for concerts
District 3	1	No Theater, No band shell
District 3	1	pool
District 3	1	tennis
District 3	1	theater
District 3	1	theater needed
District 3	1	Unknown
District 3	1	We need a place to call home for a number of cultural groups - dance, theatre, choral, meeting space
District 3	1	Would like lake access or an indoor pool Or a senior center
District 3	2	Hoping Theatre becomes a reality and the other areas of Brook Run will be cleaned up
District 3	2	Need larger and better theater. Could be met by restoration of Brook Run Theater
District 3	2	Need to Restore Brook Run Theater to provide meeting and performing arts space.
District 3	2	Not enough shelter
District 3	2	Performing arts for multiple groups
District 3	3	A pavilion
District 3	3	batting cages
District 3	3	Concerned about the indoor batting facility going away.
District 3	3	public restrooms at Brook Run
District 3	3	There is obviously the great potential in Brook run
District 3	4	Auditorium, Amphitheatres
District 3	5	baseball / softball parks
District 3	5	restrooms
District 3	5	Theater is a huge attraction
District 3	5	Water Play Area
	1	Brook Run Theater
	4	tennis courts soccer fields

**Table 5: Importance of Programs - Other (Q5)**

Area	Importance Rating	1-not at all important, 5-very important If you selected other program, please specify:
District 1	5	indoor sports facility
District 1	5	outdoor movies for families
District 1	4	Corp event/mtg space
District 1	3	We need Baseball in Dunwoody. It insane we do not have a recreation facility.
District 1	3	Why does a park have to be 'active'? Why not promote an environment to be quiet, reflective.
District 1	1	Light up Dunwoody
District 2	5	Art programs
District 2	5	dance classes
District 2	5	dog park
District 2	5	Improving sports fields behind Dunwoody High School
District 2	5	Running clubs and events like races
District 2	5	Similar to the theater building I feel the city needs to keep an open mind to 'other' ideas.
District 2	5	Theatre
District 2	5	Would like to have a baseball/softball indoor batting facility to serve the local interest of ball players
District 2	4	Need soccer fields for open play in Dunwoody.
District 2	3	Music venues
District 2	3	Open grass fields
District 3	5	Activities like restoring the brook run theater and then - special events
District 3	5	Aquatics: Swimming & Diving
District 3	5	Brook Run Theater
District 3	5	Brook Run Theatre
District 3	5	Culture and Performing Arts that could be part of a restored Brook Run Theatre
District 3	5	Fields for sports practices and play
District 3	5	just walking and being in the park
District 3	5	Lemonade Days
District 3	5	Need meeting space, performing arts space and space for all arts.
District 3	5	Restore Brook Run Theater
District 3	5	Senior group
District 3	5	tennis
District 3	5	We attend opera, symphony and theatre. Atlanta traffic is horrible and getting downtown gets more (illegible)
District 3	3	Block parties at the park
District 3	3	Would love to get mailer on programs offered
	5	adult fun evenings

*\*Please note, comments are included from both invitation and open-link samples*

**Table 6: Needs of Community Met by Programs - Other (Q5)**

Area	Needs Met Rating	1-not at all, 5-completely If you selected other program, please specify:
District 1	1	Brook Run Auditorium
District 1	2	We need baseball fields especially if we are losing Dunwoody Seniors.
District 1	3	Corp event/mtg space
District 2	1	Fields behind DHS
District 2	1	indoor batting cages would be a tremendous asset to the community
District 2	1	Need a basketball gym
District 2	1	No running clubs or enough races.
District 2	1	Theatre
District 2	3	Open grass fields
District 3	1	Aquatics: Swimming & Diving
District 3	1	baseball fields
District 3	1	Brook Run Theatre
District 3	1	concerts music
District 3	1	Need more cultural arts programs including performing and visual arts. All could utilize a restored theater.
District 3	1	No Theater, no band shell
District 3	1	Nothing for seniors
District 3	1	tennis
District 3	1	The theater is still closed after years of ownership, and now you appear ready to destroy it
District 3	2	Need Meeting Space and Performing Arts Space for Stage Door and others. Need meeting space for community.
District 3	2	Need more space for performing arts (Stage Door Players and others)
District 3	2	Random program in the local churches. We need a facility for varied and multiple programs.
District 3	3	I think the city relies too much on private group, for example the 4th of July parade, light up D
District 3	5	Just Leave It Alone, Keep Our Roads Paved And Stay Out Of The Way
District 3	5	Lemonade days

**Table 7: Household Activity Participation - Other (Q7)**

Indicate whether you and your family participate/would like to participate in any of the following (Other)
a public pool like in Gwinnett County
As we mentioned earlier in the survey, less bike lanes and replace with wider sidewalks to accommodate walkers and bike riders just like the Georgetown path to Brook Run.
Brook Run Theater
Community Strength Exercise specially designed for Women
Cultural Arts facility will bring more programs and space available for all
Cycling Programs

*\*Please note, comments are included from both invitation and open-link samples*

<b>Indicate whether you and your family participate/would like to participate in any of the following (Other)</b>
Dog Agility
dog park activities
Enjoying nature with no development
Enviromental/community wide recycling/sustainability
expanded theatre opportunities, concerts, cultural arts center, using an existing facility at Brook run Park
Gardens
gymnastics
know nothing about disabilities program but could participate
More cultural and art events
More Parks in Dist 1 would have been nice. Also, an indoor swimming pool would be nice as well without having to join a club at DBC or another health club.
outdoor concerts
Performing Arts
Pickleball
sand volleyball courts
Spruill Center and Stage Door Players
Technology classes
Theater - Cultural and performing arts
Trails; senior baseball;
Use of parks for Boy and Girl Scouts, etc for increasing knowledge of protecting nature
walking
walking picnic
Would love community tennis lessons rather than depending on private clubs

**Table 8: Areas to be Addressed that Would Increase Utilization – Other (Q10)**

<b>The three most important areas that, if addressed by the City, would increase your utilization (Other)</b>
Benches, picnic tables, seating
Bike racks
Biking/running path to get to park; a small cafe for breakfast/lunch with outdoor seating
brook run theater
Brook Run Theater
Brook Run Theater
Brook Run Theatre
connecting trails
distance from my home
Dog friendly
gymnastics
Increased trail network
Indoor batting facility
Indoor hitting facility for teens and adults
interconnective paths

*\*Please note, comments are included from both invitation and open-link samples*

<b>The three most important areas that, if addressed by the City, would increase your utilization (Other)</b>
Just Leave Parks As A Place To Appreciate Nature
Maintaining green space
map of facilities
More festivals/concerts
more natural green space - wooded parks with trails
More parks in district 1!
More pathways/connectivity between park areas
More restrooms
more trails
More trails
Multi purpose fields
Noise reduction
Open green space
Open Space
Outdoor recreation
Performing Arts Center for the community
Restore Brook Run Theater
Restore Brook Run Theatre
Retaining green space. Natural hiking trails.No bikes.
Road construction projects completed so we can get to the parks
Save Green Space and Trees
Saving the theater
Soft surface trail
Sports fields for all to use
Tear down the old Theatre and don't waste any more funds on it.
tennis
tennis courts
theater
Vote to allow the Brook Run Conservancy to restore the Brook Run Theatre
Walking & running pathways

**Table 9: Comments about what would increase your utilization of parks and recreation facilities (Q10)**

<b>Please comment on or add to your responses:</b>
70% of Brook Run is suppose to be Green Space. Although Brent has said that means parking lots and sports fields, his opinion is not in keeping with what people want. Trees, woods, streams are not protected in Dunwoody. Look at what Sandy Springs is doing with Lost Corner. When the density increases with State Farm and BMW, people are going to want a park that is Green, not paved.
A restroom at wind wood park
A 'Great Lawn' area and covered pavilion or outdoor amphitheater would be a wonderful addition to Brook Run Park.
A big splash pad/park would be great!

*\*Please note, comments are included from both invitation and open-link samples*

<b>Please comment on or add to your responses:</b>
A cultural & performing arts center at Brook Run Park
A cultural & performing arts center at Brook Run Park where I could see plays & concerts without having to drive outside my community. A place where I could meetings and seminars of groups not affiliated with a church. A convenient location to hold adult enrichment classes.
A gym for basketball and other activities.
A Hammond Park-like community center would benefit Dunwoody.
A performing arts facility is sorely needed. I have performed in concert at the Brook Run Theatre with both the DeKalb Symphony and the Callanwolde Concert Band. It is a wonderful, spacious venue that DeKalb County sinfully let go to ruin.
A splashpad/water playground and disc golf course would be a welcome addition.
Accessibility to cultural events for somewhat physically impaired
Activate small stream
Add ball fields and facilities for kids team sports.
Additional facilities for active park space. Better use of publicly owned land for such usage. Brook Run and Peachtree Middle School are grossly under utilized and could be tremendous assets to the community
Adult sports leagues would be great.
All are important--difficult to choose. I could be persuaded to easily choose a different three areas.
As our kids age out of Murphey Candler, we anticipate them using Dunwoody Senior ball fields. We would be happy to make this transition. If, however, the site is needed for another purpose, it is imperative to have ball fields located somewhere within the city. (Brook Run comes to mind). This is especially important for our middle aged youth, who have aged out of the little league park in Brookhaven.
As you can see from my responses, I have teens in my house. Living in the Branches, we have been under served by the city. Can't really get to any park without fighting traffic. We need more near our neighborhood and we need more activities in Dunwoody for active families.
Back to nature activities
Batting and indoor facility
Between Perimeter Center and central/east Dunwoody. Need a bridge over the creek that divides these two areas, and a designated path up to this point would be welcomed, even though it would likely run through a neighborhood.
Big clear open spaces are hard to come by but is what's needed, like what's left at Brook Run is important to have picnic, playing whatever a family wants. Not having every inch covered with a specific activity designed area.
Bike lanes are the most important to us. We are all cyclists. We cycle to work and also recreation. We would like safer streets for us to ride our bikes on.
Bike paths to connect the community
Brook Run additions have been fantastic! More to do there, but kudos -- we spend a lot of time at Brook Run!
Brook Run is a shining example of a pretty good park. Id like to see an aquatics center here, too. So many of us are tired of going to Sea Ventures for a big saline pool for our kids' lessons.
Brook Run Theater would provide space for meetings as well as cultural and performing arts. It would also provide space for events such as civic, community and other events.
Build more parks

<b>Please comment on or add to your responses:</b>
By restoring Brook Run Theater, the park would be utilized more during the day and evening. This would make it safer for everyone.
City management has totally trashed a valuable natural resource - Brooke Run. For whatever reason, pine tree needled trails seemed an issues .What's next more concrete so we can have go-kart races. Skate board park...not bad. Zip lines, why not just turn it into an amusement park.
Communication needed about what is happening with Dunwoody Senior Baseball during the build, if the Austin Elem rebuild takes that space. Improve the great lawn and make a multipurpose field for all sports at Brook Run. Utilize the JCC theatre, the DHS theatre or the Spruill Theatre. Tear down the old Brook Run theatre and don't waste any more taxpayer dollars on it.
Connecting walking paths to Nature Center
Connectivity by bike and walking
Connectivity to other parks/areas of town... without having to DRIVE!
Create parks and maintain them. Don't create a basketball court that gets destroyed and never used or repaired.
cultural arts center / community center with room for programs that benefit all ages from seniors to kids.
Develop the back acreage of Brook Run into a usable area including youth league facilities.
disc golf course, public tennis courts, pools (probably the most expensive upkeep), biking trails, adults sports leagues, concessions, game courts
Dog friendly facilities
Dunwoody is the only city that i am aware of that spends more money on surveys, plans and studies than on maintaining fields where children can play.
Dunwoody Nature Center could benefit from additional parking.
Dunwoody needs soccer type fields based on a long-term approach (amount of use, maintenance, limiting access, lighting, drainage, scheduling, security, etc.). Learning the lessons of other communities (e.g. Roswell, Chamblee) to see what most cost effective over the long term - turf or grass.
Dunwoody Parks are great. I would not expect the City to invest in youth sports programs. The religious organizations are too far entrenched. It's not feasible. We NEED to invest in the arts. The Spruill Center is an embarrassment.
Especially sports programs for middle school age. 6th graders don't have many options in school. Only options if you love a sport are private select/academy teams, but they require a huge time, travel committment that I feel is unreasonable for the age. Church leagues have offerings, but spotty at that age group.
Every neighborhood should have a green space within easy walking distance, even if it is small.
Facilities and programs are needed. For example, a softball league playing at Brook Run fields. We have the space. Just need the facilities and programming.
Facilities need three things: Great facilities/amenities Great programs to use those facilities Ability for all of the community to use
Field space for sports
First, I have to feel safe, and I have to feel that my kids are safe, to participate. Second, the parks are moving in a good direction regarding condition/maintenance, but there are buildings in Brook Run that need to be knocked down or utilized for programming, some of the playground facilities are not functioning, and landscaping choices at Pernoshal may not be sustainable. Third, if programs aren't what I'm looking for, I'll look elsewhere to meet my need.

<b>Please comment on or add to your responses:</b>
Focus on children programs and then adults.
For safety and security, would like to see more lighting in parks
Green space preservation and community gardens
Having the theater building at Brook Run and the farmhouse restored for additional art, cultural, musical, theatrical, and business gatherings
Hoping that a playhouse at Brooke Run can become a reality! We really need a bigger venue in Dunwoody!
I am not aware of most of the programs mentioned in this survey. Need to communicate better.
I feel that my family utilizes facilities in Dunwoody. I would like to see a DUNWOODY youth sports program. My family participates at the MJCCA.
I have 300 older female members at Curves Community, including many Silver sneakers - strength training and cardiovascular. When I give up my Franchise in June they will have nowhere that offers our exclusive services. It would be great for the city to take this on somewhere in Dunwoody. Jan Slimming 404 428 7170 jslimming@comcast.net
I have been waiting for 16 years for Brook Run to be completed. I believe that should be the first priority. The field in the back of the park needs to be graded so one can throw a frisbee, have a picnic, read a book in a nice open space. It should also be the location of festival events. I also believe that an indoor, for fee, batting facility should be constructed for the baseball and softball youth of the area. There is plenty of space to accommodate for this.
I just want places to walk my dog.
I like the idea of connecting our Parks to end up at Perimeter Mall.
I look forward to the rehabilitation of the Donaldson-Bannister Farm and the types of community activities that could be held there. It is a unique special use park that Dunwoody is very lucky to have. It's rehabilitation needs to be accelerated so that the public can access and enjoy it.
I love that we have wonderful places to take my grandchildren when they visit. They are young enough to enjoy the playgrounds but I wonder as they get older what safe places do we have for pre-teens and young teens to explore safely? I know the sports activities fall into that category but I've heard many horror stories about the lack of supervision at the skate park. I think the young teens need a place to 'hang out' that is safe with discrete supervision.
I only hear about the big events.
I only visit the parks when I have visitors who wish to enjoy them. That being said, I think they are vitally important, especially for those who enjoy walking in nature. When my daughter was small, we frequently went for walks in parks and public gardens, but it is not something I enjoy alone.
I remember what Brook Run looked like before the forest was leveled to make room for the hot, rubber-matted playground area. The playground equipment is very nice and families are really enjoying it, but it sure would be nice if it had big shade trees. I would love to see Brook Run have more natural areas - mulched paths through shady forest where kids/ walkers/runners could feel like they were surrounded by nature and not by concrete. There is so much pavement in the park.
I say WiFi only for areas such as the Atlanta Kosher BBQ Competition event I host each year at Brook Run Park starting last year...WiFi would make it easier to run a portion of the event. Additional facilities and amenities I state because TreeTop Quest was one of the BEST ideas next to building the jogging trail. TreeTop brings a great adventure for exercise and activities for my family. Reaching out to other commercial companies like REI are great ideas.
I think the parks in Dunwoody are GREAT!
I use and volunteer in the parks, but I see how far behind we are with parks in the other cities

<b>Please comment on or add to your responses:</b>
I want quality programs that are enriching at an affordable rate. I would be willing to spend more money to have the programs be high quality. I do not want programs to be free and become a glorified babysitting service.
I would like to be able to get to a park without driving my car.
I would like to see classes added in Tai Chi or yoga that could be done with little investment and only the expense of a teacher that would be covered by a small use fee. That would dramatically increase usage
I would like to see soccer fields and athletic fields where my children can play.
I would like to see some kind of area (maybe a football/soccer field to be allocated for off hours for RC recreational activities.
I would love to go to some community events, but I really never heard about anything.
I would love to see the trail network expand and have more of the sidewalks connect
I'd rather see our school s get some attention.
I'm not aware of many programs other than Spruill. I'm somewhat interested in the Nature Centre, but worried that it's full of children.
I've mentioned this in the survey already, but I really want gymnastics here like at Hammond Park.
IF NEIGHBORS DO NOT FEEL SAFE IN THE PARK OR ON THE TRAIL ALL THIS IS FOR NOTHING. SAFETY MUST BE FIRST.
If we renovate the facility in BRPark, then we can bring many of the programs and events to Dunwoody that will benefit all ages.
Importance of bike lanes to access parks and suitable sidewalks for walking
In the new park off Pernoshal Ct. there's already lots of trash in the parking lots and in the back ditches between the metal fence and wooden fence as well as in some of the water retention areas.
Indoor Softball facility
indoor sports facilities
It is important to keep parks especially Dunwoody Seniors for our kids to have a place to play rec baseball. We need to keep it maintained and build the sense of community with it.
It is obviously clear that I think Brook Run Theater is at the top of my list. It represents a tremendous opportunity to bring people together for any number of cultural events and adds to the attractiveness of this city for things to do.
It's mind boggling that the city does not have any public swimming pools with diving facilities.
Keep Dunwoody Senior Baseball
Love the additions! Please help DHS. The school needs adequate sport fields. Possibly a pool.
Love the new basketball courts. Wish they were lit at night until closing
Maintenance and safety are most important then need accessibiity.
Make Brook Run more useable
Many different programs could be served by the space available at Brook Run Park Theater.
Many of your questions are so redundant - the same thing over and over again.
More cycling trails and pathways
More facilities for sports / fields for football and lacrosse
More field space
More Fields for youth sports!!
more leagues, lessons, classes for adults
More restrooms and water fountains. More picnic shelters.

<b>Please comment on or add to your responses:</b>
multi-purpose sports fields
Must have programs available for families with Working Moms! I am so frustrated that the majority of child enrichment activities are unavailable during reasonable hours.
My #1 biggest problem is getting to parks safely via bike. night time events (such as food truck Thursday's) are an added problem because street lighting along my route there/back is so, so poor that I feel unsafe both on bike and walking. Finally, loose dogs at the nature center are a major reason we don't go there anymore.
My family has extensively used Murphy Candler Park, Dunwoody Nature Center, Dunwoody Senior Baseball park. Please don't take away from any of these parks.
My husband and I are not regular users of the parks though we think them an important amenity for the city in general terms. As such, condition and maintenance of our park facilities and grounds is vital.
Need a Dunwoody Pool. So many kids, this would be a huge draw
Need a park in middle of Dunwoody Village to bring community together. Replace Post office with central park/open green space/pavilions and possibly event stage
need more live music events
Need multi use turf field
Need rec opportunities to include more paths, Frisbee golf, and active fields for organised youth and adult. These activities can fall over a huge swatch of ages.
Need some Senior Programs
Need sports facilities and youth/adult programs
Never been to Brook Run. Don't know what it offers. Thought about going to the beer fest last year but didn't make it. Too far to walk. What about shuttles? Have thought about the Food Truck Thursday but unsure of the parking situation.
NO Brook Run theater at all.
Not a user of City parks and recreation facilities; have other outlets for recreation activities.
not much mention of preserving green space
Number one is trail access
Our community need lacrosse fields and tennis courts with lights and near bathroom facilities. We also need programs for the developmentally delayed population. We have kids going home from school who have no weekday/evening activities available to keep them engaged or to enrich their lives. We don't have summer camps for them either, at least nine that I've ever heard of. We need to engage these kids and pull them into our community. I also believe we need an indoor community pool. I have such wonderful memories from my childhood of an indoor public swimming pool in my hometown. That town was tiny and no where near as affluent as Dunwoody, yet we don't have one. Not everyone can afford a family gym membership to the gyms that have pools. We should make swimming and swimming classes attainable and affordable for everyone living in our area. Swimming is also a very enjoyable activity for not only all ages but all abilities as well. I am a HUGE supporter of Dunwoody building a public indoor pool.
Our community needs a quality baseball and soccer complex. With our kids travelling across the southeast playing soccer in various communities, it is surprising at the lack of quality facilities we have in such a wonderful community. With the land near Brook Run, it would be a great investment in our community to build a complex similar to Peachtree City and Lilburn where you have baseball, softball, soccer, walking paths, pavilion, restrooms, and concessions.

<b>Please comment on or add to your responses:</b>
Outdoor sports and recreation especially for teens is really important to our community to ensure their time is spent in a productive manner.
Parking at DNC is also a concern and prevents us from utilizing it as frequently as we would like to.
Parking for events is usually a problem.
Parking in Brook Run is great. But extremely limited at the Nature Center. We don't frequent the Nature Center as much as we would like because of parking and lack of smooth walking paths (wheelchair accessible paths).
parks and playground are in great shape but there could be more bathrooms as well as more walking paths to connect the park areas
Parks and Rec Fields for youth sports are a very large part of my family. I have 4 kids and they are all involved in youth sports from tennis to baseball to football, etc. more facilities are a tremendous need to keep our kids off the streets and working to stay healthy and safe.
Parks Should Be Quiet Places To Reflect On And Enjoy Nature.
Please do not allow dogs in playground areas of parks where children are playing and people want to play/sit on grassy areas.If they are not allowed already, then please enforce with more signage and patrols. We always see owners with their dogs in Brookrun park and I thought they weren't allowed. This is a safety and sanitation issue regardless of how wonderful each owner thinks their dog is. That's what the dog park is for!
Please focus on adults, not kids.
Please look at the Dunwoody senior park. It is a total eye sore in the community. Poor conditions and poorly run
Please maintain baseball fields for youth in Dunwoody, and develop Brook Run facilities.
Please utilize 'Next Door' or other area-wide email opportunities to reach the neighborhood.
Public restrooms need to be added especially in Brook Run as the only restroom there is all the way at the entrance. Security-wise, I feel somewhat vulnerable on the trail as there is no security there.
quiet places for meditation
Repair of Brook Run Theatre
Restoring Brook Run Theater into a Performing Arts Center would enhance the quality of life for citizens of all ages. It would be a cultural resource for Dunwoody and surrounding communities. With reconfigurations it would be attractive to city groups and businesses. We must look to the future and not let this inherited asset be demolished.
Safety and security - Dunwoody needs to establish park regulations regarding drone usage (make it illegal) in our parks. We are continuously having to deal with being buzzed by drones when walking near the lacrosse fields in Brook Run. Drone noise (unbelievably irritating) disrupts the tranquility of the park (completely different from the noise of the dog park, skate park, or playground which you expect to hear in a park). Additionally, drone usage disturbs nesting birds and wildlife, and can prevent them from successfully raising their young (we have personally witnessed drones disturbing and chasing off a red tailed hawk and a great blue heron from the park). Also, the FAA recommends a five mile buffer around airports with no drone usage allowed. The boundary of Brook Run park is less than four miles from the north end of the runway at PDK airport. Communications - this is one of the areas that could most benefit the public. Better communication (more timely, more detailed) of park issues/initiatives on the Dunwoody website would significantly improve the user experience, as well as increasing public usage. Ongoing preventative maintenance and general maintenance and repairs would significantly improve the park user's experience and also has a direct impact on safety issues as well. Pedestrian bridge design and maintenance is of particular importance.

<b>Please comment on or add to your responses:</b>
Safety and security should not be an option, it should be a given that all of our parks are safe and provide a level of security.
Screaming people, dogs barking, loud music and people accessing the parks late at night (exploding fireworks or shooting guns) is extremely dangerous and disturbing
See trail option from previous comment. Soft surface trail is better for running. I have to drive to Cochran Shoals, Piedmont Park, or potentially trespass at Marist to run on soft surface.
Stop building so much in our parks, they should be maintained as green space. The moving of the dog park has been a disaster the new area of the park is terrible there is no grass / tree cover and is mud / dirt. Please fix the new area of the dog park. PS. I vote and support candidates based on parks agenda!
Tennis Courts More Bike Lanes leading to Parks
Tennis Courts are needed and community swimming pools
Tennis courts at Brook Run Park would be excellent.
tennis fields
The ability to walk, bike, or take public transportation to a park/recreation event greatly increases the likelihood that my family and I would participate. This is the biggest area where I have seen improvement in the 2 years living in Dunwoody and what makes my family most excited about the changes that are coming. (Specifically, connectivity between Georgetown Park and Brook Run)
The best idea I've heard since becoming a city was connecting all the parks and using power line rights of way to create paths throughout Dunwoody. People could even use these paths to hike and bike to work, out to dinner or events. Great exercise and keeps cars off the road. Wins all around.
The city is wasting money on building bike lanes. We will not use them (One of us has biked 18,000 miles over last six years without using any bike lanes). Bikers and Walkers can co-exist on sideways if designed properly. Families as I said before, will not use the bike lanes due to safety issues.
The city needs both additional passive green spaces and fields for organized sports.
The City needs to stop competing with private organizations and let the marketplace determine some of these things. It was NOT clear that this parks and recreation in this survey included ALL recreation (public and private ) in the city.
The closest park to our home is Brooke Run which still is not within reasonable walking distance
The First Friday Concerts and the Summer Concert Series in Norcross are both good examples of musical events we would like to see in Dunwoody.
The focus should be condition and maintenance of our current parks complete with security.
The new dog park is not as nice as the old one that was taken away. I think Dinwoody is trying however.
The play equipment is pretty boring in BrookRun Park and when there are a lot of children, it's hard to use. Over-crowded. Please check out ABBEY RECREATIONAL PARK in Leicester, UK. A lot of science & educational research went into designing the play area. They even have a petting farm. It is spectacular and is good for children up to 16 years old. Brook Run Park is for little kids only, though the skate and trail area are very good.
The theater at Brook Run park should be renovated and used. To tear it down would be idiotic.
The theatre has not been maintained with boarded up windows, weeds, spray paint and is scary to walk around. Please tear it down.
The Wardlaw property would be a great addition to the city
Theater at Brook Run. Utilize the other rooms in the building for meetings, chapel, Sr. programs, etc., etc. IT CAN BE DONE!!! You're ignoring a large segment of the community and being fiscally unwise in

<b>Please comment on or add to your responses:</b>
the utilization of tax dollars. Let Mr. Ross raise the monies. So tired of Mr. Nall's obstructiveness and rush to vote!
There is a significant lack of athletic fields for the sport of Lacrosse in Dunwoody
There needs to be another facility for girls softball. Murphy Candler is too packed and not enough practice time for all the teams to use the 2 girls fields. It would be nice to have an organization like the Flames that could be utilized as another fastpitch association to relieve the overcrowding.
Want to see Dunwoody Seniors Ball park given a facelift.
Wasn't able to comment above, but a soccer facility would be very important to our family and would be used.
We are in need of indoor and outdoor facilities for our youth especially for Softball and Basketball. Summer programs in the city of dunwoody would be extremely beneficial
We are lacking, or have inadequate, cultural and performing arts venues. We tear down but do not preserve, save for the iconic Farmhouse, and that was saved by volunteers long before cityhood.
We desperately need soccer fields and other sports. I don't know anybody in the community who is able to stay in the aread to entoll their lids in any sport. We all have to drive around town in traffic every day to take our kids to their activities. We have so mich space in Dunwoody, why are not using all the space we have to stay in our area and play sports with our community?
We have a young toddler so safety is always our biggest concern with park recreation equipment.
We have no fields, tennis courts or other areas that can be used for sports leagues, so we have to go outside to Hammond Park, Murphy Candler or use JCC/Church facilities--which are great, but would be nice to have our own Dunwoody leagues.
We love the Dunwoody Nature Center! Wasn't listed before.
We need a concert venue!
We need a restroom by the Brook Run pavilion to serve it and the dog park
We need baseball fields and lacrosse/soccer fields.
We need lacrosse fields
we need more fields for youth sports in the area
We need more interesting, quiet, NATURAL, easy to access, safe walking, running, bicycle riding paths, not more dangerous, narrow paths down already too crowded and too small busy, congested road paths! Parks with no trees, big concrete paths, and monster, ugly, playgrounds have zero appeal for me or my household, or for any neighbors and friends I know in this area.
We need more lights on paths in the parks. Specifically Brook Run and in the Kingsley neighborhood.
We need more open spaces for people to go and enjoy enjoy themselves. Think a scaled down versions of Central Park. Plus, since there is little chance we are going to have a large central space, we need connect the smaller parks we can/should have to create a larger 'park experience' spread out throughout the city.
We need more parks and green spaces.. Old 4th ward had a great green.
We need more soccer fields-- club soccer in Dunwoody
We need more sports facilities for soccer, swimming, etc.
We need multi purpose field at Brookrun.
We need video cameras along the trails at brook run- kind of scary on the back side of the walking path .
We need youth athletic fields, artificial turf, all purpose, as well as an indoor multi-purpose facility .
We need youth sports for our kids. We rely on other cities to take care of Dunwoody kids, It is not right we need youth ball fields for all ages and we cannot loose Dunwoody Seniors. This is a very

<b>Please comment on or add to your responses:</b>
important program. If you build nice fields and multipurpose fields they will be used and it will build a sense of community.
We should remodel the Brook Run Theatre and then use it as a community center and arts center. We could have adult exercise classes there also. I would like better maps for the Brook run trails, they are hard to read and hard to understand where you will end up, and how long the trails are.
We use the parks often and love Brook Run (mainly only park right now) - the enhancements to it with the accessible trail, benches, playground are all wonderful and appreciated. Dunwoody just needs FIELDS for LAX and soccer. Basketball would be nice too.
We would go to Brook Run park more if there were additional playground facilities throughout the park. We used to go frequently but the playground is always so busy now which is intimidating for my preschool-age child. Brook Run is the only park that we can walk to from our house so it would be nice if there were additional facilities spread throughout the park so it doesn't get so crowded.
Wedesperately need quality sports fields for our local schools and others to use
Weird question-some answers could cost millions, some could be free.
What few athletic field space we have are generally NOT in good shape. Very old, tired, outdated - presenting a sad image of our City. And we need MORE athletic fields. Just look at the demand for baseball fields - we are overflowing at Murphy Candler (and that's in Brookhaven), not to mention Dunwoody Senior.
When the Brook Run Theatre is restored it will provide more activity in the Park (especially in the evenings when vandalism takes place) thereby making the entire park safer for all. It will also provide more space at the Spruill Center for expanded programs (freeing up the space currently used by Stage Door Players).
Wifi connectivity should be a given....
Would be nice to have a large park with soccer fields, dog park, running trail etc. Like Fowler Park in Cumming. Would be great to incorporate more safe biking / walking trails throughout Dunwoody (safe from traffic)
would like more fitness equipment, would be good if lights could stay on later.
Would like to see a radio model boat rental stand a hotdog stand and ice cream stand and a shallow lake to spend time with the kids doing something that is fun and keeps our minds busy together.
Would love a concert venue at Brook Run and we really think they need youth/teen facilities for softball, baseball and soccer. We have to travel out of the area for this now b/c there is no room. These sports facilities add to the community and bond the community.
Would love fitness and yoga classes
Would love interconnecting bike paths so I can get to the parks without driving and parking
Would love to have rec leagues for sports- gymnastics, soccer, swim lessons/safety programs through the city. A general Rec center could be so useful for community programming- CPR classes etc... So you don't have to hunt things down at different churches.
Would love to see an aquatic center come in
Would love to see athletic fields in brookrun park. Great opportunity for Dunwoody youth baseball league.
Would love to see outdoor basketball courts in a Dunwoody park
Would most enjoy hiking or walking trails, nature walks, leisurely activities in a beautiful, peaceful environment
You cannot create greenspace. Taking already existing greenspace and developing on it is not responsible. If you need to develop facilities on land that is current commercially developed.

**Table 10: Greatest needs for facilities to be added or improved – Theater/Performing Arts Center Locations (Q11)**

<b>Theater/performing arts center – suggested locations</b>
A BIGGER THEATER IN CENTRAL DUNWOODY
anywhere
anywhere
anywhere in Dunwoody
Anywhere in Dunwoody
Anywhere indoors in Dunwoody
Anywhere with adequate parking, accessibility
Around Perimeter area
at Brook Run since you already have a building
At Brook Run, We own the building. It has good bones, good parking and a beautiful setting.

<b>Theater/performing arts center – suggested locations</b>
Dunwoody zone 2
Dunwoody... maybe Brook Run
Everywhere
Expand and keep Spruill complex well maintained; add outdoor ampitheater somewhere
family shows
First choice would be Brook Run (new facility. not a refurb of old building)
Fix what we have!!!!
I like the Brook Run idea, if there was more to do in the park
I think it's important to have a local theatre with locally produced plays utilizing local talent.
I would love to have a theater in Dunwoody. Currently we head into the city for all of our plays
If possible, in a renovated facility.
important for community
Improve the current location or incorporate a new facility
Improve the existing theatre/library/center for the arts
In brook run park
In Brook Run Park, where a facility can be restored at 1/3 the cost of building a new one
in existing Brook Run auditorium
it is important, we have a center that could be updated and used now as a community center
It makes the most sense in the current theatre in Brook Run Park
It would be best to renovate the current facility in Brook Run
It would be nice to have more performing arts in Dunwoody
Library
Near a commercial district like Dunwoody Village
Near district 3
Near Dunwoody Village. Not Brookrun
Near the heart of Dunwoody. Traffic can be bad
Need better facility for plays and other performances
Need more access to performing arts programs
New space if funds are available. Not Renovation at Brook Run
No preference
Not Brook Run due to increased traffic in a recreation area. New central site would be preferable
Not in a park but close to restaurants and the city center
not sure
Not sure
Not sure - where would it fit into the city's comprehensive plan?
not sure what you're asking
Outdoor area at brook run park. An indoor facility in perimeter center
outdoor concert venue
Preferably district 1, but anywhere in Dunwoody.
Redevelopment of existing
Rehabilitate the existing Brook Run Theater
renovate existing

*\*Please note, comments are included from both invitation and open-link samples*

<b>Theater/performing arts center – suggested locations</b>
Restore Brook Run Theatre at Brook Run Park
Scrape Spruill & rebuild entire complex
Stage
Stage door
Stage Door
Stage Door is in a pretty old building. The MJCCA has a good facility. Probably west Dunwoody.
Stand alone facility with adequate traffic facilitation and parking. Probably not Brookrun.
Support Stage Door Players
The existing theater in Brook Run.
Throughout the Dunwoody area
Uncertain
unknown
Use the existing building at Brook Run and renovate it.
We already have a building in Brookrun Park. Let's use it.
We have only one theater. Need more for varieties.
where ever....
Where it is now, just improve it and make it larger
Wherever it makes the most sense
Wherever.
Why not restore the one we have..at Brook Run
Would love a place to take my kids for kid oriented theater!
Would love to see it located at Brooke Run
Would love to see more.
Zone 3

**Table 11: Greatest needs for facilities to be added or improved – New Parks Locations (Q11)**

<b>New parks – suggested locations</b>
1. Near Dunwoody Village / Roberts Road corridor; 2. Near Mount Vernon Road corridor
30360
Accessible and safe locations
Acquire and demo some of the old apt complexes.
Acquire the land of the former Middle School from Dekalb Schools on Chamblee Dunwoody
Adjacent to our schools whose fields are an atrocity
Another one near chamblee dunwoody rd.
Any area where it would be best to preserve greenspace. The city is doing a good job with this.
any green space or unused office/parking lot
Any land that is available.
Any place where land is available
Anywhere
Anywhere

*\*Please note, comments are included from both invitation and open-link samples*

<b>New parks – suggested locations</b>
Anywhere
Anywhere and everywhere! Obtain as much greenspace as possible.
Anywhere in central Dunwood's. Need another quad baseball softball diamond to serve needs
anywhere in Dunwoody is fine with me
Anywhere in Dunwoody where there are 4+ acres of unoccupied land.
Anywhere just enough space for soccer fields
Anywhere space is available. Build them and people will come.
Anywhere space is available. We still do not have enough greenspace.
anywhere that can have fields.
anywhere that people live so that they have somewhere to be outside and in community
anywhere there is enough room for a greenspace
Anywhere there is vacant land. Grab it!!!!
anywhere you can acquire land, closer to middle of city
Anywhere you can get the land
Anywhere you can put them. Look at Denver area and see all the parks that have been created!
anywhere you could squeeze them in
Anywhere! Along PIB would be nice.
Area 3
Areas remote from parks
Areas that are over developed that need green space
areas underserved by the current parks system, including northern Dunwoody and areas near Peachtree
Areas where there are not currently parks; would be nice for everyone to have a park within WALKING
Around Tilly Mill/Winters Chapel
Ashford Dunwoody
At area schools (during evenings and weekends)
Austin Elementary site
Available open land
away from Brook run, other enf of Dunwoody
Baseball fields in brookrun
baseball parks indoor
Behind brook run there are lots of open fields
Between Dunwoody Village and Brookrun -- green space/forest space for trails
Brook run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run -- Make it as good as Sandy Springs Gymnasium

*\*Please note, comments are included from both invitation and open-link samples*

<b>New parks – suggested locations</b>
Brook Run old theatre
Brook Run or nearby
Brook Run Park
Brookrun
Build a new library and put it there. The current library is an eyesore and wasted space.
Business district around perimeter is lacking green space
By Austin elementary
Central and West Dunwoody
central green space near Mt Vernon/Chamblee-Dunwoody intersection, with neighborhood/trail connectivity
Close to Devonshire way
Closer to downtown Dunwoody
closer to Dunwoody Village
connect parks
connected by paths
connecting to existing parks
continuation of brook run into adjacent 'empty space'
current plans and near Dunwoody Village
currently there are too few
District 1
District 1
District 1
District 1
District 1
District 1
District 1
District 1; do we even have a park?
district 2
district 3
District 3 near Winters Chapel
District one
Don't know
Don't know
Downtown Dunwoody
dunwoody
Dunwoody
Dunwoody
Dunwoody District 2
Dunwoody has a shortage of park land based upon its population.
Dunwoody is under rated regarding green space. There should be Parks through out the community.
Dunwoody North
Dunwoody village

*\*Please note, comments are included from both invitation and open-link samples*

<b>New parks – suggested locations</b>
Dunwoody Village
Dunwoody Village
Dunwoody village gathering space
Dunwoody Village...
Dunwoody zone 2
East Dunwoody
East side & Perimeter
Eastern Zone 3
Everywhere we can. City foolishly sold off land to a developer that the City it acquired at a good price
Everywhere! The City should constantly be on the lookout for the opportunity to acquire new land
expand greenspace in existing parks
Georgetown
georgetown area
Get In Before The Developers And Preserve The Green Spaces
Good question, not sure where there is any land
Great baseball fields
Green space on Roberts Drive
GSU Dunwoody or nearer to Dunwoody Village
I would prefer new parks to be into unused lots, such as the old middle school
Improve Brook Run or find other areas to increase park size
In and around City/Old Chamblee middle area
In District 1, Near the Branches!!!!!!!!!!!!
In District 2 generally. A greater number of smaller parks throughout the city would be more beneficial.
in district 3
in District 3
in dunwoody
in Dunwoody
In Dunwoody
In Dunwoody Club Forest area
in neighborhoods in Dunwoody
in the heart of dunwoody
In underserved areas
Instead of allowing more condos and apartments leave space for parks. We have enough buildings.
Linear park along Cotillion. Similar to Pealer.
Linear park perhaps along the power line right of way. Need community garden area as well
Linear parks along all main roads, along with protected bike lanes and/or multi-use paths.
Linear parks along existing right of way
Maybe by the library? Across the street from the Georgetown park where the old school used to be.
Middle of Dunwoody Village where post office is currently located
more areas to walk and ride bikes and take kids to playground
more choices

*\*Please note, comments are included from both invitation and open-link samples*

<b>New parks – suggested locations</b>
more greenspace and connectivity
More park area within Brook Run
mount vernon and chamblee dunwoody
Mt. Vernon - Dunwoody club area
Nature Center area
near Ashford Dunwoody Rd/Chamblee Dunwoody Rd near intersection with Valley View Rd.
near Branches
Near district 3
Near District 3 - Dunwoody Club Dr.
Near Dunwoody North neighborhood. Brook run is too small for local needs.
near dunwoody village
Near Dunwoody village
near major neighborhoods
Near Mt. Vernon/Chamblee Dunwoody Rds
Near or just east of Perimeter Center
Near the Branches
Near the heart of Dunwoody. They need to be where people live.
Near the mall where concrete and steel are replacing woods
Near Tilly Mill Road and Shallowford Rd
near Winters Chapel Road
Nearby :)
Need parks for adults.
No idea
North / Northwest area of Dunwoody.
North Dunwoody
North Dunwoody
North Dunwoody

north of mt vernon
North of Mt Vernon
North of Mt Vernon
North peachtree area
North shallowford
Northeast corner
Northern
northern area, near Mt. Vernon and Ashford Dunwoody
Northern district 1
Northern Dunwoody- north of the Village.
northern section of the city
NorthWest corner

*\*Please note, comments are included from both invitation and open-link samples*

<b>New parks – suggested locations</b>
Northwest Dunwoody
Not next to apartment complexes;
not sure
not sure
Not Sure
Not sure but should be easy to access
Not sure of spaces available.
Not sure what you're asking
Not sure where there is availability
Not sure where. Jai
Not sure, but space should be set aside for green space.
Old Chamblee Charter School - Great spot for a couple turf soccer/lacrosse fields
Old Chamblee Middle school
Old Chamblee Middle School Site and additional development of Brook Run
Old Chamblee MS or near PCMS
Open land in dunwoody
Open to location
Our kids need a place to go and play organized sports as well as play with their friends.
Outdoor space is needed. Only a fraction of Brook run is useful and it's always packed.
OVER AROUND PERIMETER POINT
Park on Roberts Drive. If Austin moves would love to see a park with a playground on that spot.
Parks with playgrounds within large neighborhoods; maybe along ugly power line areas.
PCID & north
Peachtree Dunwoody
Peachtree Industrial, Perimeter areas
Perimeter and Village
Perimeter Center
Perimeter Center area
Place them where there are none now
Possibly use some of the unoccupied office space buildings, tear them down and make the parks happen
Resurrect Laurelwood Rd Park from DCWW
Roberts Road
Roberts Road
Small parks throughout city
Somehow connected to current parks via pathways
Spalding drive area
Splash park or aquatic park
spread throughout community as space is available
stop building apartments and taking down green space
The more green space and parks we have the more people will get out and the more attractive our city

<b>New parks – suggested locations</b>
the more the better
The parks should have more options
The Village
The Wardlaw Property
There should be a park in Dunwoody Village.
throughout dunwoody
throughout the city
Throughout the Dunwoody area
too late with booming economy, pocket parks
Towards the Dunwoody Village Area
Turf multi purpose fields
Under served areas
Underserved parts of the city
Unsure
Unused area that can be greened and saved from dense development
various spots around the area so people could walk to them
Vermack and Chamblee Dunwoody
Village Mill / Village area
We have parks but they haven't lived up to potential and aren't developed the way they need to be.
we need lighted fields for sports
West Dunwoody
West Dunwoody
West Dunwoody
Western Dunwoody, near Sandy Springs boundary
Where do we have available land?
where feesable
Where none exist
Where there is space, no more buildings!
Where we can afford the land and it fits. Brook Run seems to be a good fit.
where we can find the land
Where we have no parks now
where you can aquire land before it's developed into housing
Wherever available. The more parks the better
Wherever is available
Wherever land is available; underserved areas
Wherever space can be found. Maybe at Old Peachtree School.
Wherever we can acquire land. Park doesn't have to be developed necessarily, just woods and trails
Winters chapel area
Winters chapel area
winters chapel road region
Womack Rd
You can start with Brook Run and Peachtree Middle. Dunwoody and DCBOE already own the land.

<b>New parks – suggested locations</b>
You can't go wrong building more parks
zone 1

**Table 12: Greatest needs for facilities to be added or improved – Outdoor Athletic Fields/Courts (Q11)**

Football, soccer
FootBall, Soccer and Lacrosse
Football, Soccer, Lacross, Basketball
football, soccer, lacrosse, baseball

*\*Please note, comments are included from both invitation and open-link samples*

<b>Outdoor athletic fields/courts – suggested types</b>
Football, softball, basketball!!!! Can city of Dunwoody help Dunwoody High with getting its own football
football/baseball and open play space
football/soccer/lacrosse/baseball/basketball
Frisbee Golf / volleyball
general ball field; basketball cts. in brook run
General field for all sports in brook Run; Dunwoody Senior Ballfields.
General purpose activity field
General purpose fields/can be used for multiple purposes
general purpose, lacrosse, soccer, baseball
General Use fields
Grass at Blackburn
Great baseball fields
How we don't have our own little leagues is beyond me.
I think the soccer and lacrosse sports are under served across the board. And the girls are, always.
improved baseball, soccer
Indoor tennis- there are so few options in Atlanta and I would think it is worth looking into
Just large grassy areas for many types of activities
keep people in dunwoody for sports
Kids don't play baseball anymore, but I would do that and just a field for people to throw the ball
Kids need places to play organized sports
lacrosse
lacrosse
lacrosse
lacrosse
Lacrosse
Lacrosse
Lacrosse
Lacrosse and soccer are underserved at the present.
Lacrosse and tennis
Lacrosse fields
Lacrosse Fields
Lacrosse Fields!!!
lacrosse, soccer
Lacrosse, soccer
Lacrosse, soccer and baseball
Lacrosse, soccer, running
lacrosse/soccer/baseball
large general purpose grass surface
Lax, baseball, softball, multiuse turf
LAX, soccer, tennis
Little league soccer and baseball

*\*Please note, comments are included from both invitation and open-link samples*

<b>Outdoor athletic fields/courts – suggested types</b>
local use, pick up games. Multi use fields, pickle courts.
love tennis facility
maintaining or improving Dunwoody Seniors facilities
Major sports, soccer, baseball.
Maybe our schools could use them
Mixed Use (soccer, lacrosse, open field space)
Multipurpose turf fields
multi purpose (soccer, football, lacrosse) and baseball/softball
multi purpose,
Multi use field
multi-purpose
multi-purpose
multi-purpose
multi-purpose fields
multi-purpose soccer/football/lacrosse fields
multi-purpose, turf field for football, baseball, softball, soccer, lacrosse
multi-use (soccer, lacrosse, etc)
Multi-use fields
Multi-use fields for soccer football or other activities
multi-use for lacrosse, soccer, football and tennis courts
Multi-purpose to serve unmet demand: Soccer, Lacrosse, and unstructured play
Multiple types
multipurpose
Multipurpose fields
multipurpose. bring softball / kickball leagues to Dunwoody
my kids like to play sports
Near a main artery and not in a neighborhood
Near district 3
Need gymnastics facility
Need more
new baseball fields for youth
Next to Dunwoody High School (dual use facility)
North peachtree area
Old Shallowford School
open fields
Open fields for soccer, lacrosse, football, etc.
open fields to play
Open grass for...whatever...
open gyms for multi use
Open playing field
open space for play
open space for field sports

*\*Please note, comments are included from both invitation and open-link samples*

<b>Outdoor athletic fields/courts – suggested types</b>
Outdoor basketball
Personhal park
pickle ball, shuffle board
Pickleball, Soccer fields, Sand Volleyball
Playing fields fro children
pool,volleyball
public tennis courts
rectangular, soccer, LAX, football
rectangular, soccer/football, lacrosse
same as above
sand volleyball
Sand volleyball
Sand Volleyball
Shuffle board would be awesome!
So many people travel outside of Dunwoody to participate in these (Murphy Candler, Sandy Springs, etc.)
soccer

<b>Outdoor athletic fields/courts – suggested types</b>
Tennis
Tennis and pickle ball.
Tennis and soccer
tennis basketball
Tennis basketball
tennis courts
tennis courts
Tennis courts
Tennis courts
Tennis courts
Tennis Courts
Tennis courts and soccer fields.
Tennis courts, baseball fields
tennis courts, basketball courts
tennis, basketball
tennis, basketball
Tennis, basketball, pickle all, 4 square (not baseball or football as there are already enough established)
tennis, fishing lake
Tennis, open multi use fields, disc golf
The fields are really overcrowded in surrounding communities, Dunwoody Senior Baseball is only 2 fields
The Village
Track, tennis courts
turf lacrosse/soccer/baseball
Turf multi purpose fields
turf multi use
Volleyball and Sand Volleyball
volleyball courts
Volleyball, Tetherball
We have no youth athletic fields. Relying on churches and other cities is insane and not fair.
We need tennis courts and programs.
We need to keep our kids busy
We would love to have a baseball program available.
Whatever is popular with the kids. I'll never use them.
Youth (middle school) baseball
Youth baseball (4-11 yrs)
Youth baseball fields for middle school aged athletes
youth needs them
youth soccer and baseball
Youth sports for girls & boys- softball, baseball

*\*Please note, comments are included from both invitation and open-link samples*

<b>Outdoor athletic fields/courts – suggested types</b>
Youth sports. Please preserve dunwoody senior. Either where they are or in brook run.
Youth, baseball/softball

**Table 13: Greatest needs for facilities to be added or improved – Pathways & Trails (Q11)**

<b>Pathways &amp; trails – suggested locations</b>
1. Connectivity of existing paved park multi use paths
30360
A safe place to run in Zone 1
A trail like the Silver Comet/Beltline throughout the City
access to Dunwoody Village
Actually In Dunwoody
again anywhere Dunwoody isn't that big
All
all around Dunwoody
all around Dunwoody were permissible
all around Dunwoody, especially make them safer!
All locations
All of Dunwoody needs bike paths on the main roads to increase accessibility to both parks and stores
all over
All over
All over Dunwoody.
all over the city
all over, connectivity
All over.
All over...we are not very pedestrian friendly
All round Dunwoody/to the Village
All through Dunwoody
all through dunwoody for walking
Along Vermack road
Along all main roads so that everyone can get everywhere in our city without a car
Along Chamblee-Duwoody & other major roads
Along powerlines
along river and connect to other communities
Along the power lines running through Dunwoody.
Already at Brook Run
already connecting parks which is awesome
Any place where land is available
any where
any where that you can put them
Anywere with trees and wide spread land

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
anywhere
Anywhere
Anywhere
anywhere away from traffic
Anywhere in Dunwoody
Anywhere possible
Anywhere there are trees!
Anywhere there are trees/streams
Anywhere there is open space
anywhere they are safe
Anywhere you can put them. Look at Jefferson County CO as a positive example.
anywhere, but paved to allow biking
Anywhere, walking trails connected behind neighborhoods
Area parks and city sidewalks
Areas not disturbing neighborhoods
Around Brook Run, Dunwoody Green and Pernoshal
around dunwoody to make safe to ride bikes/walk
Around Dunwoody. Like the beltline
Around Georgetown Plaza shopping area.
around the entire city, especially connecting to Ashford Dunwoody/Mall area
Around Tilly Mill/Winters Chapel
As planned, connecting existing parks
at all parks
At each park in some form, connecting the parks as possible
Attaching to Brook Run
Between Brook Run and Georgetown and Perimeter Mall area
between parks, various length loops
Between Waterford, Fontainebleau and Kingsley areas
bike lanes throughout Dunwoody that meet up with other bike lanes on the artery streets. Neighborhoods.
Bike Lanes/Paths
Bike Trails
Bike trails everywhere and connectivity between parks - I would LOVE to bike to work.
Biking and hiking get trails that connect parks. Well established crosswalks and lanes for peds.
brook run
brook run
Brook run
Brook run
Brook run
Brook run
Brook run
Brook Run

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run
Brook Run

Brook Run
Brook Run
Brook Run
Brook Run and connecting existing trails would be wonderful
Brook Run and connecting other parks, George Town
brook run and dunwoody nature center
Brook Run and every park and through or near neighborhoods
Brook run and power lines.
Brook Run as the hub, then trails and pathways connected to the hub
Brook run is great. Stuff like that.
Brook run park
Brook Run Park
Brook Run Park
Brook Run Park.
Brook Run to MJCCA
Brook Run to Perimeter Center
Brook Run-Pernoshal-Georgetown
Brook Run, Dunwoody Nature Center
Brook Run, etc
Brook Run, Georgetown area
Brook Run, Windward
brookrun
brookrun & nature center
Brookrun Park
Brookrun Park and surrounding areas
Challenging trail running, but with safety on the trails as high priority
Chamblee Dunwoody
city wide
Close to Devonshire way
complete multi-use trail from one side of town to the other

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
connect all parks
Connect along Mt. Vernon
Connect Brook Run with places people want to go, like Perimeter Mall and MARTA
Connect Brookrun/Pernoshall park to other trail systems, towards the Perimeter mall area and events
Connect current ones to Murphy Candler Park/Lake and Ravinia area
Connect Dunwoody Village (not the apts) to Brook Run
connect existing trails and provide better bike lanes
connect F'bleau with Brookrun
Connect Georgetown Park to Perimeter Mall
Connect Green-way to PATH
connect nature center to brook run.
Connect Pathways to Mt. Vernon
connect Perimeter Center to Brook Run and other pathways
connect the neighborhoods
Connect the village to Brook Run
Connect to adjacent cities. 1. From Brook Run, extend to Tilly Mill - Winters Chapel into Peachtree
connect to existing city trails
Connect to existing trails around Atlanta
connect to sandy springs, roswell
connect trail to Sandy Springs and Path400
connect where possible
Connect with paths/trails from other communities
connected all over city!
Connected paths and longer stretches
connected throughout Dunwoody
Connected to existing
Connected trails throughout Dunwoody and up to Roswell
connecting
connecting all area parks
Connecting all of the parks in Dunwoody and connecting to Buckhead and the beltline
connecting area parks
Connecting bike lanes and paths across the city
connecting Brook Run to improved Dunwoody sidewalks
Connecting Brook Run, Pernoshal, and Dunwoody Green
connecting brooks run and other parks
connecting current parks together and also connection to the BeltLine Trails system
connecting different parts of dunwoody
Connecting DNC
Connecting Dunwoody parks. Perhaps jointly with Sandy Springs. Use sidewalks.
connecting Dunwoody trails to Roswell and other trails.
Connecting Dunwoody Village
Connecting everywhere

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
connecting existing parks
connecting existing parks and to other facilities (e.g. Nature Center) where feasible
Connecting from Georgetown to Perimeter
Connecting green space and parks
Connecting local parks
Connecting neighborhoods north of Mt Vernon to trails existing south of mount Vernon
connecting neighborhoods, parks and towns
Connecting our parks
Connecting Park/community
connecting parks
Connecting parks
Connecting parks
Connecting parks
Connecting parks in area
connecting parks, neighborhoods
Connecting paths throughout Dunwoody, espically over to mall/shopping/business area
Connecting Perimeter Mall to Georgetown Park to Brook Run
connecting sidewalks to roberts drive Dunwoody village and power line trails, trails to and from elementary
Connecting the city thru paths and trails
connecting the parks
Connecting the parks.
Connecting the various parks in dunwoody - from brook run to pernoshal.
Connecting throughout Dunwoody
Connecting throughout Dunwoody similar to Atlanta's Beltline
Connecting to access to other pathways in existing neighboring cities
Connecting to Beltline
connecting to brook run
connecting to Brook Run
connecting to Brook Run
connecting to Brook Run Park
connecting to Brook Run trail from everywhere, especially from Dunwoody Elementary.
Connecting to existing Brookrun trails
connecting to other parks
Connecting to other PATH trails like the 400 trail, the Beltline, Roswell RiverWalk, etc.
connecting to Perimeter area; anywhere there is wide r/w (Peeler Rd near treatment plan & Tilly Mill)
connecting trails away from car traffic
Connecting trails from Brookrun to the village
Connecting trails to move about the city and to neighboring cities on foot or by bike.
Connecting various parks
Connecting with others so that people can safely bike/run longer distances
connection from brook run to other parks - specifically a bike trail for younger children

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
Connection to other communities
connection to other trails
connections to Georgetown from Brookrun
connectivity
connectivity from brook run to the nature center (bikes and walking)
Connectivity of existing and new parks
Connectivity of trails through Dunwoody and adjacent communities
connectivity through more of dunwoody
connectivity throughout Dunwoody
connectivity throughout Dunwoody
connectivity throughout the community
connectivity to all the parks
connectivity to areas such as perimeter area
Connectivity to Brookhaven and Chamblee
connectivity to other area pathways (murphey candler or connect 400)
Connectivity to other bike trails
connectivity to other parts of dunwoody
connectivity to shopping and schools
Connectivity from Brook Run. Better trails at Dunwoody Nature Center
connectivity as is now planned
Contact trails. Longer trails
continuation in all directions from Brook Run; add in the Dunwoody Village area
Continuation of current trails
continue to connect walking areas
Continue to expand at brook run. There's so much land there and space that isn't being used it's ridiculous.
continue to link parks
Continuing path toward Dunwoody village
Continuing the connections and maintenance between areas
Cotillion. Connecting new paths to Brook Run.
crosswalk light from georgetown path to pernoshal path.
District 1
District 1
District 1
District 1
district 1, 2 and 3
district 2
district 3
District 3
District 3/Northeast Dunwoody
District one
Don't know

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
don't know, but safety is important
Dunwoody
Dunwoody
Dunwoody
Dunwoody
Dunwoody Club/Fountainbleu
Dunwoody District 2
dunwoody nature center
Dunwoody Nature Center
Dunwoody Nature Center
Dunwoody Nature Center
Dunwoody nature center and chattahoochee park roberts drive
Dunwoody Nature Center has trails but they are difficult to maneuver.
Dunwoody Nature Center to other parks and bikeways
Dunwoody Nature Center, Brook Run
Dunwoody North
Dunwoody Senior Baseball Park
easy to get to with good parking
encourage walking
enhanced in current park areas,
everywhere
Everywhere
Everywhere
Everywhere
EVERYWHERE
everywhere possible
Everywhere possible, within the parks for sure, and between neighborhoods whenever possible.
everywhere to connect Dunwoody - make it a walking city!
everywhere, as many as possible
Everywhere, including bike trails
everywhere, power lines seems obvious
Everywhere! Let's become a bike/walk community.
Everywhere.
exercise
Expand Brook Run trails, NOT along power lines
Expanded sidewalks along Roberts Drive, through Dun. Village, and along Mt. Vernon Rd -- connect all
expanding the network of paths throughout the city for jogging, biking, etc.
Extend Brook run
extend current path at Brook Run park
extend from Brook Run
Extension of existing plan
Extensions at DNC

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
Flatter trails and more natural trails (unpacked) anywhere.
From Chamblee-Dunwoody area DIRECTLY to the Ashford-Dunwoody area. I want to be able to walk.
from park to park
further connectivity throughout city from Brookrun park
Georgetown
Georgetown area connect to northern pathways
Georgetown to Perimeter and near Dunwoody Village
Georgia Power right-of-way; any space that can be acquired to link the current and future parks
Getting to Georgetown park from Chamblee Dunwoody is very dangerous.
Having safe bike paths throughout the city would be ideal for kids to ride to and from school/the Village
I am happy with the trails at Brook Run
I like where they already are at Brook Run.
I live in District 1 and we are not connected to bike paths. My hope is to be connected.
I would like to see more sidewalks and pathways connecting Dunwoody.
I would love an east-west trail that connects from Perimeter Center to at least The Brookrun park trail
If we stopped the bike lane construction and combined the land used for bike lanes with expanded sidewalks
Improve Dunwoody Nature Center paths. Continue sidewalk construction.
Improved connectivity from Brook Run Park to Windwood Hollow Park, Sprouts shopping center
In all parks
In District 2. Pathways connecting the residential areas to the Village area would be fantastic
In District 3. Brook run is close but could be one closer to Winter's Chapel. Leaving it dirt.
in dunwoody
In existing parks and connecting parks where possible
In larger parks for ease of access
In new parks
Increase distance for Brook run trail
Interconnected
interconnecting parks (eg. like Greenway in Alpharetta)
Interconnecting trails and bike paths between parks, residential areas, and retail/transit centers.
Interconnectivity between the parks - more bike lanes on roads
It would be nice if Dunwoody were more walkable like Roswell, Duluth, Norcross, Woodstock, etc.
Just continue to connect to any walkable areas.
Keep doing what you are doing
keep improving brook run
Keep up the progress already made...connect to Beltline?
keep walkers and bikes safe
Levitan
lights for trails
Like getting out and cycling or walking in safe protected areas.
Linear parkwark

<b>Pathways &amp; trails – suggested locations</b>
link Brook Run trail to winters Chapel and to the PCID
link Dunwoody Village to Brook Run
linked all around Dunwoody
Linking all parks
linking parks
linking throughout the community
Longer bicycle trails that connect to Brookrun
Longer trails
love to see a city-wide path system
Love what you have done but need to keep it up in the following years
maintenance & improvements of paths is needed on continual basis
Make one longer
Maybe a trail under the giant power line easement that runs through Mill Glen/Whithmere?
Maybe extend them
more bike and walk trails through out Dunwoody
More bike lanes and side walk connectivity across the city.
More in the Dunwoody area, along Roberts Drive perhaps
More side walks
More sidewalks so people can walk around Dunwoody to get to parks and facilities
more trails on natural ground, less trails on concrete
Morgan falls and Dunwoody Nature Center
My family would like to walk more around the city. We currently have to drive a mile or two for a park.
N/a
Nature
Nature center
Nature Center
nature center and existing parks
Nature center has added new ones that are great. I would love to see more in that area.
Nature Center or Brooke Run
Nature center, connecting to brook run
Nature trails in coordination with land preservation
Nature trails, off main path
near Ashford Dunwoody Rd/Chamblee Dunwoody Rd near intersection with Valley View Rd.
Near Austin Elementary
Near district 3
Near Library
Near parking
Near river
Near the Branches
Need a community trail plan to interconnect all of Dunwoody similar to Portland or California plans.
Need more miles of Greenway connecting brook run Park to other parks.

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
need to get out and walk more
Needed throughout the parks
north dunwoody
North Dunwoody
North Dunwoody
North peachtree area
Norther Dunwoody- north of the village
Northern part of the city. Not just around Brooke Run.
not sure
not sure
Not sure
Not Sure
not sure but should be easy access
Or just side walk to link up the parks
parks
Path to Hammond drive
paths to connect to SS
Paths to joint parks, paths or trails where colonial pipelines easement are located, path or trails
Peeler Road. Also connect the north side of Chamblee Dunwoody from Peeler to Vermack.
Perimeter of dog park is not a good walking path. I used to be able to walk a mile or more.
Power line area throughout Dunwoody
Power line area.mountaibike trail options and imported road bike trails
Power line or where we can find the land
Resurrect Laurelwood Rd Park from DCWW
safe bikes and paths through District 2
Safe connectivity
Safe places to run.
safe places to walk, run, bike
safer sidewalks and trails in the Winters Chapel Road area
safety
shallowford
SIDEWALKS along any sidestreet that is more than 1/4 mile long so people don't have to walk on yards
sidewalks/pathways so that people can get safely get to the park. Mulched trails through wooded area
soft surface trail anywhere in Dunwoody - preferably connected to existing trails or sidewalk
Some additional side trails within Brook Run would be good, perhaps with a touch of history
Someway to get to Ashford Dunwoody from Chamblee-Dunwoody Road.
Spalding drive
spread through community - connecting areas
The area around Morgan Falls needs help
The pathways are not well maintained or safe in some instances, particularly at the Nature Center.
The Village to Perimeter Mall area

*\*Please note, comments are included from both invitation and open-link samples*

<b>Pathways &amp; trails – suggested locations</b>
The Wardlaw property
There are a couple of pipelines that run thru Dunwoody. Having a Bike trail connecting to the Greenbelt.
There must be places where people can walk without 'going in circles'
There's not enough of them
Through the power lines
Through the powerline Right of way and /or the gas pipeline right of way
through wooded areas of the parks
Throughout and between all parks and new parks. On sidewalk that connect east and west Dunwoody.
Throughout city
throughout dunwoody
Throughout dunwoody
Throughout Dunwoody
Throughout Dunwoody
Throughout Dunwoody - connecting parks schools homes and shopping
Throughout Dunwoody connecting with bike lanes if needed to create uninterrupted paths
throughout dunwoody, for example power line trails
Throughout Dunwoody!
throughout the city
Throughout the city and through neighborhoods
Throughout the city to bike safely
Throughout the Dunwoody area
Throughout the existing parks. Even sidewalks through the city would be great
THRU OUT DUNWOODY
Tie all parks together
tilly mill road
to connect as many areas of Dunwoody as possible
to connect the different parks
to connect to as much of the community as possible
to connect to others already built
to get all over the city
to open spaces to just relax and enjoy!
To schools and parks
Trails and paths that connect are a great way to exercise and commune with nature
truly the current trails you have connected so far are great so you can get away from the surface streets
uncertain
under power lines by 285 to connect brook run to perimeter center without disrupting neighborhood.
under power lines, NOT on streets!
under served areas
Unpaved trails need to run near existing concrete trails and should be the surface of choice for any

<b>Pathways &amp; trails – suggested locations</b>
Walking is a nice way to get around, and I love hiking
We live near the Brook Run trail and really enjoy it. I'd love to see it continue to connect to others.
We need additional walking trails.
We need our young people and seniors outdoors!
We need trails like Big Creek in Roswell/Alpharetta for longer trails for bikes.
We should connect to all the trails in Atlanta
We should have full connectivity between all of the parks and business centers (like Beltline)
West Dunwoody
West Dunwoody
Western Dunwoody, near Sandy Springs boundary
What you are already doing, linking areas together so all can jump in at any point
Where feasible
where there is empty land available, green space
Where we can bike or walk.
Wherever it can be
wherever we can!
Wherever you can fit them! Not sure where there is land available. Extend Brook Run? Attach to others
winters chapel road
winters chapel, peeler, tilly mill
within and between parks
Within existing parks and connecting parks and throughout the city so long as they are made as safe
Womack/chamblee-Dunwoody
wooded areas
Woods
would like more cycling options
would like them to connect more areas of Dunwoody
Would love connected trails under power lines!
Would love more connected trails for long walks!
You should be able to navigate to all parks without having to go along major roads.
zone 1
Zones 1 & 2

**Table 14: Greatest needs for facilities to be added or improved – Other Indoor or Outdoor Facility (Q11)**

<b>Other suggested indoor or outdoor facility</b>
A gym for gymnastics like Hammond Park at Brook Run.
A Senior Fitness center with classes and other facilities, like Majon, Chess, Bridge etc.
accessible community space
affordable recreational center
Again - Soccer facility
all the sports mentioned above
amphitheater
Amphitheatre
An event space would be nice
Anything thats cheap and open later, this would give my friends and I something to do
Aquatics Center
Arts and Crafts, Pottery and Glass Classrooms
Arts/Crafts; Computer Classes
Auditorium/Theater
baseball
Baseball fields for middle schoolers
Baseball hitting facility.
basketball
basketball & volleyball
Basketball and pool
Basketball and soccer
Basketball and volleyball
basketball gym
Basketball gym
Basketball gym
Basketball gym
Basketball, volleyball
bathrooms
batting cages
batting cages
Batting cages
Batting Cages, Practice field space
Batting facility for baseball/softball
Batting practice facilities.
Botanical gardens, area designated to fly recreational drones
Brook Run
Brook Run
Brook Run Park
Brook Run park, and the new park on Shallowford Rd
Brook Run Theater

*\*Please note, comments are included from both invitation and open-link samples*

<b>Other suggested indoor or outdoor facility</b>
Climbing wall(s), workout facilities
Community gardens
community pool, community center w/ ping pong, basketball courts
concert arena
covered buildings for winter activities, like basketball, volleyball, yoga
Dunwoody needs an indoor hitting/practice facility for baseball and softball.
Dunwoody village
Dunwoody Village
fitness center (ymca)
For indoor/outdoor tennis/swimming, art/rec center - new library
Golf, Lacrosse, basketball, tennis, soccer
Gym
Gym offer many use
gym, soccer fields
gymnastics
Gymnastics
Gymnastics
gymnastics center/basketball courts
Indoor Basketball/Soccer
Indoor cages/Basketball
indoor facility
Indoor gymnastics facility
indoor hitting facility
Indoor rec center
Indoor Soccer etc..
Indoor soccer facility
Indoor Softball facility
Indoor softball hitting facility: partnership with the Atlanta Flames
Indoor sports complex
lacrosse
Lacrosse
Lacrosse athletic complex
Lacrosse fields
Large gym multipurpose
large open central gathering space in dunwoody village
Library. The Dunwoody Library should be relocated to a better space that is more accessible.
Lots of opportunity to improve everyone's health in the community
love the batting cages at old chamblee middle school
Mixed Use Gym (basketball, indoor sports)
More covered facilities for parties and indoor locations to have parties
Mountain Bike Trails
Multi use age

<b>Other suggested indoor or outdoor facility</b>
Multi use facility
multi-use sport courts (tennis, basketball, pickle ball,...)
NA
Near district 3
Need public. Tennis courts please!!
Open space, multi use field.
Outdoor concert pavillion
Outdoor concert/movie area.
Outdoor facilities in general. BrookRun is fantastic to all ages !
Plcnic area, shelters
pool
Pool
pool, fitness
Pool!!!
Pools
Rec Center for both youth and elder
Rec center for multiple sports and programming
Restore Brook Run Theatre at Brook Run Park
Resurrect Laurelwood Rd Park from DCWW
Senior Center/ Rec. ctr
Shooting range
Skate rink in dunwoody Village
Small cafe or 'buvette' at Brook Run (like Crema but outdoors); would also like community tennis courts
Soccer
Soccer, Basketball, Volleyball
Soccer/basketball
softball and baseball
something that would appeal to pre-teen and young teens
Swim
swim, courts for volleyball/ tennis/basketbal and gymnastics
Swimming / Arts and Educational
Swimming pool
Swimming Pool
swimming, multi-purpose
Swimming!!!
tennis
tennis
tennis
tennis
Tennis- indoor
Tennis, track

<b>Other suggested indoor or outdoor facility</b>
Theatre
Throughout the Dunwoody area
Training and hitting facility for softball
We have no gathering spots
With the popularity of basebal, softball, and volleyball in our community, build a multi use facility
Would love more toddler/child friendly activities in/around the Perimeter Mall area.
year round batting cages and indoor tennis complex

**Table 15: Top Three Priorities for New or Improved Amenities in Brook Run Park (Q13)**

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
A coffee shop or some other gathering spot other than the playground.	5-10 master plan development	A small community ampitheatre.
A nicely maintained landscape, with running fountains to enjoy lounging sunbathing and relaxing	A lake in the back area would be great	A stage for concerts
A pavilion for concerts or events	A place to have organized outdoor classes (art, yoga, etc.)	access into the park
A pool	a pool would be nice (out door)	Accessibility
Ability to get to Brook Run Park without a car	A safe fun playground for children...not enough fun things for toddlers....	Accessability, Comfort
accessibility-connections to other parks	A sidewalk on the road at the park entrance on Peeler	Accessibility / Communications
Activate stream	Accesability	Accessibility via bike paths
Active Sports	Accessibility	Activity stations along trail
Activities	Accessibility	Add a bathroom near the community garden
Activity fields	Accessibility	add a multipurpose sports field
Add a soccer field	active fields	Add a pool
Add an ampatheatre	add a frisbee golf course	Add a pool
Add baseball fields	Add a splash pad	Add an additional access point or peripheral parking on south border of park, next to the school
Add baseball/soccer fields for youth	add an indoor sports complex	add an amphitheatre in the back for bigger musical acts
Add or fix theater	Add baseball fields	Add Basketball courts with lights
Add restrooms	Add bathrooms	Add facilities like an arts center
Add soccer fields	Add community rec center	Add lights

*\*Please note, comments are included from both invitation and open-link samples*

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Add splash park	add concert venue	Add more equipment
add turf/grass outdoor fields	Add concessions	add more picnic pavillions
Adding a splash pad	Add more communiy events like concerts	Add parking
addition of field turf multi purpose fields	add more paved trails	Add softball fields
Additional outdoor activities like Treetop Quest	Add more restroom facilities	add volleyball court
additional restrooms	Add or further develop a space for Thursday truck nights	Adding athletic fields/ tennis/ basketball courts for youth programs
Additional swings	Add recreation fields	additional green space to make part bigger
Amphitheater	add some shade (canvases/umbrellas) around playgrounds, food truck area, etc.	additional parking
Amphitheater	Add some sports fileds in the back	Additional playground equipment in other parts of the park
Amphitheater	Add splash pad	additional restroom facilities
ampitheater i.e. the springs	Adding more running/walking paths	Additional trails
Ampitheatre	adding restrooms, drinking fountains etc	additional tween activities
Aquatic facility	Additional parking	Adult activities
Aquatics Center	additional lighting	Amenities
Aquatics Center	Additional paths if appropriate and space allows	Amenities
Artificial turf flat playable fields	additional restroom facilities & power	Amenities - covered areas for shade, restrooms, etc.
atheletic fields and basketball courts	Additional Restrooms	amphitheater
athletic center	Additional shade	Amphitheatre
Athletic facilities	Additional side trails	aqua pad
athletic field	Additional Trails	Aquatic / family recreation center
athletic fields	Adult sport programs	aquatic center
athletic fields	Amenities for all ages	Area where just the older children (10+) can swing
athletic fields	ammenities/maintenance	'Areas' organized for life stiles/age groupings.
athletic fields	ammenities/maintenance	art work, statues through out

*\*Please note, comments are included from both invitation and open-link samples*

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
athletic fields	amphitheater	Arts/cultural programs
athletic fields	Amphitheater	Athletic Courts
athletic fields	Amphitheater	athletic fields
Athletic fields	Amphitheater (would require parking solutions)	Athletic fields
Athletic fields	anything the garden needs	Athletic fields
Athletic fields	Aquatic Center	Ball fields
Athletic fields	Aquatic Center	Ball Fields
Athletic fields	Archery Learning Center	Ban drone usage at Brook Run Park.
Athletic fields	Art Programs in the park for children and adults	Baseball field
Athletic fields	athletic fields	baseball fields
Athletic fields	athletic fields	Baseball fields
Athletic Fields	athletic fields	Baseball fields
Athletic Fields	athletic fields	Baseball fields
Athletic fields and tennis courts	athletic fields	Baseball fields
Athletic fields for lacrosse	athletic fields	Baseball Fields like Murphy candler
Athletic fields for youth sports	Athletic fields	Baseball softball fields
ball field	Athletic Fields	basektball courts
ball field- soccer specifically	Athletic fields (soccer, volleyball)	Basketball
ball fields	back area of park	Basketball / Sand Volleyball with large pavilion for teens to gather
Ball fields	Ball field or open fields	Basketball courts
Ball fields	Ball fields	Basketball courts
Ball fields	Ball fields	Basketball courts
Ball fields	Ball fields, IF they must be moved from Dunwoody Senior	Basketball Courts (the Pernoshal are already filled with high school boys!)
Ball Fields	bandshell	basketball, sand volleyball, bocce courts
Ball Fields	Baseball	Bathroom clean & maintained
Ball fields (softball, baseball)	Baseball field	Bathroom facilities
Baseball	baseball fields	Bathroom/water fountain on backside of park
Baseball and lacrosse fields with lights	Basketball court	Bathrooms
Baseball Field	basketball courts	Bathrooms
baseball fields	Basketball courts	Bathrooms

*\*Please note, comments are included from both invitation and open-link samples*

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
baseball fields	Basketball courts	bathrooms at back of park
baseball fields	Bathrooms	Bathrooms/water fountains
Baseball fields	Bathrooms	Batting cages
Baseball fields	Bathrooms for outdoor events	Been at park early in morn and little or no security. Need cameras around entire park and trail sys
Baseball fields	Bathrooms in far end of park	Benches
Baseball fields	batting cages	Better bathrooms or more
Baseball fields	Benches added to trails	better dog run for big dogs
Baseball fields	benches and seating	Better festivals
Baseball Fields	Benches on trails/shelters/restrooms	Better ongoing mantainance/clean up
Baseball Fields	Benches or places to sit	Better parking
Baseball Fields	Benches, water fountains, etc. along trail	Better Picnic Facilities
Baseball Fields	better communication about events	better rest room facilities
Baseball Fields	Better dog park	Better signage regarding trail route
Baseball Fields	Better facilities	Better street and pathway lighting
Baseball fields for youth sports	Better facilities in other parts of park	Better traffic management at N. Peach tree or better yet make main entrance off less traveled Peeler
Baseball or Athletic Fields	Better lighting along pathways	Bike pump station
Baseball or football fields	better lighting at night	bocce and volleyball
baseball park for travel baseball	Better lighting at night	Brookrun
baseball/softball fields	Better lighting on trail	Build an indoor batting facility for baseball/softball.
baseball/softball fields	Better lighting, esp. in winter	build community center
baseball/softball fields	Better maintenance	build splash pool
basketball court	Better maintenance of playground	build tennis and basketball courts
Basketball courts	better manage stream scour	building for rentals
Basketball courts	better parking	Camps
Bathroom at the Dog Park area	better parking	checkpoints to ensure safety of the park
Bathroom facilities further out on the trail	Better pavillion space/open greenspace	Clean bathrooms
Bathroom facilities/running water	better rest rooms	cleanliness

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Bathroom in back near multi-purpose field, garden, dog park	Better signage	Cleanliness
Bathroom near the Dog Park end	better use of back fields	Cleanliness
bathrooms	better vehicle access	communication about events
bathrooms	Better parking	community events
bathrooms	bicycle paths/bicycle trails	community events
Bathrooms	Bigger dog park	Community Garden area
Bathrooms	Bike learning area away from playground or parking lot	Community Garden areas
Bathrooms	bike racks	Community Garden expansion
bathrooms close to the dog park	Bike Trail	Community service opportunities
Beautify areas not improved yet	Bike trails	Community theater
Benches	Build a pavilion to host music events.	Comunity events
Better bathrooms	Build senior center	Concert area
better bathrooms, concession stands, fountains, etc	Cafe with outdoor seating	concert pavilion
Better dog park	Camp	Concert Pavilion
better dog park with grass	Civic center	Concert Pavilion
Better facilities for concerts and festivals	Clean and maintain streams	concert space
Better maintenance	clean up	Concert Stage
Better Maintenance	Clean up and maintain the big open field area in the back	Concert venue
Better maps and signage	clean up trails/beautify	Concerts
Better multi use fields	Clean, clear landscaping	Concerts
Better overall use of the land...a lot of unused space	Cleaner bathrooms	Concession
better parking	cleanliness	Connect the pathways to district 1 north of the village
better picnic facilities	Cleanup and restore creeks and tributaries	Connect the short path to other bike trails
Better signage as to distances	cleanup/maintenance	Connect trial to peeler road trail as identified on existing plans.
Better Sun control over playground	Communications	connecting trails
Better/more Bathrooms	Community / Recreation Center	Connecting trails to a greenway
Bike trails	community center	connecting trails. would LOVE to make the entry to our city on Chamblee Dunwoody less of an eyesore

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
biker friendly and connected to other paths so it's a nice, long bike ride	community center	Connectivity
Brook Run Theater	Community Center	Connectivity of paths
Brook Run Theater	community garden	Connectivity to other trails
Brook run theatre	Community Garden	Contained pathways to connect to other parks or to Dunwoody village
Brook Run Theatre	Community gardens	Continue excellent level of maintenance
Build large grass areas for all types of activities	Community Recreation Center	court various play areas
Build two new baseball fields to replace Dunwoody Senior	Community theater	create a splash pad
Call boxes on trails	Community theater, performance inside or outside	create access to park w/bike path or trails
Children's splash pad	Concert amphitheater	create an amphitheater
Clean up the unlandscaped areas	Concert facility	Create open playing fields in unused area
cleaner bathrooms	Concert Pavilion	Create spaces for Community Events in Brook Run Theater
Cleanliness	Concert pavillion	cultural/arts center
community theater	Concert Venue	Culture
Complete Donaldson-Bannister Farm rehabilitation	Concerts	dedicated spaces for radio controlled vehicles
complete on going projects	concerts/movies in park	Demolish the skate park
Complete the extension	Connect the trail system to all of the city	Demolish the skate park it's a nuisance
concert pavilion	Connect trail to a soft surface trail somewhere	demolish the skate park.
concert venue	Connect/extend trail - too short for biking	develop fields for team sports
Concerts	Connectivity	disc golf
Concession stands	Connectivity	disc golf
Connect the trail to path and green way	Connectivity to other parks	Disc golf
Connect to existing trails	Continuance of trails	Disc Golf
connect to other parks (trails)	continuation of the trails	Disc Golf
Connect trails to other parks to lengthen them	Continue good maintenance, add restrooms, lights, etc.	Disc Golf
Connected bike paths	Continue pathway and trail development	Disc golf course :-)
Connected Walking Trails	continue to expand trail system	Disk golf

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Connecting to other Dunwoody parks for longer runs/bike rides	Continue to improve southwest area of park - right now it is basically just a large parking lot	do something with the dead space in the back of the park - athletic fields perhaps?
Connecting to other parks with trails	Continue to maintain grounds	Do something with the empty buildings. What are we waiting for?
Connectivity	convenient, accessible meeting space	dog park
Connectivity to other parks	Cost/Price	dog park
Connectivity via PATHS	Covered area for concerts	Dog park
Continue community events	Covered Gathering Spaces	Dog Park
Continue making renovations according to current plan	Create a multi purpose field: soccer, football.	Dog park support
Converting big open field into athletic fields	Create an outdoor concert area	Drinking Fountains
Cost to taxpayer	Create athletic fields	Easier access from District 1
create a space for concerts	create more/better parking	enhance walking trails
Create access to more of the space	Create open athletic fields	enlarge community garden
create soccer fields	create some type of amphitheatre	Enough Parking
create usable athletic fields	Create useable fields	event pavilions
Creating scenic flowing connectivity across all of its components (particularly the back portions)	Crosswalk on Peeler entrance	Events
Crosswalks to the park	designated fields- baseball, football	events for family
Cultural arts center	Develop field in rear of the park	Excercise Stations
cycle ramps from street to side walks espically by the new path to Phersal	development of the back of the park.	Exercise equipment on trail
Deal with the theater	disc golf	Exercise stations
Decision on existing buildings	disc golf	Exercise stations
demolish old buildings	Disc Golf	exercise stations along paths
demolish remaining buildings	Do not spend more money here	exercise stations along the pathway
Demolish remaining buildings	Dog park up keep	exercise stations along the trail
Demolish the old Theatre and Chapel	Don't add more artificial stuff; utilize the nature that is abundant there	exercise stations and water stations
Demolition of remaining buildings	Don't tear down the theater until we know if it would suffice	Expand dog park at Brook run

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Demolition of unusable facilities (kids break in and get in trouble)	Drinking fountains	Expanding the walking trails
demoliton of theater	Dunwoody Senior Baseball area	explored redoing existing auditorium
Develop and use the back acreage	Education and training for the aquatics facilities	facilities
developing under served areas of park	Eliminate bicycles - the park is too small	facilities improvement
disc golf	Ensuring no trespassing at night	family
Disc golf	event areas	Family activities
Disc golf	Event Space	Fewer 'carnival' type activities
Disc golf	Events	Finish the plan for multi use fields.
Disc golf	Events	Fitness/athletic programs
Disc Golf	Exercise equipment along trail	Fix the sidewalks
Disc Golf	Exercise equipment along trail	Food for sale
Disc Golf	Exercise Equipment around trails	Food stands/kiosks (opportunities for small local businesses?)
DO NOT DESTROY THEATER	Exercise on trails	Food trucks
Do not like this park and do not go there	Exercise stations	foodcourt
Dog friendly	Exercise stations	Frisbee golf course
dog park	exercise stations along the trail	Fun
dog park	Exercise stations along the trail	garden
Dog park	Exercise stations along the trails	Get rid of remaining old buildings
Dog park	exercise stations on path	Get rid of the skate Park
Dog park	expand trail system to dunwoody nature center	Good maintenance
Dog Park	expand trail to other parks	green areas for open play
Dog park maintenance continued	expand trails	Have a center lawn for Concerts
Dog park not so dirty and muddy	expanded places for birthday parties and events	have a noise ordinance
Drinking fountains	expanded trail (and clearer distance markers)	Hours of accessibilty indoor recreation
Drinking Fountains & Bathrooms around running trails	extending trails	Hours of operation
Dunwoody Nature Center	facilities (bathrooms) at pavilion area, back 40	improve concert/pavillion area (i.e. restrooms, benches, etc)
ease of getting there	Farmer's market	Improve parking situation

*\*Please note, comments are included from both invitation and open-link samples*

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Easier access. Hard to make left turn out of there during evenings	Fence the playground	Improve the land use so it covers more needs.
Enclose the playground	Fence to keep children contained to playground area	Improved bathrooms
Enhanced security	Fenced in	improved bathrooms and outdoor seating
ensure that they do not screw it up with the tilly mill / n peachtree construction	Festivals	Improved Bathrooms/Water Fountains
Exercise Areas for community	Fields	Improved development of vacant spaces
Exercise stations	finally clear out all the old flood lights and electrical boxes scattered about the property.	Improved Dog park
Exercise stations	finish leveling the back field	improved lighting
exercise stations along path	Finish lighting the trail loop	improved parking
Exercise stations along pathway	Finish off backside of park to something	Improved parking
Exercise stations on trail	Finish pathways	Improved pavilion
Exercise trail/signs	First Aid Stations that if seal is broken calls EMR and police.	Improved pavilion /amphitheater space at Brook Run
Existing playground maintenance	Fitness	Improved Picnic areas
expand dog park	fitness center	improved playground equipment
Expand playground	fitness type equipment	Improved space/ field for concerts or events
Expand running trails	Fix the pavillion	improvement of existing facilities
Expand the Dog Park	Fix the water feature (brook)	Increased security
expanding the park	food court	Indoor basketball
Extend pathway length	Food Truck nights	Indoor centers
extend the sidewalk from where the now-demolished dorm was up to Peeler Rd. Folks entering/exiting	Football field	indoor pool
extend trail	football fields	indoor pool
Facilities for concerts and festivals like Sandy Spring has. Dunwoody could learn a lot.	Gazebos for family use	Indoor recreational facilities that includes billiards, ping pong, card tables, video & board games
Fenced area around smaller playground equipment	General Play Fields, incl soccer	indoor sports - gymnastics

*\*Please note, comments are included from both invitation and open-link samples*

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Field for sport	General upgrades to playground, trail, pavilions	Indoor sports facility
Field space	Get rid of swings --too dangerous	Indoor theater
Field space	great lawn	Install lighting for partial evening activities
Field space	Great Lawn area	interconnecting paths & trails
Field space (eg Lacrosse)	Great Lawn with shade trees	keep costs low or none
field space for open use	Grounds upkeep	keep it clean and safe
field space for softball	Gym	Keep it clean; Re-pave roads, etc.; better entrance sign; just make it look good
Field with softball facilities	handball courts	keep our city from getting bogged down in expensive restoration of old theater building
Fields	Have an indoor art center for kids	Keep the trees
Fields	Have cool outdoor amphitheater	Kids activities
Fields	Health and fitness	Larger food truck area
Fields	Horseshoe Pits	LAX - multi use field
Fields	how do you find out what is happening	LAX fields
Fields for sports	Improve bathrooms	leave open fields natural
financial sustainability	Improve Community Garden Area	leave the wild spaces wild - don't develop every square foot of the park
Fine Arts Center	Improve amenities	leaving open space such as what is in back of park now.
finish demolition of buildings, including theater	Improve overall appearance	Level the back acreage for multi-use non-organized sports.
Finish developing Brook Run. Grade the land in the back of the park so it can be used.	Improve Security	Lighted ball fields
Finish improving all the land - a lot has been left undone	improve small dog park	lighted fields in the back for baseball & soccer
Fix splash creek for good	Improve the dog park. Artificial turf would create cleaner environment (see Newtown Dog Park in Johns Creek)	lighting

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
fix the new area of the dog park.	improve the landscaping by taking out paved streets and old buildings	Lighting
Fix up the backend and add athletic fields	Improve the lighting around the whole park	Lighting
Fix water and amenities	Improve trail connectivity to neighborhoods	Lighting
Fix water feature	improve walking trail	Lighting
Fixing and saving the existing theater	Improved areas for events	Lighting
fountain	improved bathroom facilities and water fountains	Lighting and amenities for above fields
frisbee golf	Improved bathrooms, etc.	Lighting for night activities
Get rid of old buildings	improved benches and waterfountains	Lighting for sports fields
Get the water features working consistently	Improved facilities	Lighting Nighttime
Good facilities (restrooms)	Improved park amenities, water, restrooms	Lights for courts & fields
Green Space	Improved pavilion for performances	lights for fields (if it doesn't disturb surrounding neighbors)
Green space to be used within certain parameters. As in badminton, frisbee, just sitting on the grass.	Improved restrooms	Lights for keeping it open later
Gymnastics Center	improved traffic control to enter and exit	Longer Walking Trails
Gymnastics program	improved trails	Maintain existing facilities
Gymnastics- somewhere in dunwoody	Improvements to the dog park. It is very well used which is a plus.	Maintain existing parks and sponsor community events at them
Handicap (stroller) accessible sidewalk on the far side of the parking lot (near skate park)	Improving the trails by signs marking mileage, direction etc.	Maintain forested wildlife areas
Have a consolidated master plan - not add one thing here and another there	Increase # of bathrooms, amenities	Maintain green space
Have more covered areas if it rains	Increase playground equipment for kids (esp infant swings)	maintained green space or athletic fields
High quality baseball fields. Look at MC and NYO	Increase usability of park area	Maintaining cleanliness of trails and restroom.
I don't really have a priority for it as it's not super close to our house, so we don't use it much	Indoor aquatic facility	Maintaining good security

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
If you have to move dunwoody senior, then build 3 fields here. Baseball really pays for itself.	Indoor batting cages	Maintenance
Improve field area near N Peachtree with path around it	Indoor facility for athletic activities	Maintenance
Improve grass areas and grounds.	indoor multi-sport courts	Maintenance
improve open field area	Indoor Multi-use facility	Maintenance and upkeep
improve open fields so that kids have a place to play soccer and lacrosse locally	indoor pool	Maintenance of creek area (always seems to have issues)
Improve parks we have now	Indoor Pool	Maintenance of current facilities
improve picnic shelter area	Indoor sports	maintenance of dog park
Improve restrooms	Indoor sports (Tennis swimming and track)	Maintence
Improve the playground	Indoor sports complex	maintenance
Improved facilities	Indoor sports complex	Make an aquatics center
Improved maintenance/landscaping	Indoor sports facility	Management of program
Improved outdoor spaces for concerts / events	Keep as many trees as possible	map of walking trails
improved park amenities	keep as natural as possible	Map, maintain, and perhaps add to the natural trails
Improved Parking	Keep dog park in great shape	Maybe more walking trails
Increased accessibility via non motorized transportation	Keep the dog park and make improvemebts	Meeting facilities for community groups such as the Girl Scouts
Increased Security	keeping supplies in rest rooms	more access points
Indoor baseball	knowledge regarding the amenities	more activities for kids
indoor baseball softball facility	Lacrosse fields	More advertisements for events
Indoor Batting practice facilities	Lacrosse fields	More communication about the garden
Indoor facility	Lacrosse fields	More community art
Indoor pool	Lacrosse fields for youth	More community events held
Indoor pool	Landscape Professionally	More Community Festivals/Activities
Indoor Pool would be good but do not take down any more trees!	large community center with indoor gym	More covered eating areas
Indoor rec facility	level the grass area upfront	More dog bag stations along the 2-mile path (and make sure there are bags in them)

*\*Please note, comments are included from both invitation and open-link samples*

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Indoor red area	Light the trail at night	More dog poop collectors
indoor sports facility	Lighted	More events
indoor tennis facility	lighting	More events on the green space
indoor theatre	Lighting	More facilities & public art: bathrooms, trail exercise equipment, lighted trail, central open pavilion
Indoor/Outdoor Aquatics Facility that includes one and three meter Duraflex diving boards	Lighting	more family events/activities
Infant Playground	Lighting	more family-oriented events
It would be cool if the food trucks were permanent instead of just once a week	Lighting along the path	More Festivals
Keep expanding the trail	Lighting and water access at kids playground	More festivals and activities
Keep the theater and have plays and events. do not tear it down	Lighting for above fields	More field space
Keep it natural and beautiful	lighting for the field(s)	More fields
Keep the dog park	lighting on pathways	More food at the movie nights (spray for mosquitos)
Keep the drinking fountains on! add more :)	Lighting on walking path	more grass/landscaping and less overgrown green spaces
Keep theater	Lights	More Green Space To Picnic and Recreation Center. I envision a community gathering area.
Keeping/Preserving greenspace	Lights	more nature paths
lacrosse and other sports	Lights	More open grass for play
lacrosse field	Lights and Security	More outdoor events
Lacrosse field	Lights for fields	more park like atmosphere. Right now it is a bit spooky.
lacrosse fields	Lights for the sports fields	more parking
lacrosse fields	Lights on the fields	more parking
Lacrosse fields	Lights on the trail	more parking
Landscaping	Little league sports	More parking
Landscaping, neater appearance. Much of the park is unsightly including the pedestrian entrance on Peeler	Longer trails	More parking for events
Large Green Space	Longer trails	More parking for the playground

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Larger Dog Park	maintain bathrooms and playground	More parking space if possible
larger dog park area	Maintain existing paths	More pathways
Lengthen trails to extend and interconnect other parks.	Maintain green space and natural beauty	more pavillions
Leverage more of the historic buildings	Maintainance	more picnic areas
Lighted areas	Maintaining playground	more picnic areas, tables. shelters, water fountains. restrooms
lighted ball fields	maintenance	More picnic pavillions
Lighted Trails	Maintenance	More Picnic tables
lighting	Maintenance	More picnic tables all around such as in the back near the multi purpose field
Lighting	Maintenance	more play spaces for kids or a community recreation center
lighting and safety	Maintenance of brook run	More playground areas
Lights	Make a bocce ball court	More playing fields.
Lights	Make playing fields	more police presence
Like the idea of the theater	Make sure parks acomodate elderly	More police presence at skate park (hot bed for teen drugs)
live music stage	manicured open fields	More restroom and picnic areas with new bbq pits
Longer trails	Misc. Ball Fields	more restrooms
Longer trails	monitored security cameras in high-use areas	More restrooms
maintain grass areas	more bathrooms	More Restrooms and Covered Areas
Maintain maximum amount of natural space and tree cover.	More bathrooms	more restrooms near dogpark
Maintain trails	More bathrooms	more security
Maintain/upgrade existing facilities	More bathrooms	more shade
Maintaining current facilites	More benches and seating along trail and other places within park	More shade cover
Maintance of Dog Park	More benches/eating areas	more tables under shelter
maintenance	More big kid swings	More trails
maintenance	more concerts ..Friday night bands in park	More trails
Maintenance	More coverage	more trails .....Power Line
Maintenance and connectivity of path	More events for families	More trails/paths

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Maintenance of bathrooms	More hiking trails	more trash receptacles
maintenance top priority	more lighting	more trees
Maintenance, etc.	More maintained athletic fields	more water fountains
make more non concrete trails in the wooded areas	More meeting places (gazebos, pavilions)	movie theatre
Make open space more useable	More miles of trail connected to it	Multi-Purpose field at the location of the old hospital site
Make the remaining unfinished field an open, multi use space. Just grass and flat.	more nature trails	music / concerts
Make use of back field at Brook Run	more nature/wildlife preservation	Music in evenings
Maps & Signage	More Outdoor Concerts	n/a
Maybe more benches or tables during the food truck events. Many older attendees would benefit from n	More parking	na
Mixed use outdoor field(s) - Soccer, volleyball	More Paths and Trails To Bike	Natural unpaved jogging trail
More activities	More picnic pavilions and Fences	Nature and wildlife conservation; preserving the trees and wildlife that are in the park.
more activities at the community garden	More picnic space outside of the playground area	Nature Center
More baby swings	more play grounds	Nature interpretive signage
More baby swings	More playgrounds	Network of bike trails
More bathrooms	More police presence	New parks
More bathrooms	More reliability for Food Truck Thursday trucks (frequently, those listed aren't there)	new, safe buildings - demolish the theater
More bathrooms along the trails	More Restrooms	night programs / bonfires / ranger led
More bathrooms/drinking fountains	More shade for playground	no theater
More benches	More shelter	No theater
more benches in the small dog park	More sports fields	none
More benches or tables at the front field	more trails	none
More Bike Trails	more trails	None
more community wide events	more trails	Not a fan of the skate park but its already there.

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
More equipment for kids	More trails	NOT construction of new theater
More equipment for young kids (under 5)	More trails	Not sure because we haven't been there enough yet
More Fields for play	More trails	Ongoing maintainance to keep facilities in good repair
More interesting play equipment, not the box standard playsets.	More Walking trails	Open Pavilion
more lighting	More water features for summer (spray fountain)	Open spaces for unorganized activities
More lights	more water fountains	Organize & provide signage for rough trails behind the dog park
More maintained grassy areas for free play or world of wonder playground	more water fountains & benches	organized activities
more modern restrooms	More wooded area for dog park	organized activities and programs
More natural hard-packed trails	More. Food truck events! And better parking control for the events.	Other Sport Courts
More Nature Trails	Move art center there	Outdoor ampitheater space
More parking	Move the Spruill Arts to park	Outdoor athletic fields
more paths	Multi purpose field for Dunwoody High School	Outdoor baseball and soccer fields
more paths that connect to and from	Multi use athletic field	Outdoor concert venue
More Pavillions	multi use sports fields	Outdoor concert venue
More picnic tables	Multi-purpose ball fields	Outdoor concerts / events
More picnic tables near the playground	Multi-purpose indoor facility	outdoor events pavilion
More play areas	multi-use field	outdoor fields for kids sports
More playground areas within the park.	Multi-use fields	Outdoor fields for soccer and baseball
more playground equipment	n/a	Outdoor lighting
More playgrounds. They get very crowded	na	Outdoor movie or concert area
More seating	Nature Center	Outdoor pavilion for events/concerts
More shade at the playground	Nature program	outdoor pool
More shaded sitting areas for Food Truck Thursdays	Nature trails	outdoor pool
More smaller shade space areas	Need more parking	Outdoor pool

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
More Soccer Fields	New Community/Recreation Center	Outdoor Pool
More sports field	New field for multi purpose sports	Outdoor pool (preferred location in large field near 1 mile marker on trail. Plenty of room with spa
more trails	New playground equipment	Outdoor Tai Chi
More trails	Nice dog park	Outdoor tennis court
More trails and connectivity between parks	Nice space for outdoor concerts.	Outdoor tennis facility like Sandy Springs TC or Blackburn
More trails for exploring the woods	No tennis, baseball, etc	outdoor theater
More Use of space .Addition amphitheater	none	outdoor amphitheater
More waking / running trails	none	Park Amenities
more water fountains/bathrooms	None	Park exercise equipment
Move Library there	Non-slip surfaces on wooden bridges	parking
Multi purpose fields	NOT construction of community center	parking
Multi use Athletic fields	Not eating money on the theater. It should be torn down.	Parking
Multi use turf field	Not sure because we haven't been there enough yet	Parking
multi-purpose athletic fields	Open field	Parking
Multi-purpose athletic turf fields	Open field for RC planes, cars etc	Parking
Multi-use Athletic fields	Open fields for play	Parking for food truck nights
multi-use athletic fields (lighted!)	open pavilion	Party/recreation center
multiuse sports field(s)	Open Pavilion/Amphitheater for events and performances	path connectivity
Multi-use sports fields	Open space	Pathways/trails
Music venue	open space for play - cut grass	Pathways/trails connecting to Brook Run Park
n/a	Open space play fields	Pavilion
na	Open spaces	Pavilion for concerts
natural, non concrete trails	Open theater for other performing opportunities	Pavilion for concerts
Nature Events Center	Open, manicured green spaces for unstructured play	Pavilions
Nature Programs for children and adults	Out door pool	Pavilions
New arts center	Out door pool	Pavillion

*\*Please note, comments are included from both invitation and open-link samples*

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
New or remove	Outdoor	Pavillions/Concert venue
New plantings	outdoor amphitheater	pavillons
new theater	outdoor amphitheater	Paving/Parking
Nicer facilities (and maintenance) for visitors; it should reflect our city's commitment	Outdoor amphitheater	performance space for concerts or plays
nighttime lighting	Outdoor Amphitheater	Performing arts
No additional development	Outdoor Amphitheater	Picnic tables, shelters for small gatherings
no further development- zip line inappropriate, for example	Outdoor Ampitheater	Picnic areas
no theater	outdoor arena/stage	Picnic areas
No Theater	Outdoor baseball / softball / football that compliments Murphey Candler	Picnic pavillions
NO THEATER	Outdoor basketball court	Picnic pavillions
Noise reduction	Outdoor concert area	Picnic Pavillions
none	Outdoor concert pavillion	Picnic Tables and Benches
None	outdoor concert stage with greenspace	Place where kids can play soccer
Not a theatre	Outdoor entertainment area	Places to sit in shade
NOT renovation of theater	outdoor fields and sports programs	Planting more trees and allow places for natural beauty
Open amphitheater	outdoor fields for athletics / open space	Play equipment for kids with disabilities
Open Courts/baskeball-tennis	Outdoor fields for sports	playground for older kids
Open door theatre	Outdoor fields or co-op to use fields at school next door	playgrounds
Open Pavillion	Outdoor fields/courts for sports and other outdoor activities	Pond/lake with fountains
Open Pavillion for concerts	Outdoor lighting	Pool
Open space	outdoor pavilion for concerts	Pool or Splash Pad
Open Space	Outdoor pavilion for concerts	Possibly build a new City Hall there
Open space for radio controlled devices	Outdoor pavillion/picnic space	Programs
open space/athletic fields	Outdoor performance area	Protect existing facilities
Open/usable fields	Outdoor pool	Protect nearby residents rights to privacy
Organized activities / special events	Outdoor pool	Provide a turf field that can be used for Lacrosse practice and games
out door amphitheater	Outdoor pool	Public tennis courts

*\*Please note, comments are included from both invitation and open-link samples*

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
out door concert venue same as Sandy springs	Outdoor pool	Raze old buildings
Outdoor activites- various courts, bocce, tetherball, etc	outdoor pool / splash pad	rec center
Outdoor adult exercise equipment	Outdoor Sports/Recreation Fields	rec center
Outdoor amphitheater	Outdoor Theater	Rec center for all ages
Outdoor amphitheater	outdoor theatre/ampitheatre	recreation center
Outdoor Amphitheater	Outside venue for events	recreational center
Outdoor amphitheater, performance space	parking	Recreational center
Outdoor ampitheater	parking	refurb theater
Outdoor area for concerts/movies	parking	refurbish existing auditorium
Outdoor athletic facilities	parking	Regular maintenance in restrooms
Outdoor athletic fields	parking	Remove big brother police recording devices
Outdoor basketball	Parking	Remove dog park, skate park, and no theatre
Outdoor concert amphitheatre	Parking	remove old theatre
outdoor concert pavilion	Parking	Remove old unused buildings
outdoor concert pavillion	Parking	remove unused buildings
Outdoor concert shell	Parking	Renovation of bathrooms in Brook run Theatre
Outdoor concert venue/ampitheatre	Parking	repair the theater
Outdoor pavilion or amphitheater	Parking	Repurpose the Brook Run Theater to something else besides a theater.
Outdoor Pavilions for Concerts	parking for large events	restroom facilities other than at entrance
outdoor pool	path expansion	restrooms
Outdoor pool	path/walkway ammenities	restrooms
Outdoor pool	Paths	restrooms
Outdoor pool	Paths and Trails	Restrooms
Outdoor Pool	Pathway or Trail to Chamblee Dunwoody Rd.	Restrooms
Outdoor Sports Fields	pathways connecting it to other areas in city	Restrooms
Outdoor stage	Pavilion area currently is great, a stage area would be great.	RESTROOMS AND DRINKING FOUNTAINS
Outdoor theater with scheduled concerts	Pavilion for bigger events	Restrooms for above fields

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Parking	Pavilion for concert with green space (lawn) as well as some seating	Restrooms in the back
Parking	Pavilion for concerts	Restrooms throughout park
Parking	pavillion	run the water for the creek more
Parking	Pavillion	safety
Parking	Performing arts center	Safety
Parking	Performing arts center	Safety
Parking and crowd control. As population explodes around Perimeter Mall and no parks over that way	pick nic area - not enough	Safety
Parking for Treetop quest	picnic facilities	Safety
Passive park	Picnic shelter	Safety
path to georgetown neighborhood	Picnic tables	Safety
Paths	Places for concerts/events	Safety
Paths connecting to Park from Dunwoody Village	plant more trees	Safety
Pavilion for free outdoor concerts	Plant more trees in and around community gathering spots to provide shade	Safety
Pavilion for performing art	Playground equipment	safety and security
Pavilions	playgrounds	Safety and security
Pavillion for Concerts	Playgrounds	Safety and security
Performance Space/Amphitheater for concerts	Pool	Safety so kids can go there and not be concerned
Performance Theater	Pool	Sand Volleyball
Performing arts	Pool and splash pad	sand volleyball courts
Performing arts area	preserving open spaces to relax and enjoy	Save the theater
Performing arts center	Private Dog run times (my dog doesn't get along with other dogs)	Save The Trees
Performing Arts Center	Provide a turf field that can be used for Lacrosse practice and games	Screen on the greens
Performing arts theater	put a fence to separate the field in the corner from the street traffic	security
Performing arts theater	putting bathrooms/water fountains in back of park	security
Performing Arts theater	Quality of activity	security

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Picnic areas	quiet area for meditation	security
Plant grass	Rec center	security
Plant shrubs and more different trees	Rec center/restrooms	Security
Playground for 6-10 years old	Rec dept with organized sports for the kids	Security
Playing fields	Recreation facilities for things like volleyball, baseball	Security
Playing fields	Recreation programs	Security
pool	Recycling containers alongside trashcans	Security
pool	refresh playground equipment	Security
Pool	Refrshments_ snacks, ice drink machine	Security
Pool	refurb theater	Security
Pool	refurbish existing auditorium	Security
Pool	Removal of empty buildings	Security along walking path
preservation and enhancement of wooded areas	Remove abandoned buildings	Security on walking trail
Preservation of trees	remove dog park	Security patrols
Preserve Brook Run Theater	Remove ivy and kudzu from all trees	security provided
Preserve natural woods and open fields for mixed use	Remove old concrete bridge remains near connecting trail to Pernoshal	Senior activities
Preserve, restore theater	Remove remaining decrepit buildings	Senior activity center
Provide a turf field that can be used for Lacrosse practice and games. Lacrosse is fastest growing	renovate auditorium	senior center
Raze buildings to make room for sports fields	Renovate Brook Run Theater	senior center
rec center that includes lots of basketball courts. there just arent enough in dunwoody anymore	Renovate Brook Run Theater and open it for community use	Senior center
recondition the existing community/theater as a community center	Renovating the old theater facility into a new theater	Senior center
Recreation Center	Renovation of Chapel in Brook Run Theatre	Senior center
RECREATION FACILITY WITH FITNESS AND WELLNESS CLASSES	Replace lost indoor facilities, more indoor activities	Senior center
Redevelopment of existing theatre	Replace trees	Senior center

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Redo the theater	replant the old-growth trees that were cut down for the playground: oaks, maples, etc	Senior Center
refurb theater	repurpose the available land for better use	Senior Center
refurbish existing auditorium	Resolve scary buildings	senior citizens/adult activities
Remodel the Brook Run theatre	rest rooms	senior programs
Removal of performing arts center	Restroom at Brook Run pavillion	Senior programs
Remove hideously unattractive entry signage, replace with attractive entry portal	Restroom/porta potty along the trail	Separate biking and walking lanes
Remove Old Buildings	restrooms	Shade
Remove or improve old buildings	restrooms	Shade during the summer
Remove or utilize existing vacant buildings	Restrooms	Shade on path
Remove the old buildings	Restrooms	shade over playgrounds
Remove the theater	Restrooms	shell or performance area
renovate auditorium	Restrooms	signage
Renovate existing theater	Restrooms	Signage for trail
Renovate old theater	Restrooms	Soccer
renovate space for theater	restrooms throughout park	soccer field
Renovate the existing theatre	restrooms/benches/water fountains	Soccer field/basketball court
Renovate the theater	Restrooms	soccer fields
Renovate the theater for a cultual/performing arts center, senior center, adult enrichment classes	retain the natural areas of the park for wildlife / nature walks	soccer fields
Renovate the theater for priorities listed in previous question	Retain the rest of the greenspace	Soccer fields
Renovate theater	Rock climbing	Soccer fields
Renovate theater	Running path that extends beyond the park	Soccer Fields
Renovating the Theater/community center	safer pathways	Soccer fields (lots of space at old dormitory site)
Renovation of Brook Run Theatre	Safety	Social Events
Reopen theater	Safety	Soft surface running trails
Repair and renovate theater	Safety	softball fields
Replace the concrete with natural trails	Safety	Softball fields
Repourposing the existing building/structures	Safety	Something for ADULTS !

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Rest room at the Community Garden	Safety	Special events facility
Rest room availability	Safety	splash pad
Restore Brook Run Theater	Safety	Splash pad
Restore Brook Run Theater	Safety	Splash pad
Restore Brook Run Theatre	Safety and security	Splash pad
Restore the Theater	Safety measures	Splash pad
Restore the Theater into a Performing Arts Center	Safety measures for kids entering /exiting areas	Splash Pad
restore theater	Safety stations	Splash pad in playground area
Restore theater building as multiuse facility	Safety stations in park, where someone in distress could push the button and police would be contact	Splash pads
restore theater where event, classes occur	Safety, especially in bathrooms	Splash pads
Restore theatre	Safety/Security	sports center
Restroom and Water Fountains. The current Filtered Water Fountains are AWESOME	safety/lighting	sports courts where that old building is now
restrooms	Same as above	sports fields
restrooms	Sand volleyball	Sports fields
restrooms	Sand Volleyball	Sports fields
Restrooms	Save The Trees	sports fields - baseball, soccer - and splash pad
Restrooms	Saving as much green space in Dunwoody for parks	Sports fields / parking for them
restrooms near community garden/dog park area	Saving some wild, untouched areas	Stop charging for access to park facilities, eg sky walk... Giving public land to a private company
retire and utilize vacant buildings for community use; restore chapel, restore arts building, etc.	Seating for parents/adults	Stop cutting down trees!
running track that is asphalt not concrete and is at least 2 miles	security	STOP POLLUTING CREEK
Safe nature trails	Security	stop wasting money
safety	Security	Store
safety	Security	Summer concert series
Safety	Security	swimming pool
Safety	Security	Swimming pool
Safety	Security	tables

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Safety	Security	Take into consideration some activities for elderly
Safety	Security back trails very remote	Tear down all the buildings in Brook Run
Safety	Security cameras	tear down theatre
Safety	Security to use some trails after dark	tear down theatre
Safety	Self Funded by users	Tear down unneeded buildings for parking
Safety	Senior activity!	Tear down unoccupied buildings. Make park more seem less and user friendly
Safety	Senior center	Teen programs
safety - lights, call stations	Senior center	tennis courts
Safety & Security	Senior center	tennis courts
safety and security	Senior Center	Tennis courts
safety and security	Senior Center	Tennis Courts
Safety and security	Senior Center	tennis courts or multi use field for lacrosse, soccer, flag football
Safety and security	Senior center (combined with theater?)	theater
Safety and Security	Senior/recreation center	Theater
Safety guidelines at skate park-helmets	sginage to find way around	Theater
Safety/ security	shade	Theatre
Safety/Security	shade	think outside the box for new play areas - adult sized, disabled, built into natural landscape, etc
Safety/security of parking	Shade structures with picnic tables and benches	Traffic
Sand Volleyball	Shallow lake for radio controlled boats	Traffic abatement around the park
Sand Volleyball	Shelter at playground	Trail connectivity to other parts of Dunwoody
Sand Volleyball	Signage	Trail connectivity with other parks and commercial areas
Sand volleyball courts	sitting areas/benches	Trail lighting
Save and Restore Brook Run Park	skate park: have designated time for kids. Adults/20 something kids are intimidating for the younger ones	trails

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Save and restore existing theater building	small outdoor bandstand in large field	Trails
save the theater	Soccer	Trails
Save The Trees	Soccer Complex	Trails
Save Theater	Soccer Complex	Trails
security	Soccer field	trails or bike paths
security	Soccer Field	trails that can be used for jogging and biking (unpaved trails through the woods would be fun)
Security	Soccer field.	Treehouse
Security	Soccer fields	Unpaved walking trails
Security	Soccer fields	update pavillions
Security	Soccer fields	Upgrade auditorium
Security	Soccer fields	Upgraded lawn green (smoothed out)
Security	Soccer Fields	Upkeep
Security	Soccer Fields with Lights	Use empty space
security at skate park-ensure helmets worn	soccer, baseball fields	utilize all of that wasted space
Seems like an unpleasant park, have never been interested in going there as I have driven by it.	Soccer/Lacrosse fields	utilizing the empty fields and making them into playgrounds or basketball courts
Senior Activities/Friendly	softball fields	Volleyball and Disc/Frisbee Gold Course would be awesome
senior center	something to make it more inviting	volleyball courts
Senior center	Special event place	volleyball courts
Senior Center with Pool	special events	Volleyball courts
senor programs	Splash pad	Walking fitness
since the trailway inside BR is complete, consider renovating the theater	Splash pad	Walking paths
Single-track mountain bike trail	Splash Pad	Walking/jogging trails
Skate park viewing deck	Splash pad for kids	walking/running/bike paths
Soccer	Splash Pad/having the water on consistently	water
Soccer	Splash pads	Water fountain, bathroom at back of park
Soccer field	Splash pads	Water fountains
Soccer field	Splash pads for children's play ground	water fountains and another bathroom

<b>Top three priorities for Brook Run Park</b>		
<b>Priority One</b>	<b>Priority Two</b>	<b>Priority Three</b>
Soccer Field / Football Field	Splash pads for the children's playground	Water play
soccer fields	Splash park	what is there
soccer fields	sports fields	work on bathrooms/fountains/etc
Soccer fields	Sport field	Working water features with benches around to enjoy the peacefulness that fountains bring
Soccer fields	Sport fields	
Soccer fields	sport fields at back of park	
Soccer fields	Sports facility	
Soccer Fields	sports fields	
Soccer Fields	sports fields	
Soccer Fields in back part of park	Sports fields	
soccer type fields	Sports fields	
Softball Fields	Sports fields	
softball, baseball fields	sports fields youth	
Softball/ kickball field	sports fields, tennis courts	
Some dedicated field space for soccer/lacrosse	start youth enrichment services... summer camps	
splash pad	Stop cutting down trees!!!!	
splash pad	STOP TREE CUTTING	
Splash pad	stop wasting money	
Splash pad	Summer camps	
Splash pad	swimming pool	
Splash pad	Swimming Pool	
Splash Pad	Swimming Pool	
Splash Pad	Teen programs	
Splash Pad	Teen programs	
Splash pads	teens need safe place to go/hang out	
Splash Pads	Tennis	
Splash park	tennis center	
Splash park and additional playgrounds throughout park	tennis courts	
sport facilities - soccer fields, etc	tennis courts	
Sports facilities	Tennis courts	
Sports Facilities baseball/soccer/tennis/basketball	Tennis courts	
sports fields	Tennis courts	
sports fields	Tennis courts

**Table 16: Allocations to Facilities, Services, and/or Programs - Other (Q17)**

Amount	How would you allocate \$100 across the following categories? (Other)
50	25 wellness programs, yoga, etc. 25 restore theater
0	A Senior Center is seriously needed in Dunwoody
25	Add more street lights throughout the main roads, consistent sidewalks (not new - to broken down)
20	Add outdoor gathering facilities (e.g. open air theaters)
60	add rec / senior center
10	add senior programs

*\*Please note, comments are included from both invitation and open-link samples*

Amount	How would you allocate \$100 across the following categories? (Other)
15	add things like shade structures, work out zones on trails, etc.
50	add vendors stations
20	Additional restrooms across Brook Run
40	Ampitheater
15	Aquatic / rec center
10	Aquatic center
25	Aquatic Center
25	Aquatic Center
10	Aquatic facilities and pools
45	Aquatics Center
0	Archery Learning Center
15	art enhancements
10	art, gardens, cultural interesting flags, statues
50	Arts center
5	Arts Programs
40	Arts, pavilion, concerts, beautification
5	Awareness
10	batting cages
25	Brook Run Theater
100	Brook Run Theater
5	Chapel
10	children's playgroun equipment
10	Community pool
10	Community recreation center
15	Community Theater & Senior Center
50	community veggie gardens
5	Concert Pavilion
50	concert pavilion, splash pad
50	Dedicate to restoring the Brook Run Theatre
10	Demo Theatre; Add a Dunwoody 4th of July Firework Display to Brook Run Park.
20	Disability accessible playground equipment and sports programs not available nearby already for kids
20	disc golf
35	disc golf
15	dog park
30	dog park
	Dunwoody would gain valuable knowledge by spending time at Lost Corner and the Big Trees Preserve.
	Educational markers on trails
20	Exercise stations
50	Fixing the existing theater
5	For a survey that does NOT require math

Amount	How would you allocate \$100 across the following categories? (Other)
10	Forest Restoration
30	Funding for renovation of Community Theater at Brook Run.
30	give grants to spruill center and dunwoody nature center
	Green Space
0	Gymnastics
0	I add 45 to indoor sports complex for a gymnastics center.
	I'm sure there would be unexpected expenditures
10	Improve Library facility
10	increase security/safety
15	Increasing communication about city facilities and improving programs (like classes)
15	indoor aquatic center
30	Indoor aquatic facility
10	indoor pool
40	indoor pool
40	indoor pool
0	It wouldn't let me put 0
15	lighting benches to charm up the city
10	Lighting, signage, water fountains etc
20	lights
5	Maintain Security of existing
65	Maintaining the natural beauty and greenspace
25	Maintenance and upkeep
10	Make sure all facilities have restrooms and water fountains
10	More amenities
15	more Dog parks
20	more facilities, restrooms
5	more handicapped items
40	music/event outdoor theater
100	natural trails
25	new outdoor pool
50	New theatre
0	No point trying to update the other parks as they cater for specific age groups and Dunwoody residents
5	One place to find all classes whether offered by Chattahoochee or Spruill or somebody else in the city
5	Organized sporting programs and the communication to the community of the existence of such programs
50	Other enhancement would be to build a senior center.
30	outdoor concert pavillion
10	outdoor pavilion/amphitheater
40	outdoor pavilion/stage
5	outdoor pool

Amount	How would you allocate \$100 across the following categories? (Other)
30	Outdoor pool
40	Outdoor pool
100	Outdoor pool
10	Park security and lighting
30	parking, access
20	performance arena/theater
20	Performing arts center
30	Performing Arts Center
100	performing arts center
80	Performing Arts/Community meeting center
20	pool
50	Pool
50	Pool (indoor)
10	pools
10	Priority should be upkeep of existing facilities, adding new parks if possible and adding more pathways
5	programs & services
5	Random things like adding flowers or weekly sprucing
60	Renovate Brook Run Theater
100	Renovate Brook Run Theater Bldg
100	Renovate Brook Run Theatre
100	Renovate the Brook Run Theater
20	Renovate the theater at Brook run
	Renovate Theater at Brook Run
30	Restore Brook Run Theater
60	Restore brook run theater and buildings. Might include indoor sports complex.
100	restore theater
20	restrooms
20	restrooms at parks, picnic shelters
25	Restrooms at wind wood and in back of brook run
20	restrooms/lighting/benches as needed
15	Safety and security
15	Safety and security
50	safety and security
5	Safety Patrol
25	Senior Center, Multi-purpose theatre
40	senior citizen activities/facilities
25	Senior Friendly
10	Senior/rec ctr
10	shelter/sun
20	sidewalks to gain access to
45	Speed bumps, reduced speed limits

Amount	How would you allocate \$100 across the following categories? (Other)
10	Splash Pad, Pavilion
70	swimming facilities, indoor and outdoor with aqua aerobic programs
100	tennis courts or exercise stations
50	the existing building in Brook Run for the Cultural Arts facility
100	The Wardlaw Property
15	Theater
30	Theater
50	Theatre
30	Theatre at Brook run
5	this form would not allow me to continue
20	venue for concerts like chastain park
25	water features
15	Water Play Area
5	would have put 0 for athletic fields and indoor sports if I could. Plenty of those around!

**Table 17: Additional Comments or Suggestions (Q19)**

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Invitation	District 1	35-44	Yes	It would be great to have a flagship sports center and athletic field complex - similar to the MJCC but run by the city of Dunwoody. The fact that everyone goes to other cities and/or churches to play sports is okay, but it would be nice to have those people and activities stay in Dunwoody.
Invitation	District 1	35-44	Yes	Use the property at brook run to build
Invitation	District 1	35-44		We need youth baseball fields and sport fields. It is crazy a town the size of Dunwoody does not offer these type of things for its residents. District 1 has no parks and no way to connect to bike paths.
Invitation	District 1	45-54	Yes	Continue to improve Dunwoody Nature Center - build pavilion and new building.
Invitation	District 1	45-54	Yes	I do not support using City of Dunwoody money to renovate the Brook Run buildings for a performing arts center.
Invitation	District 1	45-54	Yes	Improvements at the nature center have been remarkable! Keep up the good work.
Invitation	District 1	45-54	Yes	Parents are tired of driving to Brookhaven, Sandy Springs, and Alpharetta for their children's sports. Gymnastics is particularly hard to find. An indoor gym would be wonderful.
Invitation	District 1	45-54	Yes	Please do not renovate the existing theatre in Brook Run. It will be too costly and will be underused. To make Dunwoody a thriving city, you need to attract YOUNGER residents and they will want athletic fields for their children, not a glorified theater which will only attract senior citizens. We would also

*\*Please note, comments are included from both invitation and open-link samples*

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				love to have safe sidewalks/ paths that connect to other areas in the city. Every day I drive down Mt. Vernon, I can count dozens of people walking/running on the horrible sidewalk while I've seen maybe 10 cyclists in 3 years use the very expensive bike lane. I understand we get state/federal funding for these lanes but not sure why we continue to cater to a small but vocal cycling crowd. Brook Run is a wonderful park and Dunwoody has done an incredible job utilizing the space. I think we can make it even better with more outdoor recreational amenities.
Invitation	District 1	45-54	Yes	The people of this city own the parks, enough with the neighbors of parks getting away with screaming and closing down council to utilize every square inch of our parks for our use, not as ' the neighbors publicly funded private backyards'
Invitation	District 1	45-54	No	Don't just focus on family events/programs. There are other residents in the city.
Invitation	District 1	45-54	No	pave the roads
Invitation	District 1	45-54		I do not think we should waste money or the limited space within Brook Run Park for active use with a theater. I have made this view clear to my representative on the council.
Invitation	District 1	55-64		I hope this accelerates action on enhancing park space in Dunwoody
Invitation	District 1	55-64		I oppose any reduction of the Dunwoody Nature Center property to allow for a new school.
Invitation	District 1	55-64		Parks and Recreation investments are REALLY important for Dunwoody
Invitation	District 1	65-74		If we were able to purchase land to make new parks, I would be in favor of adding some of the facilities mentioned in this questionnaire. However, if these are added to Brook Run, there will be very little green space left. The other parks we currently own do not have enough space for additional facilities.
Invitation	District 1	65-74		use bond referendums
Invitation	District 2	25-34	Yes	None
Invitation	District 2	35-44	Yes	Connectivity (paved and natural trails) is most critical as this will spur other development over time. Also, trails are a must because biking and walking on roads (even in bike lanes) is just too dangerous given our careless driving culture.
Invitation	District 2	35-44	No	This survey was longer than expected. A progress bar would be helpful to increase conversion of those who start it, but don't finish.
Invitation	District 2	45-54	Yes	Area churches, Spruill Center and MJCC already have wonderful facilities and offer a myriad of programs for adults, seniors, youth and teens. Why waste money on duplicate

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				facilities/programs when they do it so well? A real need is for local playing fields for soccer and lacrosse. The closest fields are the Ashford-Dunwoody fields and they are extremely overcrowded. DHS and PCMS have at least 10 teams (girls and boys Varsity and JV teams for soccer and lacrosse) that share 2 fields for their practices and scheduled matches. DHS is land-locked, and DCSS will never provide the money necessary to make PCMS fields playable. If Brook Run invested in the fields that currently exist, they would be an asset to the community - for youth leagues as well as student leagues, and for members of the community that enjoy pick-up games of soccer.
Invitation	District 2	45-54	Yes	Brook Run is our best asset and is currently way underutilized. We should turn that into Dunwoody's center of recreation, especially with the improvements to the roads underway. need more than one access road, however.
Invitation	District 2	45-54	Yes	Do not spend one penny on the Brook Run theater. It's in the wrong place
Invitation	District 2	45-54	Yes	Don't start raising taxes. There are a lot of churches, temples, MJCCA in the area that provide the services and need the membership to prosper - don't compromise those organizations by taking away from their programs.
Invitation	District 2	45-54	Yes	I would love to see a summer 'sprinkler' area (especially in place of a pool). An outdoor concert shell would also be nice. But with these areas, I think we need to budget for more security
Invitation	District 2	45-54	Yes	Not sure what was intended in terms of fees... Does that mean specific activities, ie skate park? I absolutely think there should be a fee for skatepark, just as there is for treetop quest. Anything that goes above and beyond traditional park maintenance should require fees. These amenities are for regional use, not a necessity for our community. However, a fee for just going to the park - no.
Invitation	District 2	45-54	Yes	stop wasting money
Invitation	District 2	45-54	Yes	This was hard to fill out because there aren't really many park programs, other than the Nature Center, or enrichment programs, other than Spruill Center, which doesn't belong to the city. But, more connected trails, an outdoor concert venue, and a theatre would be great additions to our city. I think a good community center would be nice too and could house all kinds of activities for every age group from wellness/fitness to enrichment to education.
Invitation	District 2	45-54	Yes	Top priorities are: 1. fields for softball and soccer (teen and travel level) After the young children play at local churches

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				there is NO WHERE in Dunwoody for our teens to play and compete. This would increase our community bonding and comradery in the area. Our teens all had to travel to pikneyville and all over Atlanta to join softball and soccer teams. It is such a shame that we don't have fields for older kids in our city. 2. venue for concerts like Chastain park 3. walkways leading into the city that are landscaped well and lead the pedestrian to our parks - like brook run and the Dunwoody nature center
Invitation	District 2	45-54		I mentioned soccer fields several times. Dunwoody & GA are big soccer areas. Our current facilities are terrible. If we put turf fields on the old Chamblee Charter School location (Sitting empty), such as the ones at Hammond Park. The city could pay for fields by renting to the local clubs and leagues (as Hammond does). There is very little maintenance on turf fields.
Invitation	District 2	45-54		Services are not well published. Local signage is a good way to reach the community.
Invitation	District 2	55-64	No	1) Community pool definitely needed 2) Make users of Brook Run trail more aware of guidelines, particularly with walking/running to the right (and not taking up whole trail), cleaning up after dogs, keeping dogs leashed while on trail, reminding bikers that doing high speed rides is dangerous to walkers/runners. 3) Regarding the last item of #2 above, it would be nice to have dedicated mountain bike and road bike trails and paths. Due to the ever increasing traffic in Dunwoody, there is really no safe place to ride.
Invitation	District 2	55-64	No	Advertise the parks in the Dunwoody Crier to make residents aware of whats available. Some parks I have never heard of before looking them up.
Invitation	District 2	55-64	No	Where is the money that 'Tree Tops' is paying the City? That should amount to over \$200,000+ per year. Where did the \$4million for Brook Run from DeKalb County disappear to? Where is the current Capital Funding Budget for Parks & Recreation?
Invitation	District 2	55-64		Listen to the families! Older citizens tend to be resistant to change and the have time to make their views heard.
Invitation	District 2	55-64		Small non-elaborate area parks for sitting, playground, reading, etc. dispersed around the city would enhance feeling of city. All parks don't have to be massive and elaborate.
Invitation	District 2	55-64		Thank you for working so hard to improve our parks and recreations. When we first moved to Dunwoody, it was very lacking in this area. Now there is & continues to be wonderful improvements.

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Invitation	District 2	55-64		With the aging population of Dunwoody, a Senior Center with a place to socialize and exercise near home would transform many lives. It could also be dual/purpose with Senior programs for daytime and family use for after-school/evenings when Seniors cannot drive.
Invitation	District 2	65-74	No	Enhance the Spruill Arts Center since it is an existing program that brings participants from all over the metro area. Coordinate Arts Festival with Spruill artists and ed programs. Enhance youth programs related to Spruill
Invitation	District 2	65-74	No	It takes a lot of money and other resources to MAINTAIN good parks. We must not let new land and parks cause us to erode the existing parks and their maintenance.
Invitation	District 2	65-74		Make downtown Dunwoody the city center for activities including a theater, city hall, small park with fountains. Make Brook Run the recreational center for Dunwoody including baseball fields, swimming pool, and rec center. Remove the skate park! Make the kid's playground larger.
Invitation	District 2	65-74		--Remember the Library building. It needs maintenance and Dekalb County isn't doing it. --Thanks for doing the survey, but I'm disappointed with its poor quality--asking rankings of such disparate items. Needed more oppy for write-in comments.
Invitation	District 2	65-74		Save the existing theater. More community activities
Invitation	District 3	25-34	Yes	We try to make the best use we can of the city facilities but I'm sure we're missing out on many opportunities due to lack of information. I'd love to see better master lists on the Dunwoody website.
Invitation	District 3	25-34	No	Do not use Brook Run for athletic fields. The open fields are used by many people for many different activities, which makes the park more useful for the entire community.
Invitation	District 3	25-34	No	More sidewalks and lights in Kingsley neighborhood and more lights in Brook Run park
Invitation	District 3	25-34	No	Sometimes it feels like we are too worried about having more parks. It's a bit odd when so many surrounding homes have spacious yards. But I know it's not the case for everyone.
Invitation	District 3	35-44	Yes	As a city, don't need to take on the expense required to renovate and maintain the old Brook Run Theater.
Invitation	District 3	35-44	Yes	I have heard/read many voices speaking for renovating the existing Brook Run Theatre. I do not agree with this sentiment. Rather than renovate a building in questionable condition and location, I feel it would be a better use of the city's resources to redevelop the existing Spruill site. This would allow the theatre, center for the arts, and library too all be improved and perhaps additional amenities could be

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				incorporated. I am very happy with the direction that the city's parks facilities is headed. These amenities help Dunwoody to be a great place to live. Great work Dunwoody Parks and Recreation staff.
Invitation	District 3	35-44	Yes	Use cheaper between mail and tv/ radio.
Invitation	District 3	35-44	Yes	We appreciate you sending this out and valuing our opinion. Keep being awesome!
Invitation	District 3	35-44		We love and frequent Brook Run and we are also members of the MJCCA. Our extended family benefits from intergenerational activities in Dunwoody and we are grateful for that. We live in a great area that has so much to offer to families. I hope we can extend the benefits to all families, including under-served areas along Winters Chapel Road. There are many families with young children who live there and sometimes I see a lot of pedestrian traffic where there are no sidewalks or if there are sidewalks, they are crumbling.
Invitation	District 3	45-54	Yes	A Putt-Putt golf course with game room might be something to consider.
Invitation	District 3	45-54	Yes	keep the website up to date
Invitation	District 3	45-54	Yes	Keep up the good work! Parks and recreation facilities draw people to our city and make it a wonderful place to live. I have a particular love for green spaces and the arts, so would love to see Brook Run, Pernoshal and the other parks well tended and used. Also really love Spruill and Stage Door. Would love to see their spaces improved as well.
Invitation	District 3	45-54	Yes	Save some undeveloped areas. We are getting to the point where it looks like every acre is having some type of development.
Invitation	District 3	45-54	Yes	There is some rusted rebar sticking out of the ground in the back of Brook run where the hospital was. Someone is going to impale themselves if not removed.
Invitation	District 3	45-54	Yes	To get to the parks, we should have paved multiuse trails along existing roads. Paved multiuse trails are more beneficial than bike lanes or sidewalks -- bike lanes are too dangerous for children because they are too close to the busy traffic. Sidewalks are not good for skates or bikes.
Invitation	District 3	45-54	Yes	We should make our existing facilities of world-class quality before taking on new ones. The increased population and traffic coming our way could be daunting, and we don't want to lose our impressive reputation.
Invitation	District 3	45-54	No	Bike lanes.... Bike lanes... oh and street lines repainted on many streets. hard to see the lines when wet or dark as they are worn away... Did I say bike lanes????

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Invitation	District 3	45-54	No	LAY OFF OUR TREES!!! Don't feel like you have to apply for every federal, state grant, This money is not 'free' and encourages shyster developers to come to town to rip us off on unneeded projects. Lets maintain what we have and add to it as we can afford it from local funds.
Invitation	District 3	45-54	No	More promotion. I hardly know about the parks in Dunwoody and have lived here a long time.
Invitation	District 3	45-54		Concerts in the park, with local cover bands, has always been a hit in other cities/states we've lived in. Keeping it family friendly and good, easy food (maybe food trucks), with a place for the kids to run and play in between lawn chairs. It would increase our city rating for sure.
Invitation	District 3	45-54		More outdoor concerts
Invitation	District 3	55-64	Yes	The parks system is a significant benefit to living in Dunwoody - maintaining them and improving them should remain a top priority.
Invitation	District 3	55-64		If we find the need for fees, tax-paying residents should be charged at a lower rate than non-tax-paying residents. I.e. soccer/softball registrations, arts and cultural programs admissions/registrations.
Invitation	District 3	55-64		The City of Dunwoody needs to focus on improving traffic flow and maintenance of roads and essential services. We only spend \$2 Million per year on paving which should be doubled or tripled in coming years. Under no circumstances should the City renovate or rebuild a theater at Brook Run. If a theater is to be built, the City should require that 90% of the funds be private donations with at most a 10% City match out of the existing budget WITHOUT a tax increase or bond issuance. Bonds should be issued only for reasonable acquisitions and development that would be a natural addition to the existing parks and recreation facilities. Maintenance and development of existing parks is a much higher priority. Walking trails through existing parks or nature centers is more important. Dog parks are totally unimportant to most people in the community as the users of those parks tend to allow their dogs to run uncontrolled which deters other dog owners from using those areas. Dog parks do not benefit most dog owners who would prefer a quieter environment free of uncaring dog owners who have no courtesy for other owners. Dunwoody is home to many private or semi-private clubs and facilities. Murphy Candler and Dunwoody Seniors already provide sufficient baseball fields. Playgrounds and picnic areas with some shelters in a park setting are important for younger families. The City

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				should require recreational or community facilities to be privately funded with limited matching funds or grants from the City.
Invitation	District 3	65-74	No	Make more use of community volunteers and less on outside paid consultants in the development of future plans. The work of creating the City was done mostly by volunteer citizen effort and the same people will be the best help in continuing to improve the City.
Invitation	District 3	75+	No	Please do not waste a perfectly sound building that could be used for programs for citizens of all ages and that could achieve significant revenues from corporate and social uses.
Invitation	District 3	75+		This survey should have included the words 'with specificity' when asking about the support for a bond referendum. If one is to be requested in the future it must have specifics.
Invitation	District 3			This survey is way, way too long, I couldn't finish taking it and think I'm probably not the only one. Whoever designed it for you should have known to make it shorter and to make a tracker that showed how far along you were while taking the survey.
Invitation		45-54	Yes	Need to clean up Dunwoody Village and make it more pedestrian friendly.
Open Link	District 1	25-34	Yes	We need recreational options that are not linked to religious institutions. A city like Dunwoody should have a strong rec sports option. Dunwoody Village is currently under-served.
Open Link	District 1	25-34	No	I would love to see Dunwoody partner with surrounding cities for larger events to share the cost and get more value for our tax dollar. Even if the event alternated between the two cities every year for resident convenience, it would be a great way to offer more for less.
Open Link	District 1	35-44	Yes	BAD: The dog park is mostly used by people from surrounding communities and should be removed. The city has no options (besides the Senior Baseball league) for kids to play organized sports. There is very little green space for passive recreation. GOOD: The new improvements and playground equipment at the Dunwoody Nature Center are great!
Open Link	District 1	35-44	Yes	connect path and greenway through dunwoody, add more bike lanes, make it safe to run on sidewalks without getting hit by cars
Open Link	District 1	35-44	Yes	Dunwoody needs a central meeting space with benches, grass, etc. It should be in Dunwoody village, so residents can use our new sidewalks to walk to it. This would be useful for the 4th of July, Arts Festival, Light up Dunwoody, and any other gathering we want. Maybe townhall meetings etc. Let's use the parks to reinvigorate a sense of community and

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				participation for all citizens. Bring back a sustainable farmers market. Etc.
Open Link	District 1	35-44	Yes	Government is not responsible for one's recreation.
Open Link	District 1	35-44	Yes	I was really impressed with your original proposal to add a park/green space in Dunwoody Village where the current post office is. It was one of the reasons I moved back to Dunwoody. A central area where people congregate that is inviting and beautiful is essential to the character of a city. Surrounding that park with unique restaurants and cafes is also a wonderful idea. I might suggest the possibility of a small stage for weekly performances and events during the spring and summer. The village would become a central gathering that all ages are hungry for. It would outshine Roswell's meek, yet entertaining city center.
Open Link	District 1	35-44	Yes	Keep Dunwoody Senior baseball where it is!
Open Link	District 1	35-44	Yes	More lacrosse field space and add an indoor aquatic facility please
Open Link	District 1	35-44	Yes	Move Austin to baseball fields by nature center and create park where Austin is.
Open Link	District 1	35-44	Yes	My family pays large amount of money to the City of Sandy Springs to use their facilities. I would rather pay that to the City of Dunwoody.
Open Link	District 1	35-44	Yes	Our community has made so many improvements since becoming a city. The improvements are great, but I don't want to see taxes or costs increase in order to build more. It is possible to do nothing and just maintain what we have.
Open Link	District 1	35-44	Yes	Please fix the dog park disaster that has been created with the new area of it and avoid any repeats.
Open Link	District 1	35-44	Yes	Please keep in mind the cost / benefit and what increases property values (i.e. We don't need a public pool as most neighborhoods have one).
Open Link	District 1	35-44	Yes	The parks we have are great, but the vast majority of Dunwoody residents cannot easily walk to a park. More and smaller parks that are distributed where people live are better for families.
Open Link	District 1	35-44	Yes	We do not need a theater! Have a 'Murphy Candler' sports park so our money goes to Dunwoody instead of Brookhaven!
Open Link	District 1	35-44	Yes	We don't need a cultural arts center or theatre.
Open Link	District 1	45-54	Yes	Add more street lights throughout the main roads, consistent sidewalks (not new - to broken down - to non existent. Landscape along the major streets (Roberts Road looks old and broken down in some spots vs. Mt. Vernon looks well manicured.) - Look at Sandy Springs as an example of what they have done. Would like to see the 'WildCat' Statue

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				displayed throughout Dunwoody and sponsored by local businesses/families - like Sandy Springs has with their turtle. Would like to see Dunwoody Village turned into a main street that families/teens have a safe place to go. Would like to see a Dunwoody Wildcat Statue/Fountain right in the center - we should be supporting out local schools and building a sense of pride for our DHS! It would be nice to have venues in Dunwoody Village and turn it into a park/shopping area.
Open Link	District 1	45-54	Yes	Any proposal to add any new housing over x number of units or acres should automatically default to designate a percentage of the land to public parks
Open Link	District 1	45-54	Yes	Doesn't Dunwoody have unused money set aside for parks? Where is that money? Before we create a concert venue to bring in more thugs that are already ruining the city, let's build this place to be what it has always been - family oriented. Also, if you don't OWN a house in Dunwoody, you shouldn't be allowed to cast a vote for those of us that do live here and own property.
Open Link	District 1	45-54	Yes	Dunwoody is a great community that needs to step up its game and develop best in class parks for its citizens. Many of the great people I've met in Dunwoody were through youth sports. We have an opportunity to improve that and we cannot rely on Brookhaven for our baseball programs.
Open Link	District 1	45-54	Yes	Dunwoody is a wonderful community to raise a family. Our public schools attract many people to our community, and I believe that improving our parks & rec would only add to that attraction. We also need to be mindful of the senior community who helped build and establish Dunwoody. There is very little for them, and they are pillars of our community. Please consider an affordable Senior Center for our dedicated Senior neighbors.
Open Link	District 1	45-54	Yes	How much money was spent to conduct this survey?
Open Link	District 1	45-54	Yes	I believe that the cornerstone of any thriving suburban community is the kids and their well-being. Shorting our kids opportunities to play sports, such as baseball, will end up hurting the community as a whole. Please see to it that Dunwoody Senior Baseball is a priority and either fix and maintain the existing park or look into building a new facility at Brook Run. Thanks.
Open Link	District 1	45-54	Yes	I do NOT want a new Brook Run Theater, nor do I want the existing theater refurbished. We need to re-purpose the area.
Open Link	District 1	45-54	Yes	I think it is important to invest in Dunwoody Nature Center facilities. This is a gem in our city, a refuge from suburbia,

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				that would be used more with a real building and substantial parking
Open Link	District 1	45-54	Yes	If Austin Elementary moves from its current location to the location of Dunwoody Senior fields I think the first priority for Dunwoody would be to put in ballfields in Brookrun.
Open Link	District 1	45-54	Yes	indoor tennis courts
Open Link	District 1	45-54	Yes	Keep increasing ball
Open Link	District 1	45-54	Yes	More fields. Set priority for use of fields to Dunwoody resident/tax payers versus out of Dunwoody guests.
Open Link	District 1	45-54	Yes	Need for lacrosse fields
Open Link	District 1	45-54	Yes	Please do not spend city dollars to renovate the buildings at Brooke Run. People do not attend stage doors players because of the facility. The need is not there. And with Sandy Springs building an amphitheater (we should have first) we will be competing for the same dollars. I also feel not having lacrosse fields is hurting us. It is the fastest growing sport and same as baseball, our kids have to go elsewhere. thanks
Open Link	District 1	45-54	Yes	Thanks for asking and getting input from community. Hope it is valuable info!
Open Link	District 1	45-54	Yes	The interests of those that participate through Dunwoody Senior Baseball need to be protected. Dunwoody has a rich history in youth baseball and the tradition should continue. Many parents at MCLL grew up playing there and come back as adults because the youth baseball program is so strong here. We know that really good baseball is also good for schools and property values--look at East Cobb as an example. Baseball is a sports with less risk of harm that other sports, and it still teaches kids valuable lessons under the supervision of adults.
Open Link	District 1	45-54	Yes	The older folks pushing for the renovation of the Brook Run building for a theater are well organized but do not represent the majority view. Brook Run already has many different uses for outdoor recreation & throwing a theater into the space is not a good idea. The attendees will need parking which will mean paving and diversion of funds to enhance this precious greenspace. Continue to reach out to the younger population in Dunwoody for feedback, using social media and the elementary schools for communications. Brent Walker is doing a fantastic job.
Open Link	District 1	45-54	Yes	To continue invest in our community, I believe we can help bring families together by having quality fields and sports programs. While many of us worship at different churches/synagogues and send our kids to different schools, we tend to gather together on sports fields and get to know

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				our neighbors. Specifically, a multisports complex similar to Peachtree City would be a true asset to our community.
Open Link	District 1	45-54	Yes	We underserved youth sports programs. Protect and build dunwoody senior baseball in its current great location or at brook run. It must be central. Having a town green for concerts and events would be great.
Open Link	District 1	45-54	Yes	You sometimes ask two things in one question. I may not agree with both of those things you list in one question. I may only agree with one item in the question but I have to give my opinion as if they were one thing--but they are two. I saw this only on a few questions--overall great survey.
Open Link	District 1	45-54		I can only emphasize two points. 1. I think the parks are important and I'm prepared to back that sentiment up with financial support if necessary. 2. I am not, nor am I likely to become, a regular user of the parks.
Open Link	District 1	55-64	Yes	Dunwoody is severely lacking in usable athletic field space while areas like Perimeter College athletic field goes unused. Shameful. Dunwoody High School does not even have a good usable practice field behind the school - it is full of potholes and no grass on it. The number of teams trying to use it simply cannot all fit within a weekly schedule.
Open Link	District 1	55-64	Yes	Not sure i'm in favor of spending the money for the Brook Run building, in terms of renovation and continued maintenance. Seems that the Stage Door facilities could get a face lift for much less money. If plays routinely sell out, adjust the calendars accordingly and plan for longer runs
Open Link	District 1	55-64	Yes	Very proud of what Dunwoody has to offer, thank you!
Open Link	District 1	55-64	No	Enlarge Parks staff
Open Link	District 1	55-64		Dunwoody has been underserved on parks and recreation for years. Churches and other nonprofits have provided parks and recreation because of the lack of public programs. It is time for the City of Dunwoody to become a leader in this area.
Open Link	District 1	55-64		I strongly support some type of theatre. I would like to see more information on the cost of renovating the theatre at BR vs a new facility. I think that we have strong community support for the arts as witnessed by our long standing support of Spruill and Stage Door. Both groups have added character to our community and helped to define it so I think a proper theatre is a next logical step. As for parks I see the BR dog park and community garden as being well used and a place to bring community together. I would like to see a bathroom added as well as a message board to facilitate communications at the dog park. We desperately need a

Invitation/ Open Link	Area	Age	Kids	<b>Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?</b>
				concert venue like Sandy Springs. The concerts in the park there are a raving success and we certainly have the room to provide a venue like that. Also, I would like to see programming that does not require a major investment, such as Tai Chi, yoga, nature hikes and the like. We should publicize them on a website that advertises there time and location and be prepared to invest in them until we have a great following. By building these communities groups i think we can enrich the community in a way that an indoor recreational venue or outdoor ball field can not.
Open Link	District 1	55-64		See previous note about Seniors
Open Link	District 1	55-64		Stop cutting down the trees!!!! The park should maintain the existing trails and not concrete greenspace anymore. Brook Run did not need to have a zip line and cut down more trees. The park has many existing trails that could/should have been used and concrete was a horrible idea. Tall Trees in Sandy Springs is an amazing park and they preserved their green space which Dunwoody keeps removing.
Open Link	District 1	55-64		The City should analyze what is being provided by Churches, MJCC and private clubs and seek to provide what they can not or will not provide.
Open Link	District 1	55-64		We need parks near where people live. They need to be clean, well maintained and safe. They need to include things for all age groups. I'm worried about the loss of Dunwoody Senior Baseball Park for the building of a new school. This park currently serves teenagers who have aged out of Murphy Candler Park. Please don't take this away from this age group.
Open Link	District 1	65-74	No	I think my point has been made. With the exception of Dunwoody Nature Center, our parks have been denigrated by the mindless replacement of trees/trails with concrete. No issue with skate board park other than is could have been placed in a different location so that the natural resources in place would have remained.
Open Link	District 1	65-74	No	In my opinion, improving traffic flow in an out of Dunwoody is far more urgent than more parks, volleyball fields, etc. We are grid locked much of the day and large developments near Perimeter Mall, unsolvable traffic on I-285 and 400, and non timed traffic lights make this area more and more undesirable. More parks etc. are way down on my priority list compared to improving traffic and repairing rotten roads. Narrowing already dangerous, existing roads for bicycles that rarely use them is not helping either. Also, we need a real city center with a useful and beautiful building as a city

*\*Please note, comments are included from both invitation and open-link samples*

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				anchor instead of relying on aging strip malls and enclosed malls as a center. Dunwoody lacks a visual core identity. More parks and recreation facilities will not give it that.
Open Link	District 1	65-74		I am against the City funding a performing arts facility.
Open Link	District 1	65-74		I do not think we should renovate the building at Brook Run for a theater. I would like to see a new City Hall with space that can be used for a theater and other community gatherings. We must be good stewards of our limited city funds.
Open Link	District 1	65-74		I think the installation of concrete paths is unnecessary---keep paths natural. I think the city gave away too much in relation to the pipe farm. Small parks scattered about is better than larger parks...more scenic, used 'locally'- can't say where to put, as most areas are already built up
Open Link	District 1	65-74		I think we have enough new parks and we should concentrate on what we have,,,,making them beautiful, safe and connected. Let's make the best of the assets we already own.
Open Link	District 1	65-74		I'll repeat myself. I'm against spending tax payers money to renovate and maintain brook run theater. I don't believe our budget can handle the cost of building and maintaining this old facility. It is a very vocal and small group that supports this as did the skate park group. The skate is unsupervised and is a law suit away. The kids don't adhere to the rules or wear helmets.
Open Link	District 1	65-74		More information of how arrangements (and perhaps fee info) for use of facilities are accomplished. More timely and informative information on what is planned for parks - for example, fencing has been erected around the large open area in Brook Run beyond the Community Garden area -why was this necessary? Will any attempt be made to control the use of drones in this area, we consider the chance of being injured by one of these item a strong possibility, especially drones flown by on board cameras and monitors worn on the operators face.
Open Link	District 1	75+	Yes	Protect the streams better
Open Link	District 1	75+	No	A need exists to examine the necessity of any of these programs, their relevancy to our charter, and a rigorous cost benefit analysis undertaken.
Open Link	District 1	75+		I'm very proud to live in Dunwoody and the parks and recreation is already great. We just need a place for community theater and rooms for meetings, also for plays.
Open Link	District 2	25-34	Yes	My family is happy with the progress that Dunwoody is making to make the city more walkable and make outdoor

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				spaces useable for the community. Great job, and we are excited about upcoming plans for improvement.
Open Link	District 2	25-34	Yes	See previous comments.
Open Link	District 2	25-34	Yes	We LOVE the new trails! So much fun to have the family ride bikes to eat and play.
Open Link	District 2	25-34	Yes	We would really like to see children, youth, and adult sport programs and leagues offered in our community. We would love to see soccer fields developed for this purpose! We are excited to see how our park will continue to grow and develop in the future!!
Open Link	District 2	25-34	No	Be cautious over expanding quantity without focusing on quality. Gwinnett has tons of parks and tons of crime in those parks. Focus on millennial single-family homeowners, they're the future of the city.
Open Link	District 2	25-34	No	connect brook run and Dunwoody Village to Path 400
Open Link	District 2	25-34	No	I'm impressed with the facilities and hope the city does not rest on its laurels. As it relates to pathways and connectivity, these projects must be planned early to account for the dense residential complexes that are popping up.
Open Link	District 2	35-44	Yes	dunwoody needs to keep dunwoody kids here- soccer, baseball, tennis should be available to us and not have to go outside of dunwoody to use
Open Link	District 2	35-44	Yes	How important athletic fields are to our city especially our teens as they age out of other programs such as Murphy Candler. Youth baseball fields, especially middle aged youth, need to be preserved or protected. Baseball is good for our community. Baseball lets us build friendships and provide a safe, competitive, fun environment for our young athletes. Let's make sure there are always fields available for our kids.
Open Link	District 2	35-44	Yes	I believe that sports are very integral part of communities. The relationships that my family have made through local sports has been the core of why we love Dunwoody. I also believe that Dunwoody needs to provide sport opportunities for all kids through high school..as it keeps them active, involved in positive growth opportunities and continues to build community spirit.
Open Link	District 2	35-44	Yes	I really like the trail and pernoshal park facilities. To me, these types of improvements do more for the city than all the paving. Sports facilities for all our youth are really important and I encourage the city to survey leaders of current programs which are mostly at churches and get some input from them on if they have adequate facilities to host games, support demand. I'd also encourage you to talk to Dunwoody high coaches about the challenges they have with

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				locations for practices. If the city develops the current schools property at old shallowford elementary site some day, this will create a major problem for the sports teams that practice there now.
Open Link	District 2	35-44	Yes	I think it is important to develop sports and recreational activities for middle school to high school aged children who may not be able to participate on school teams. Dunwoody Seniors is a perfect example of a program that we already have that I hope will stay in existence in Dunwoody.
Open Link	District 2	35-44	Yes	I think that more multi-use trails would be highly valued and heavily used by young people and young families moving into Dunwoody (who don't seem to be as vocal as retirees, who have more free time)
Open Link	District 2	35-44	Yes	I would imagine baseball fields can pay for themselves if managed appropriately. Apply fees for league play.
Open Link	District 2	35-44	Yes	Let's give murphy candler and other programs competition and have our kids play in Dunwoody
Open Link	District 2	35-44	Yes	Need to make investments in outdoor & indoor athletic parks for teens.
Open Link	District 2	35-44	Yes	Overall pleased, parks department is pro-active, responsive.
Open Link	District 2	35-44	Yes	Please do not waste any time and/or money on the theatre at Brook Run. I would also encourage partnerships with local school system to share athletic fields.
Open Link	District 2	35-44	Yes	Please give us a gymnastics center and an 'art park' similar to the Abernathy Greenway park.
Open Link	District 2	35-44	Yes	Please invest in the arts. Please maximize the space at Brook Run
Open Link	District 2	35-44	Yes	Programs need to be available for families with Moms that Work
Open Link	District 2	35-44	Yes	Soccer fields! We need soccer fields and youth soccer programs. Call AYSO they will set a league up for free. It would be nice to have a field and playground in Dunwoody Club Forrest.
Open Link	District 2	35-44	Yes	Such as the Annual Atlanta Kosher BBQ Competition I think the city should continue to partner with other organizations to bring their special events to the city. <a href="http://www.theatlantakosherbbq.com">www.theatlantakosherbbq.com</a> is an event that cost the city nothing except to approve our permit but it brought 5,000 to Brook Run Park. These events 'Bring the community together' and that is vital for a community that at times seems separated due to so many families who to go public and private schools. Our Kosher BBQ Competition has the Dunwoody Tourism assist us in marketing and we would love it if the city got behind us as well in a larger way to help bring

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				children and adult activities to the event. It would deliver Togetherness and unite the multiple groups of people who live in Dunwoody as well as Metro Atlanta.
Open Link	District 2	35-44	Yes	Thanks for trying to improve our city and to solicit feedback from the homeowners.
Open Link	District 2	35-44	Yes	There are always those who complain about taxes yet heavily use facilities once they are built. If the city is clear on how proposed additional tax revenue will be used to directly benefit the community (I.e. Providing great parks that raise property values), much can be accomplished. The top priority though is to maintain existing parks rather than overreach.
Open Link	District 2	35-44	Yes	To maintain the facilities at existing high quality level as well as ensure safety. Continued improvement in the north shallowford area
Open Link	District 2	35-44	Yes	We desperately need an athletic field facility. Too many of our youth have to leave the area to play. Proper Y run, a dedicated baseball/softball and dual use park would be a major draw and revenue generator. While space is tight, it exists and could really add to dunwoody.
Open Link	District 2	35-44	Yes	We need to serve the youth in our community. Sandy springs offers gymnastics, baseball/softball. Brookhaven offers baseball/softball. Dunwoody doesn't do any.
Open Link	District 2	35-44	Yes	Youth Recreation!!! Would love to stay in Dunwoody for youth sports instead of going to Sandy Springs or Brookhaven.
Open Link	District 2	35-44		Really need a gymnastics and Recreation programming in dunwoody
Open Link	District 2	45-54	Yes	1. Acquire land whenever possible...gives flexibility for the future. 2. Improve paths for walking/bikes or maybe even golf-carts (like Peachtree City) or Dunwoody will become gridlocked with all the development coming in
Open Link	District 2	45-54	Yes	concerned about a theater in Brook Run Park--this would bring people into the park at night and would require lighting, which would negatively affect some birds' ability to hunt. We also could see an increase in vandalism.
Open Link	District 2	45-54	Yes	Develop Brook Run Park
Open Link	District 2	45-54	Yes	Dunwoody is a great place to live! I'm very proud of how Dunwoody has come so far in a short space of time. I would like to see a park that children 10 + can enjoy & I think that would be the new park of N. Shallowford Rd but after traveling around Europe, I see a difference in their designs as they've involve institutes like Universities, Science & Engineering dept. to help design the city & parks. I really would like to see that implemented in a new park a long with a petting zoo, a small maze, large pavilions like Morgan Park

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				& shelter over the play equipment on very sunny days. Maybe even a small cafe where they sell ice creams, chips, drinks, hot dogs, burgers etc at certain times.
Open Link	District 2	45-54	Yes	Dunwoody needs better parks!
Open Link	District 2	45-54	Yes	Dunwoody Senior baseball is a great program and could be even better with some city promotion. Also... Brook Run Park is really becoming a great place for the whole family to enjoy.
Open Link	District 2	45-54	Yes	Dunwoody Senior park is a treasure. It should not be dropped from the list of priorities.
Open Link	District 2	45-54	Yes	Field space, field space, field space! Thank you!
Open Link	District 2	45-54	Yes	I think it would be great to have GreenSpace somewhere in the Village. An area for kids to play football, throw frisbee and/or family picnics
Open Link	District 2	45-54	Yes	I would love to see the theater and the Spruill arts and have all the cultural things together in a safe setting.
Open Link	District 2	45-54	Yes	If the city said we want X dollars and 100% will go to a specific project, you would have overwhelming support.
Open Link	District 2	45-54	Yes	Indoor Softball facility
Open Link	District 2	45-54	Yes	It'd be great to have tennis courts near Vanderlyn/Chestnut. Currently, I have to drive out to Sandy Springs.
Open Link	District 2	45-54	Yes	More basketball Courts are needed. The 2 are Pernoshal Park are already filled with many high school boys. It would be nice to have more courts in Brook Run.
Open Link	District 2	45-54	Yes	More field space please
Open Link	District 2	45-54	Yes	More green space and no more buildings!
Open Link	District 2	45-54	Yes	Need youth sports programs, baseball, basketball. Should include indoor facility for strength & agility for teens
Open Link	District 2	45-54	Yes	No need to spend city money on the Brook Run Theater.
Open Link	District 2	45-54	Yes	Please look at what we already have and make the improvements on that. Then look at growing the parks. Dunwoody senior is a great place to start
Open Link	District 2	45-54	Yes	Please save Dunwoody Senior as it is very important to our community and its teens.
Open Link	District 2	45-54	Yes	Please start the process as soon as possible. We are losing precious time deciding versus acting.
Open Link	District 2	45-54	Yes	Provide services for families. If you do not, other municipalities will. Our schools and neighborhoods need families. Families provide the energy that make our City vibrant
Open Link	District 2	45-54	Yes	Publish how the Zipline company at Brook Run is performing and how much they have contributed to park maintenance fees. Wasn't it 5 or 10% of profits? There should be sidewalks on both sides of road and bike lanes on Peeler Rd.

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				to access Brook Run safely. The Dunwoody library parking lot needs to be repaved.
Open Link	District 2	45-54	Yes	Safe locations for children to gather and play should be a priority. Ball fields, basketball courts, soccer fields, etc. Make Dunwoody a more bike and walker friendly city. More wide winding sidewalks and trails like at Brook Run and down Mount Vernon towards Abernathy.
Open Link	District 2	45-54	Yes	Several Concorde Fire (Ashford Dunwoody) teams travel to the airport to play games because there are not adequate soccer fields in the area. I wish Dunwoody could partner with Concorde to design shared field space.
Open Link	District 2	45-54	Yes	SPEAK with other local cities (Roswell & Chamblee) to learn their development lessons (good, bad, and ugly) so to make a cost effective decision and not repeat mistakes. Examples - Roswell replaced all their grass athletic fields with turf; Chamblee fenced in their fields to control use, added lights to extend use times, and set up cameras for security/deterrence.
Open Link	District 2	45-54	Yes	Survey a little too lengthy but appreciated
Open Link	District 2	45-54	Yes	Tennis Courts are needed in our city parks.
Open Link	District 2	45-54	Yes	Thanks for all you do!
Open Link	District 2	45-54	Yes	The city should create sports fields that can be used by the high schools given the incompetency of Dekalb County in providing such facilities for our children. I think a fundraising drive for such a facility would be enormously successful.
Open Link	District 2	45-54	Yes	The single most important thing to our Citizen's property values is 1) a strong LOCAL school system, and 2) VIBRANT youth athletic fields/facilities/opportunities.
Open Link	District 2	45-54	Yes	This survey was too long and cumbersome
Open Link	District 2	45-54	Yes	We appreciate your service and support. We need to make progress not to make this a great city. These facilities will enhance our property values.
Open Link	District 2	45-54	Yes	We have a lovely building in Brook Run Park known as the theatre. It is the only building left from the the GRC. It can be renovated and utilized in so many ways not only as a theatre, but also as a special events venue, for meetings and classes among many other things. Please do the responsible and green thing and save the theatre. It would be irresponsible to do otherwise. Thank you.
Open Link	District 2	45-54	Yes	We need a sports complex with ball fields, pool, etc.
Open Link	District 2	45-54	Yes	Would love to see Dunwoody parks programs mimic the success/quality of Sandy Springs.
Open Link	District 2	45-54	Yes	Would love to see some sort of lake or pond park with swings similar to Morgan falls:)

<b>Invitation/ Open Link</b>	<b>Area</b>	<b>Age</b>	<b>Kids</b>	<b>Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?</b>
Open Link	District 2	45-54	Yes	You are on the right path to improve parks and recreation. Keeping the community active and involved will lead to the improved health and welfare of the overall community.
Open Link	District 2	45-54	No	BEFORE WE BEGIN NEW PROJECTS, WE NEED TO MAINTAIN WHAT WE HAVE.
Open Link	District 2	45-54	No	Create more 'Passive' parks. Create a senior friendly recreation center.
Open Link	District 2	45-54	No	Please start offering SERVICES with an ACTIVE recreation component, like our neighbors offer in Brookhaven & Sandy Springs.
Open Link	District 2	45-54		Focus on maintaining what we have. Address other issues such as overgrown grass and weeds along sidewalks which are rarely addressed. Trees that are crudely cut back for power lines should be removed rather than butchered.
Open Link	District 2	45-54		Please do NOT develop ball fields at Brook Run. It will increase traffic, light pollution, noise and disrupt the natural beauty that is emerging. We need some passive greenspace, and you cannot create what you already have at Brook Run.
Open Link	District 2	55-64	Yes	Compared to Brookhaven and Sandy Springs, our youth facilities are very poor. We desperately need a multi-purpose, turf athletic field for baseball, softball, lacrosse and soccer
Open Link	District 2	55-64	Yes	do not spend all the money to renovate theater at brook run
Open Link	District 2	55-64	Yes	If DSB ball fields go away due to new Austin school please have a temporary fields in place IMMEDIATELY for children to use
Open Link	District 2	55-64	Yes	If we were to have to pay a fee, then we should do like Gwinnett County and charge non-Dunwoody residents a MUCH LARGER fee to use our facilities and make ppl show proof of residency and not worry about being politically correct
Open Link	District 2	55-64	Yes	We tend to use Murphy Candler to walk our dog due to it being a more natural park. Did not see the need for such a wide trail in Brook Run Park. Really like the idea of Brook Run being linked to the new park at Pernochal and beyond. Great thinking!
Open Link	District 2	55-64	No	A robust and well managed Parks and Recreation program is essential to the City of Dunwoody. It is without a doubt the main contact that our family has with the city and our fellow citizens. Please consider the possibility of creating a volunteer Parks and Recreation Advisory Board (or panel or committee, etc.) to allow for ongoing citizen input and feedback. We would be happy to serve on such a committee

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				and would be prepared to dedicate significant time to helping in this regard.
Open Link	District 2	55-64	No	Before building one more bike lane, please study the bike lane usage around Perimeter Mall. Please study the walking/bicycling usage on the Georgetown path to Brook Run. Then you can provide some feedback to residents on the utilization of these two important components of the park and recreation plan.
Open Link	District 2	55-64	No	Create a combined recreation/meeting/senior center facility in one location. Or look into re-constructing library facility to act as senior center/arts/library facility. Do a better job on communication. Also, wording on survey about 'which of these are meeting needs of community' I interpreted as the CURRENT services/facilities, not future options.
Open Link	District 2	55-64	No	Please maintain and upgrade what we have already, avoid major new expenditures. Thx!
Open Link	District 2	55-64	No	Please, try to limit dedicated bike ways on the city major streets, do not narrow any more streets so bike lanes can be marked off at the expense of motor vehicle Safety! Bike paths in city parks may help moving to this goal,
Open Link	District 2	55-64	No	Regarding Funding - focus on growing the tax base by bringing in new business and prioritize the spending to include Parks or don't add them.
Open Link	District 2	55-64	No	Safety, security and maintenance (cleaning, etc.) are the most important things to me regarding the parks in Dunwoody.
Open Link	District 2	55-64	No	Save & renovate the Brook Run Theater. This historical building would be in constant demand for: a cultural & performing arts center; community center; conference center; meeting space and classrooms; and wedding chapel. It is cheaper to restore now than build a new structure in the future. Also there is no available vacant land in Dunwoody on which to build a new venue that meets the demand for all of these possibilities. Use of tax dollars for this purpose is more justified than spending \$70K+ to design bike lanes on every arterial street in Dunwoody that are only being used by a handful of people. Even the monthly bike rides only brings out about 2 dozen riders at best. Brook Run Theater would generate more use than that!!!
Open Link	District 2	55-64	No	The city of Dunwoody has done a wonderful job on Brook Run Park. I either walk, run or ride my cycle there at least 3-5 days a week. On another note, We most desperately need a left turn arrow ( heading southbound)at the corner of ChamDunwoody and Cotillion !! Please

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Open Link	District 2	55-64		Create a 5-10 year improvement plan and pick a few items and do them good, several items done bad are not the answer. All land & buildings should be preserved and not destroyed before the facts weigh in what is the best choice for the citizens of Dunwoody. Brookrun theater is a perfect example where the city could save a lot of money by preserving it, and not tearing it down.
Open Link	District 2	55-64		Newspaper communications are good.
Open Link	District 2	55-64		Our streets are in very poor condition!
Open Link	District 2	55-64		Suggest City take over maintenance of the library from the County--They don't do any.
Open Link	District 2	55-64		Thanks for taking the time and energy to provide survey and to seek input.
Open Link	District 2	65-74	No	hire part time senior citizens to patrol and supervisor parks and paths/trails
Open Link	District 2	65-74	No	I should have been allowed to allocate zero points to some options. Can the City of Dunwoody do anything right?
Open Link	District 2	65-74	No	Keep up the good work.
Open Link	District 2	65-74	No	Please save & renovate Brook Run Theater. It is a historical building with a theater for performing arts & other community events. It has meeting rooms & a chapel that would be in constant demand for meetings, seminars, conferences, weddings, etc. It also has an indoor basketball court. There is no other land/location available in Dunwoody for a C&P Arts Center. Thus, it is far less expensive to renovate the existing structure than to build a new structure 10-20 years down the road.
Open Link	District 2	65-74		Avoid the entanglements of Federal grants offering 'free money'. Let this upper middle class community pay for its own recreation. Publish annual financial statements for all 'partnership' deals ( skate park; zip line, Dunwoody Glen sweetheart deal.
Open Link	District 2	65-74		Great improvements since the city was founded; keep up the good work!
Open Link	District 2	65-74		I am most opposed to the proposed saving of Brook Run Theater. Stage Door Players has a nice, intimate area. A city center should be placed elsewhere.
Open Link	District 2	65-74		I stated that I would not support user fees for park enhancements; however, I do support user fees if they apply to non-Dunwoody residents ONLY! I use Brook Run frequently and the car tags show that most users of our park are from outside our community. They should not be getting a free ride. User fees, but only for non-residents!

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Open Link	District 2	65-74		I think we should always try to preserve facilities and improve upon them rather than tear down and re-build. Although I'm pretty neutral on the issue of needing a new theater facility, I am definitely not in favor of tearing down the existing facility.
Open Link	District 2	65-74		Park land is scarce in Dunwoody. We should not overlook any opportunity to acquire parkland. Even small neighbourhood parcels to provide green oasis wherever possible. Not every park needs a playground. In fact, we have enough playgrounds - no more needed. We need more trees.
Open Link	District 2	65-74		thank you for the efforts and appreciate this survey opportunity
Open Link	District 2	65-74		The city is doing a very good job with our parks & we enjoy using Brookrun & the trails.
Open Link	District 2	65-74		The city needs to give due consideration and time to those who are working on providing funds for restoring the one existing, historic building in Brook Run Park. It will be one of kind in the area providing meeting space; cultural, art, theatrical space; class space; and special event space; and a home space of our renown Dunwoody Stage Door Players and Dan and Company . The theater is unique in the new small cities. Sandy Springs is a much larger community and its new space will be for a much different venue with 1100 seats. Being able to be in the park, have a picnic dinner, take a stroll and then go into the theater for a play or musical event would be magical for the entire family! Please don't let this jewel get away.
Open Link	District 2	65-74		we moved to Dunwoody this past january and are still learning about the parks in Dunwoody. i am not familiar enough to offer suggestions at this time.
Open Link	District 2	65-74		Your survey is well done, thank you.
Open Link	District 2	75+	No	Build baseball fields that will enhance quality of life for young families. Most other cities have them - we do not and have the space to put them.
Open Link	District 2	75+	No	I love our city - Make sure it is kept clean
Open Link	District 2	75+	No	we have a sufficient number. we just don't know enough about them. we also don't use MJCC enough. they have several pools.
Open Link	District 2	75+		I am glad you see you are asking for feedback. With previous mayor, he just did what he thought we wanted (like bike path behind Dunwoody Village) which was a waste of money.
Open Link	District 2	75+		Occupancy fee for all those who live in apartments that use our facilities but don't pay a dime in taxes.
Open Link	District 2	75+		Thanks for all your work in helping Dunwoody growing it's Park System

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Open Link	District 2	75+		Think of our Senior Citizens and the need for cultural enrichment for all of us!
Open Link	District 2	75+		Very concerned about the selection, scope of work, and management of consultants for Parks and Recreation Work.
Open Link	District 2	75+		You are doing a great job. Brook Run Park is a jewel and we walk there 3 or 4 times a week. You have made good decisions so far, so I trust your leadership.
Open Link	District 2	under 25		Improve fields at Brook Run
Open Link	District 2			Director of Parks/Recreation and Dunwoody Parks Manager make their own decisions - regardless of input. As mentioned, the 'Master Plan' has never been composed based on public input - it constantly changes according to the new commissioners and new directors. My suggestion: Erect noise reduction/privacy barriers to ensure no public access or noises disturb residents living next to parks
Open Link	District 2			Do something right for a change!!!
Open Link	District 2			We are in desperate need of lighted baseball and lacrosse/soccer fields for all ages. An indoor batting/sports facility also would be fantastic. If Austin Elementary is rebuilt on Dunwoody Park land, Dunwoody Senior baseball (and the travel teams run out of that facility) needs a new home before that happens.
Open Link	District 3	25-34	Yes	a bathroom at Windwood Hollow Park!
Open Link	District 3	25-34	Yes	Highlands Ranch, a suburb outside of Denver, has an AMAZING rec program for all residents. It is demographically very similar to Dunwoody and would be a great model to build after. After touring their facilities, ours look horrible, yet nothing compares. It truly brings families together and adds a sense of community and need for wellness.
Open Link	District 3	25-34	Yes	My family really enjoys having such great parks in our community. As someone who has seen the progress of parks and recreation facilities being added to our community, I can say that they have added a great value for us. They are a place where we can go to enjoy the beautiful natural environment, meet fellow Dunwoody residents and create new memories in a wonderful city. Thank you!
Open Link	District 3	25-34	Yes	thanks for doing this!
Open Link	District 3	25-34	Yes	We love the parks, playgrounds, and trails and use them several times per week! We also love all of the festivals and special events like Food Truck Thursdays. With some improved connectivity, sports fields, and a better theater scene, the parks and rec would be perfect!
Open Link	District 3	25-34	No	The city should look into recapturing and resurrecting the unused land, formerly a park, located at the end of

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				Laurelwood Rd. It seems that this land is unused and currently in the possession of the DeKalb County Water Works. This was a park at one time! There is a beautiful pond and what appears to be an old walking trail surrounding this pond it would be a terrific use of this dormant piece of property.
Open Link	District 3	25-34	No	The parks (Brook Run specifically) look great and seem pretty well maintained; however, there is nothing to actually do except for sitting in the grass, walking the paved trail (which is fairly high traffic so you can't bike or anything like that), and going to food trucks in the summer. I drive to East Roswell Park and Wills Park much more often than going to the park that is across the street from my house, because they provide activities like disc golf, tennis, softball, bocce, etc. Some activities like disc golf, bocce, frisbee, casual recreational games, etc. are very cost effective enhancements that would encourage people in the surrounding areas to come to our parks. There are no adult sports leagues for tennis, soccer, and others anywhere in Dunwoody, because there is nowhere to play sports. I have to go to surrounding cities like Roswell and Alpharetta in order to participate in outdoor sports and activities. Please just add things to do.
Open Link	District 3	35-44	Yes	Add ball fields to Brook Run
Open Link	District 3	35-44	Yes	I grew up in a city that had great sports & recreation leagues. In my opinion this is what Dunwoody is severely lacking. We all have to look to other cities for good quality sports leagues (Murphey Candler, Morgan Falls, Peachtree Corners or Roswell). It would be great to have these at home.
Open Link	District 3	35-44	Yes	In general I feel the baseball fields at Dunwoody Senior are in jeopardy, and I truly hope that they are either spared or moved. So many families have children who use these fields, and there is currently no other option in Dunwoody for baseball for boys of this age. It would be a shame to end this program, and is worth noting that the city has satisfied the wishes of residents who wanted such services as a dog park, skate park, and community garden. Surely, those of us who want something as basic as a ball field can also count on the city to help us realize this benefit.
Open Link	District 3	35-44	Yes	Other than a need for indoor athletics complex similar to the Suwannee sports complex that includes softball, basketball and aquatics
Open Link	District 3	35-44	Yes	Peachtree Middle has no reason to have the outdoor field space they currently have. They should keep the football field and it should be turfed. The other fields at Peachtree should be

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				a baseball field and a multiuse turf field for Lacrosse and Soccer. We are losing money to other cities because we have no programs available for youth soccer or Lacrosse in Dunwoody. These would generate significant revenue for the parks and rec budget.
Open Link	District 3	35-44	Yes	Please keep baseball fields! Dunwoody senior baseball is an important to our youth and since there are no baseball fields at the middle school. This is they only way our youth can participate and be prepared for high school. In addition it's a wonderful way for our turn to stay active and out of trouble.
Open Link	District 3	35-44	Yes	You took a facility that should have been a jewel and destroyed every building down to the last, which you are trying to destroy now. Destroy the theater and lose all my trust in your leadership. Please restore brook run to its former grandeur.
Open Link	District 3	35-44	No	Please make the parks beautiful.
Open Link	District 3	45-54	Yes	Appreciate the opportunity to weigh in. Am surprised to discover through completing this survey how little I know about what is available.
Open Link	District 3	45-54	Yes	Baseball and softball are important to my family. Dunwoody has only the indoor facility at the old Chamblee School. We got to MCLL now, DSB next year. Please keep the existing facilities at least whole. Both could easily expand significantly. Making either go away would be a real shame and loss for the children. In the end, it would be great if Dunwoody supported these sports in a more meaningful way. At least keep the current state whole. Thanks
Open Link	District 3	45-54	Yes	Continue adding trails and bike lanes in Dunwoody so they all connect.
Open Link	District 3	45-54	Yes	Due to the aging population of Dunwoody we need senior facilities in Dunwoody, Brook Run would be great place to have a senior facility. Next we need good indoor pool for the city of Dunwoody, no elements of temperature and all could enjoy year round. Make it a resident facility, non-residence pay another fee. Common sense....
Open Link	District 3	45-54	Yes	From what I have seen so far good decisions have been made. Keep up the good work.
Open Link	District 3	45-54	Yes	need more baseball parks and soccer fields and more bike trails like the green way trail
Open Link	District 3	45-54	Yes	The city should only spend money they have. Building new parks and facilities is needed, however not all needed at once. The city needs to focus on citywide initiative to improve quality of life outside of just parks.

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Open Link	District 3	45-54	Yes	There is a fair amount of traffic entering the park at the Peeler entrance — maybe commuters. There is no sidewalk on this road (the part that is inside the park) and a sidewalk would really be useful. It's unpleasant to dodge cars in a park.
Open Link	District 3	45-54	Yes	We would like to see a coherent plan for Winwood Park, particularly to include restrooms and landscaping.
Open Link	District 3	45-54	Yes	Work with the local schools to develop an after school program in our parks for the developmental disabled students in our community. They are in desperate need of programs to teach them how to make friends, learn to work with others and get physically fit. These kids need our attention.
Open Link	District 3	45-54	No	The work the city has done on Brookrun and Pernoshal Parks is truly amazing, and was a real selling point when looking for an Atlanta-area home as it showed the city's dedication to make good on its recent city hood. I feel a lot of traffic and parking issues could be reduced with a city-wide, interconnected trail system, especially across the Nancy Creek branch that borders Perimeter Center to the east. I also think it is extremely important that youth and teenagers have activities and options -- the skate park being an excellent example. Swimming pools are so prevalent in neighborhoods that building a city-owned pool might not be a good use of funds. Thanks for soliciting feedback from us, and keep up the fantastic work!! You've contributed greatly to the quality of Dunwoody and we look forward to the continued momentum.
Open Link	District 3	45-54		Finish what you have already started before starting something new.
Open Link	District 3	45-54		I am not a supporter of renovating the Brook Run theater. We already have Stage Door players and I think there is a better use for the space at Brook Run.
Open Link	District 3	45-54		I am not a supporter of renovating the current theater at Brook Run. The theater at Stage Door Players is not sold out and I am concerned who will handle the constant fundraising efforts to handle a new theater. Even if it is decided Dunwoody needs a new theater, Brook Run is not a good location. It is not near restaurants, coffee shops, etc.
Open Link	District 3	45-54		Make facilities available to the residents of Dunwoody Not for outsiders! Make apartment complexes/non property tax payers PAY for park facilities.
Open Link	District 3	45-54		Would like to see the parks more inclined to family and non competitive activities. Over use and over crowding major concern. Recreational use of open fields is fine, but if organized league sports are implemented they will ultimately

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				take over the park. Where we have installed basket ball courts make sure there are no lights so adjoining neighbors can maintain their sanity.
Open Link	District 3	55-64	Yes	If it isn't clear by now, I am 100% against renovating or rebuilding that building in Brook Run Park into an indoor theater. We should spend our existing tax money in a wiser and more prudent manner than to chase a boondoggle that is only supported (and likely will only be used) by a vocal (rich?) minority.
Open Link	District 3	55-64	Yes	The more I think about it I think a community center would be great. The MJCC encompasses much of what I'm looking for in parks & recs but they are a private group. It will be a duplication of efforts to have a community center like the MJCC but since they are private there is not really a way around that unless they are willing to open it up to everyone in the community. I like Lemonade Days. Would like to see concerts like Chamblee has on Friday evenings. Maybe at Brook Run, near the back of the park where people can sit on the grass (once it is planted)
Open Link	District 3	55-64	No	Brent and his team have done a wonderful job on the parks... not everything has to be passive. The skate park if it can't be managed full time, then it should be closed and filled in to create tennis or something else.
Open Link	District 3	55-64	No	Definitely opposed to single-use, fenced, lighted ball fields. There are other fields which could be shared. Additional fenced fields would cost too much in dollars and in green space, natural area, habitat, and other uses. I would support multi-use fields but not fenced or lighted or the use of chemicals..
Open Link	District 3	55-64	No	Keep up the good work! :)
Open Link	District 3	55-64	No	manage costs and avoid tax increases
Open Link	District 3	55-64	No	One place to find all info. Only found out about Chattahoochee Handweavers Guild a couple of years ago. If you don't subscribe to their newsletter you don't know what's going on easily. Provide support to Spruill so classes are less for city residents. They are very expensive compared to what I paid in Fairfax County for similar classes. Look at Fairfax County VA parks and recs. Yes, it's bigger and has a larger budget but it's the gold standard. I even took a class to learn how to rollerblade from them! And it was mostly adults on the class.
Open Link	District 3	55-64	No	The city deserves a signature park that is worthy of Dunwoody. Brook Run is a nice facility but after years of neglect, needs improved green spaces and landscaping.

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Open Link	District 3	55-64		Brook Run Park is GREAT! Brent and his team are doing a very good job overall. We regularly enjoy Food Truck Thursdays, walking the trails and the community garden. Keep up the good work.
Open Link	District 3	55-64		Do not pander to anyone who lobbies for their special interest just because they attend every meeting. Do not believe that petitions with many signatures represent the majority. Do not forget that Dunwoody of the future will not be like the present Dunwoody. It can be better! You need a Senior center so that all the old malcontents will have something - nice - to do. . .
Open Link	District 3	55-64		Encourage volunteer based recreational programs like D'wdy Sr. Baseball and Nature Center. If the facilities exist, you'll find groups in the community willing to give their time to make programs available to their neighbors.
Open Link	District 3	55-64		Enrichment classes. Senior exercise classes. Outdoor entertainment
Open Link	District 3	55-64		i love what has been done and can't wait to see more. Keep the sidewalks coming too...get us out of our cars!!!!
Open Link	District 3	55-64		Not in favor of the renovation of the arts center in Brook Run.
Open Link	District 3	55-64		Seek corporate sponsors/ underwriters. Leverage some commercial signage and email underwriting costs.
Open Link	District 3	55-64		Thank you soooo much for constructing, and continuing to connect, the trailway. How fantastic will it be in the future when one may be able to bike or walk to events, work, and shopping...
Open Link	District 3	55-64		We do NOT need to spend money on the Brook Run Theater...we need to focus on young people and making this a family friendly city
Open Link	District 3	55-64		Whatever improvements or additions are made please make sure parking is available.
Open Link	District 3	65-74	No	I love the way people are using the wonderful park at Brook Run! It is a friendly and happy place to be. Excellent planning!
Open Link	District 3	65-74	No	Thank you for asking for our comments/suggestions!
Open Link	District 3	65-74	No	The crier helps inform
Open Link	District 3	65-74		City needs to support the restoration of the Brook Run Theater. This is a public/private effort and needs support from City to maximize results.
Open Link	District 3	65-74		Considering how young the city is Parks and Rec have done a great job of expanding and are working very well with the community
Open Link	District 3	65-74		I am pleased with current facilities! Well done. Great to see Dunwoody Police patrolling parks.

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
Open Link	District 3	65-74		I ask the city council to think outside the dots about how to make this city a better place to live. LISTEN to the residents and help figure out ways to make it happen. No one wants to spend more money, but get creative and make it a better city for the people. It will pay off in the long run.
Open Link	District 3	65-74		Listen to the citizens.
Open Link	District 3	65-74		Need enhanced website for park information. Cannot even for no an adequate map of the trail at Brooke Run on site.
Open Link	District 3	65-74		Please be creative and have vision when creating a new master plan for the City. Dunwoody has tremendous potential. We have the opportunity to preserve our past, while making great progress into an even better future.
Open Link	District 3	65-74		Want to keep Brook Run as passive as possible. Love the garden, playground, trails. Skate park should never have been allowed. I think Tree Top Quest has turned out okay. I have 5 grandsons who play baseball and tennis, but I think adding that to Brook Run will destroy the nature of the place.
Open Link	District 3	65-74		We have neighborhood pools and recreation facilities with churches and AJCC. We need to have more parks with green space and maintain what we have.
Open Link	District 3	75+	Yes	DO NOT DESTROY THE THEATER BUILDING AS IT IS A TREASURE AND SHOULD BE RENOVATED AND PRESERVED!!!!!!!
Open Link	District 3	75+	No	Even though I am a senior citizen, I think that offering sports and recreation programs for young families is the best way to encourage them to live and work in Dunwoody!
Open Link	District 3	75+	No	How about grants- we need a person to write grants and research available grants too much concentration on sports.our minds need to grow!!
Open Link	District 3	75+	No	no theater in brook run
Open Link	District 3	75+		Do not be so quick to tear down the Brook Run Theater. This facility is a treasure and studies show that it should be restored. There is a need and support for that need. Support the Brook Run Conservancy's effort in restoring the facility. \$1.5 million of the negotiated \$4 million settlement with DeKalb should be used to restore the building.
Open Link	District 3	75+		Since this survey was described as 'Parks and Recreation' it is difficult for the participant to think in terms of arts and culture without having an understanding of the issues and needs of the community. Many people are not aware of a theatre's existence at Brook Run Park and the potential of restoring that facility at an attractive cost to the community. The survey should have in two parts: 1) recreation and parks; and, 2) cultural and performing arts. In structuring the survey

Invitation/ Open Link	Area	Age	Kids	Do you have any additional comments or suggestions that you would like to offer regarding parks and recreation facilities, services and programs in the City of Dunwoody?
				this way the survey would have been taken within the proper context. The city has invested wisely in improving the parks, especially the multi-purpose trails; however, it is time to start investing in areas that meet the needs of the seniors that represent over 15% of our population.
Open Link	District 3			I am very happy and proud of the parks available to me. Keep up the good work!
Open Link		45-54	Yes	please remove the dog park. It is terrible for the environment and danger to kids
Open Link		65-74		Parks should have a walking and relaxing nature-enjoyment priority with dog friendly facilities.
Open Link				We need our green space!
