

## **MEMORANDUM**

**To:** Mayor and City Council

**From:** Mindy Sanders, Capital Projects Manager

**Date:** November 14, 2016

**Subject:** **Resolution to Establish a Traffic Calming District – North Peachtree Road**

---

### **ITEM DESCRIPTION**

The purpose of this Resolution is to establish a Traffic Calming District, and authorize the installation of Traffic Calming in Land Lots 310 and 339 of the 6th District and Land Lots 370 and 372 of the 18<sup>th</sup> District on North Peachtree Road between Davantray Drive and Mount Vernon Road.

### **BACKGROUND**

The residents along North Peachtree Road approached the city with an initial petition for traffic calming measures to address the excessive speed of vehicles traveling along this neighborhood corridor with a posted speed of 25 mph. The city's current policy requires for an 85<sup>th</sup> percentile speed to be 11 mph or more over the posted speed in order for a street to qualify for traffic calming. A traffic study measured the 85<sup>th</sup> percentile speed on North Peachtree Road north of Davantray Drive at 36 mph, making this section of the corridor eligible for traffic calming measures.

A community meeting was held on June 7<sup>th</sup> to provide information about the process, discuss alternative traffic calming measures, and gain input from the residents within the affected area. The resulting concept, designed by Calyx Engineering, consists of seven (7) traffic median splitter islands, a neighborhood traffic circle located at Saffron Drive, and outer lane edge striping along the entire road length. This concept is designed to slow traffic speeds to the posted speed limits without the use of speed tables, which was a desire expressed by many of the residents.

The final petition process, based on the proposed concept, was conducted by the residents. The neighborhood returned the completed petitions within the required 90 days and the Public Works Staff has verified the owners and signatures on the petition. With 85 of the 116 affected households signing the petition in favor of this concept, the percentage of households (73%) in support of the proposed traffic calming measures exceeds the 65% minimum required to establish the traffic calming district.

### **RECOMMENDED ACTION**

Staff recommends approval of the Resolution to establish a Traffic Calming District and authorize the installation of the traffic calming in Land Lots 310 and 339 of the 6th District

## PETITION PROCESS ON THE OTHER SIDE

### CITY OF DUNWOODY TRAFFIC CALMING TRAFFIC CALMING PETITION AND COVER LETTER

The objective of the City of Dunwoody Traffic Calming Program is to provide property owners a means of addressing speeding related problems in their communities. This petition provides that the opportunity for the attached area, determined to be the “affected area”. The City’s program provides a process by which traffic calming measures such as speed tables, bike lanes, center traffic islands, splitter islands, and striping can be implemented on the City-maintained neighborhood roads. Engineering studies must support the desired results and 65% or more of the affected property owners must favor the installation.

### THE PETITION PROCESS

To have Speed Tables or a combination of other active traffic calming measures installed in a City of Dunwoody neighborhood, a completed petition must be submitted to the City of Dunwoody Public Works. All affected property owners in the subdivision should be contacted by the stakeholder(s) or liaison and given an opportunity to sign this petition indicating a **yes** or **no** response to traffic calming. Unless the property is undergoing a change of ownership (documentation needed), a wife’s or husband’s signature alone will not be acceptable if that person is not the legal homeowner. If **both** husband and wife are joint legal owners, **both** signatures are required (a **Mr. & Mrs.** signature is not acceptable; owners must sign individually). **ALL PROPERTY OWNERS OF RECORD MUST SIGN THE PETITION.** This also applies to owners of undeveloped lots. Rental tenants are not an acceptable substitute for the legal homeowner. All valid signatures must be on the official traffic calming final petition form. Any other deviations will be an invalid part of the final petition certification process. Witness signatures are required to verify property owners’ signatures. The determining percentage will be calculated based on individual lots where owners sign affirmatively, divided by the total number of lots in the **Affected Area**. Homeowners representing 65% or more of the affected properties must vote in favor of traffic calming measures before petitions can be presented to the Board of Commissioners. **For subdivisions not completely built out**, a minimum of 80% of the total units must be occupied before a petition for the installation of speed tables will be considered.

**Removal of Previously Installed Traffic Calming Measures** can proceed if the City is presented a petition requesting removal. At least 65% of the property owners must vote in favor of removal. Rules governing the signing of the petition and procedure for calculating approval percentages are the same as those used in the installation approval process. Such a petition for removal will only be considered after a period of at least **one year** after installation.

Completed petitions must be signed, witnessed, and returned to this office where signatures will be verified using tax records and land lot maps. Petitioners will have **90 days** from the date of the announced proposal to submit the petition; otherwise the proposal will be automatically rejected. Petitions meeting verification and qualification requirements will be presented to the Board of Commissioners. A public hearing will be announced and the Board of Commissioners will approve or disapprove all qualifying petitions at that time.

### ADDITIONAL INFORMATION

The installation of traffic calming measures will not be considered final until the measures are inspected by Traffic Calming for compliance with design specifications. Annual maintenance charges will be added to the property tax bills at the end of the year in which the measures are installed. Each platted lot in the affected area, whether developed or not, will be subject to the assessed charges. A yes or no vote can NOT be changed, removed, or altered after the petition has been received or stamped by the City Traffic Calming.

**INFORMATION CONTAINED ON THIS PETITION MAY BE SUBJECT TO DISCLOSURE IN ACCORDANCE WITH THE OPEN RECORDS LAW, O.C.G.A. CODE SECTION 50-18-70.**

RETURN COMPLETED PETITIONS TO:	City of Dunwoody Public Works Department 41 Perimeter Center E. Suite 250 Dunwoody, GA 30356

## CITY OF DUNWOODY TRAFFIC CALMING PETITION

STREET NAME  
PAGE 11 OF 27

The undersigned property owners understand the purpose of this petition and hereby accept or reject, as indicated herein, the proposal being presented. It is further understood that an acceptance of 65% or more of property owners in the affected area on this petition, indicated by the number of "yes" votes, signifies approval for the City of Dunwoody to implement a proposed measure. This approval and selection of a particular measure allows the City to assess annual maintenance charges for the installed measure(s) to all property designated to be in the "Affected Area" upon the approval of this petition by the Board of Commissioners.

The undersigned property owners understand the purpose of this petition and hereby accept or reject, as indicated herein, the proposal being presented. It is further understood that an acceptance of 65% or more of property owners in the affected area on this petition, indicated by the number of "yes" votes, signifies approval for the City of Dunwoody to implement a proposed measure. This approval and selection of a particular measure allows the City to assess annual maintenance charges for the installed measure(s) to all property designated to be in the "Affected Area" upon the approval of this petition by the Board of Commissioners.

STATE OF GEORGIA  
CITY OF DUNWOODY

**RESOLUTION 2016-XX-XX**

**A RESOLUTION PROVIDING FOR THE INSTALLATION OF TRAFFIC CALMING MEASURES (SPEED TABLES) ON NORTH PEACHTREE ROAD AND THE ASSESSMENT OF THE ANNUAL COST OF MAINTAINING SAID TRAFFIC CALMING MEASURES ON THE AFOREMENTIONED RESIDENTIAL STREET.**

**WHEREAS,** Article IX, Section II, Paragraph VI, of the Constitution of the State of Georgia of 1983 authorizes and empowers the City Council of the City of Dunwoody, Georgia to establish special tax districts, in as such as this resolution creates said district for the purpose of constructing, erecting, establishing, and maintaining traffic calming measures on residential streets in the City of Dunwoody, and to levy a special assessment or tax against all property designated to be affected by these functions; and

**WHEREAS,** Chapter 17 (Traffic and Public Roadways), Article 5 (Traffic Calming Measures) authorizes and empowers the City Council, City of Dunwoody, Georgia to approve the measures contemplated herein; and

**WHEREAS,** the owners of sixty-five (65) percent or more of the property within the Traffic Calming District **16-01** have petitioned the City Council, City of Dunwoody, Georgia for the installation of traffic calming measures.

**NOW, THEREFORE, BE IT RESOLVED,** by the City Council, City of Dunwoody, Georgia, as the governing body of said City, that there be and there is hereby created and established within the area of the City of Dunwoody, Traffic Calming District Number **16-01**, for the purpose of constructing, erecting, establishing, and maintaining traffic calming measures (speed tables) to reduce speeding on residential streets, and ways therein, located in Land Lots 310 and 339 of the 6<sup>th</sup> District and Land Lots 370 and 372 of the 18<sup>th</sup> District of DeKalb County, Georgia, consisting of all or portions of property on the following streets, **North Peachtree Road, Davantry Drive, Waterton Court, North Peachtree Way, Starcross Court, and Saffron Court**, as more particularly shown and delineated on the map entitled "Traffic Calming District: 16-01", which map is attached hereto and made part of this resolution by reference; and

**BE IT FURTHER RESOLVED** that the boundaries of said district as enumerated on said map as the affected area be the same and hereby

STATE OF GEORGIA  
CITY OF DUNWOODY

**RESOLUTION 2016-XX-XX**

established as shown and delineated on said map as full and complete as if the legal description of the courses, distances, and boundaries of said district were fully set forth herein, and

**BE IT FURTHER RESOLVED** that the annual maintenance cost and charges shall not exceed \$25.00 per property owner, and shall be a lien upon the abutting property annually FROM January 1<sup>st</sup> next and continuing each year through the life of the traffic calming measures (speed tables), however, that said annual maintenance charges may be increased or decreased by the City Council to reflect changes in operating and maintenance costs, and

**IT IS DIRECTED** that a copy of this resolution be transmitted to the Tax Commissioner of DeKalb County, Georgia for the collection of any and all taxes and/or special assessments and/or service charges which may be imposed against any and all businesses, residents, and property served by said facilities.

**SO RESOLVED** by the City Council of City of Dunwoody, Georgia this \_\_\_\_ day of \_\_\_\_\_, 2016.
