

MEMORANDUM

To: Mayor and City Council

From: Mindy Sanders, Capital Projects Manager

Date: April 11, 2017

Subject: **Resolution to Establish a Traffic Calming District – North Peachtree Road**

ITEM DESCRIPTION

Staff seeks to rescind Resolution 2016-11-34 and gain approval of a corrected Resolution to establish a Traffic Calming District, and authorize the installation of Traffic Calming in Land Lots 310 and 339 of the 6th District and Land Lots 370 and 372 of the 18th District on North Peachtree Road between Davantry Drive and Mount Vernon Road.

BACKGROUND

Resolution 2016-11-34 to establish this Traffic Calming District was adopted by City Council on November 24, 2016. Staff requests this resolution be rescinded and an updated Resolution be adopted for this same purpose. The updated Resolution better defines the parcels to be included in this Traffic Calming District by referencing a map entitled "Traffic Calming Study North Peachtree Affected Area" and defines the traffic calming measures to be installed by referencing the attachment entitled "North Peachtree Road Traffic Calming Measures". The action is only intended to provide clarity to the previous resolution. It will not affect the petition process or the number of parcels who participated in this process to become this traffic calming district.

RECOMMENDED ACTION

Staff recommends that Resolution 2016-11-34 be rescinded and the attached Resolution to establish a Traffic Calming District and authorize the installation of the traffic calming in Land Lots 310 and 339 of the 6th District and Land Lots 370 and 372 of the 18th District on North Peachtree Road between Davantry Drive and Mount Vernon Road.

These traffic calming measures are scheduled to be installed later this year after North Peachtree Road is resurfaced.
