Date: April 27, 2020
Subject: **Renewal of Property and Casualty Insurance May 1, 2020 through April 30, 2021**

The City currently has Workers Compensation Insurance with Travelers Insurance; it is a requirement that we also carry our Property and Casualty Insurance with them as well. The renewal rate is 14% higher than the 2019 premium; we have experienced high losses in the automobile category. We are recommending the renewal of the policy with Travelers. The City's current broker is Partners Risk. The expense for the 2020 year remains within the current budget constraints.
