Subject: Not for Profit Grant Amendment Revision

Mayor and Council have appropriated $100,000 in four $25,000 allotments for additional funding to not-for-profits who have expended their initial $50,000. iCare Atlanta has now expended their full $50,000 and staff is recommending an additional $25,000.

Staff recommended two changes: (a) that iCare Atlanta be allowed to let their funding be used for the continuation of any of their programs serving the local community and (b) if the remaining four grantees expend their $50,000, staff will come back to Mayor and Council with a contract amendment and a budget amendment, if warranted.

Recommendation

To amend the iCare Contract and have the Mayor execute all documents necessary and proper for them. No budget amendment is necessary.
