

To: Mayor and City Council

From: Rachel Waldron, Parks and Recreation Director

Date: January 22, 2024

Re: Approval of a Contract for Shade Structures at Two Bridges Park

### **Action**

Contract approval for the installation of shade structures at Two Bridges Park playground and splashpad.

### **Summary**

The City received a quote from a qualified vendor for the design and installation of shade structures over the playground and splashpad at Two Bridges Park. The vendor was asked to provide options and the cost for the manufacturing and installation based on pricing from a local government cooperative purchasing contract.

Their submittal is for shade sails that will provide ample shade to the playground equipment and splash pad at a cost of \$252,220. An example is attached to this memo along with the quote submitted by the vendor. The colors depicted in the design is for reference only.

### **Recommendation**

Staff respectfully requests that Council: (1) approve a contract for the manufacturing and installation of shade structures at Two Bridges Park to Superior Recreational Products with a 10% contingency for a total not to exceed \$277,442. Funding for the project will come from the Capital Fund. (2) authorize staff to provide funding for the contracts; and (3) authorize the City Manager to execute the necessary documents following satisfactory review by legal counsel.
