MEMORANDUM

To: Mayor and City Council

From: Michael Smith, Public Works Director

Date: October 14, 2025

Subject: **Approval of a Contract with Big Apple Services for Traffic Sign Replacement**

ACTION

Authorize the Mayor, City Manager, or designee to execute all documents necessary and proper for a contract with Big Apples Services not to exceed \$300,000 to replace traffic signs.

SUMMARY

Traffic signs require periodic replacement to maintain visibility at night. This year the city is planning a larger sign replacement project using \$200,000 of supplemental Local Maintenance & Improvement Grant (LMIG) provided by the state. In previous years Public Works has completed smaller sign replacements utilizing the city's on-call sign and signal maintenance contractor. For the large replacement planned this year, Public Works has determined that it would be more advantageous to establish a unit-price contract specifically for bulk sign replacement. The City of Brookhaven advertised a competitive bid for sign replacement and awarded a contract to Big Apple Services, Inc. in October of 2024. The contract provides unit prices for installation of each type of sign and Big Apple, who has also installed signs for Dunwoody, has agreed to provide the same unit prices for Dunwoody.

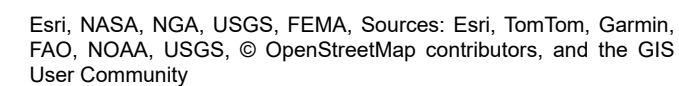

Dunwoody's purchasing policy allows for direct negotiation with a vendor that has a contract with any public entity provided that the vendor offers prices to Dunwoody that are no less favorable than those set forth in such contract. The proposed contract between Big Apple and Dunwoody would be for one year using Year 2 unit prices in the Brookhaven bid with a not to exceed amount of \$300,000. The funding would consist of \$200,000 from LMIG funds for sign replacements in 2025 and \$100,000 from the 2026 Public Works road repairs and maintenance account in the General Fund budget for 2026 sign replacements. A map is attached of areas of previous sign replacement and the streets and neighborhoods proposed for the 2025 replacement.

RECOMMENDED ACTION

Authorize the Mayor, City Manager, or designee to execute all documents necessary and proper for a contract with Big Apples Services not to exceed \$300,000 to replace traffic signs.
