MEMORANDUM

To: Mayor and City Council

From: Michael Smith, Public Works Director

Date: December 1, 2025

Subject: Speed Limit Adjustments for Speed Detection Device Permit Renewal

ACTION

Discuss proposed speed limit changes for the city's speed detection device permit renewal.

SUMMARY

The city's permit to enforce speed limits using detection devices such as radar will expire in December 2026. As part of the renewal process the city is required to submit a list of roads and corresponding speed limits for approval by the Georgia Department of Transportation (GDOT). In accordance with state law, GDOT requires the local jurisdiction to perform an engineering and traffic investigation to support proposed changes to established speed limits. The factors considered in the engineering study include the roadway environment, roadway alignment and grade, sight distance, geographic context, crash history and speed distribution

The following proposed speed limit changes are supported by recent studies.

Road	From	To	Current Limit	Proposed Limit
Ashford Dunwoody Rd	I-285	Perimeter Ctr W	45	35
Ashford Dunwoody Rd	Perimeter Ctr W	Mount Vernon Rd	45	40
Chamblee Dunwoody Rd	Womack Rd	Roberts Dr	35	30
Crown Pointe Pkwy	Perimeter Center W	Meadow Lane Rd	35	30
Meadow Lane Rd	Crown Pointe Pkwy	Perimeter Ctr N	Varies	30
Perimeter Center N	Ashford Dun. Rd	Asbury Square	Unlisted	30
Vermack Rd	Chamblee Dun. Rd	Mount Vernon Rd	35	30
Winters Chapel Rd	City Limit	City Limit	40	35
Womack Rd	Chamblee Dun. Rd	Tilly Mill Rd	35	30

At the request of the City Council, Peeler Road east of Tilly Mill was also evaluated by an external team and internally. Neither evaluation was able to establish justification for a lower speed under current conditions. However, the proposed traffic calming features and multi-modal improvements planned with the Peeler Road Path should support a 30-mph speed limit when completed.

In addition to the proposed speed limit reductions, the following school zone adjustments are recommended:

4800 Ashford Dunwoody Road
Dunwoody, Georgia 30338
dunwoodyga.gov | 678.382.6700

- Austin Elementary- Shift school zones south on Chamblee Dunwoody and Roberts to reflect new location of school.
- Dunwoody Elementary- Extend the school zone 400 feet west for better visibility

DETAILS

At the City Council's direction, Dunwoody Police will submit an updated list of roads to the state for approval of the new speed detection permit. The list of roads for the existing permit is attached to this agenda item.

Upon issuance of a new permit, Public Works will change out speed limit signs for roads that the state approves for speed limit changes. Permits are issued for 3 years but may be updated at any time. Proposed changes to the list of roads require the signature of the governing authority.

Following is the regulatory framework by which the city can set speed limits and conduct enforcement using speed detection devices:

Setting Speed Limits

- The Official Code of Georgia (O.C.G.A.) Section 40-6-181 establishes a maximum statutory speed of 55 mph for all roads except divided highways.
- Code Section 40-6-183 allows the city to lower speed limits when it is supported by an engineering and traffic investigation but in no case can the limit be lower than 25 mph on a public roadway.
- Section 32-6-50 requires the Georgia Department of Transportation (GDOT) to promulgate uniform regulations for signs and other traffic control devices and for counties and municipalities to conform with those regulations.
- GDOT has adopted the Federal Highway Administration's Manual on Uniform Traffic Control Devices (MUTCD) as the standard for traffic control devices. The MUTCD also requires speed limits other than statutory limits to be established based on an engineering study.

Speed Detection Device Enforcement

- O.C.G.A. Sections 40-14-2 gives local jurisdictions the authority to conduct speed enforcement using detection devices such as radar if a permit is obtained from the Georgia Department of Public Safety.
- Section 40-14-3 requires GDOT to approve the speed limits proposed to be enforced under the permit.

RECOMMENDED ACTION

Authorize the Mayor, City Manager, or designee to submit an updated list of roads with the proposed speed limit changes for renewal of the city's speed detection device permit.

LIST NUMBER 07-2020-01

The City of Dunwoody is hereby requesting that the following roadways be approved for the use of speed detection devices:

LIST OF ROADWAYS
for
CITY OF DUNWOODY

ON-SYSTEM

STATE ROUTE	WITHIN THE CITY / TOWN LIMITS OF and/or School Name	FROM	MILE POINT	TO	MILE POINT	LENGTH IN MILES	SPEED LIMIT
** 407 I-285 **	DUNWOODY	Fulton County Line (E. Sandy Springs City Limits) (W. Dunwoody City Limits)	27.60	0.22 mi. west of S.R. 141 (Peachtree Industrial Boulevard) (E. Dunwoody City Limits) (W. Doraville City Limits)	31.16	3.56	65

****State Route 407 (I-285)****

This segment of roadway will have a maximum speed limit of 65mph, varying from 35mph to 65mph based on roadway conditions, including congestion.
