

MEMORANDUM

To: Mayor and City Council
From: Mike Carlson, Chief of Police
Date: January 26, 2026

Subject: Renewal of Technology Partnership Agreement with PCID

ACTION

Authorize the mayor, city manager, or designee to sign the technology partnership agreement with PCID.

BACKGROUND/SUMMARY

In 2024, the City entered into a technology partnership agreement with the Perimeter Community Improvement District (PCID) to fund the installation and operation of gunshot detection systems, live-view cameras, and license plate readers to enhance public safety. The initial agreement has successfully deployed these technologies throughout the City of Dunwoody. PCID has agreed to a two-year renewal of the agreement, which is fully funded through the PCID partnership. The renewal will continue the operation and maintenance of the existing gunshot detection, live-view cameras, and license plate reader systems.

Additionally, PCID has committed increased funding to support the installation of additional DFR (Drone as First Responder) coverage, addressing evolving public safety needs. This creates no fiscal impact to the City's General Fund. The agreement is fully funded by PCID.

RECOMMENDATION

Staff recommend the City Council approve the MOU and authorize the mayor, city manager, or designee sign it. The MOU has been reviewed by legal.

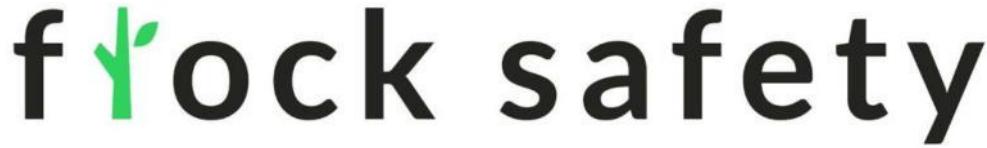

Flock Safety + GA – City of Dunwoody
