MEMORANDUM

To: Mayor and City Council

From: Michelle Hirose, Deputy Public Works Director

Date: February 23, 2026

Subject: **Resolution of Commitment to Provide Local Matching Funds for Federal Funding Requested for the Winters Chapel Road Path Phase 2 Project**

ACTION

Authorize the Mayor, City Manager, or designee to execute all documents necessary and proper for a Resolution of Commitment to provide local matching funds for federal funding requested for the Winters Chapel Road Path Phase 2 project.

SUMMARY

The Atlanta Regional Commission (ARC) is seeking applications for projects to receive federal funding through the Transportation Improvement Program (TIP). ARC will select eligible projects through a competitive process. As part of the funding application, the city must provide a resolution demonstrating its commitment to supplying local matching funds.

DETAILS

Public Works staff recommends applying for additional federal funding for a project already in the city's Capital Improvement Program and included in the regional Transportation Improvement Program (TIP). The funding request will be for \$800,000 for the Right of Way phase and \$1,700,000 for the Construction phase of the Winters Chapel Path Phase II project. Since this is an existing project that is already budgeted in the CIP, the required local matching funds will not require any additional financial commitment from the city. Any federal funds received will replace city funds that are currently needed to complete the project.

RECOMMENDED ACTION

Authorize the Mayor, City Manager, or designee to execute all documents necessary and proper for a Resolution of Commitment to provide local matching funds for federal funding requested for the Winters Chapel Road Path Phase 2 project.
