Re: Networking Infrastructure Maintenance Contract Renewal
Date: 3/23/2026

Action

Approval of funding and authorize the Mayor, City Manager, or designee to execute all documents necessary to renew the City's Networking Infrastructure Maintenance agreement through PC Solutions & Integration under the State of Georgia contract #99999 SPD T20120501 014A, in a not to exceed amount of \$284,575.39 (vendor quote \$263,495.73 plus an 8% contingency for additional equipment anticipated support needs).

Summary

The Network Infrastructure Maintenance Agreement is up for renewal; this was budgeted in General Fund (Repairs and Maintenance): 100-1535.522200.00.

Staff requests Council approval of a not to exceed amount to cover the quoted renewal plus an 8% contingency to address possible additional equipment and/or related maintenance/support coverage that may be required during the renewal term.

- Vendor quote (3 year): \$263,495.73
- 8% contingency: \$21,079.66
- Requested not to exceed: \$284,575.39

Details

Network Infrastructure requires continuous maintenance coverage; this renewal maintains manufacturer support and subscription services required for security and operability, including items reflected in the renewal documentation such as:

- 24x7 support,
- firmware & general updates,
- and security services

Procurement / Contract Vehicle: PC Solutions & Integration utilizing State of Georgia Networking Equipment and IT Infrastructure Products Contract #99999 SPD T20120501 014A

Term / Funding / Opt Out (O.C.G.A. § 36 60 13 framing)

This item is presented as a multi year renewal for operational continuity, however, the City will not be obligated beyond funds appropriated and budgeted for each fiscal year. This quote has been processed through the City's Procurement Department.

This document was generated with assistance from GovAI and verified by a human.

Recommendation

Approve the Action as stated to maintain uninterrupted vendor support, subscription services, and update eligibility for the City's critical networking/security infrastructure and authorize the Mayor, City Manager, or designee to execute all required documents and approve change orders within the contingency.
