

MEMORANDUM

To: Mayor and City Council
From: Mike Carlson, Chief of Police
Date: March 23, 2026
Subject: **Approval to Purchase Ballistic Windshields**

ACTION

Authorize the mayor, city manager, or designee to allow the purchase of ballistic windshields for all marked patrol vehicles.

BACKGROUND/SUMMARY

I am requesting approval to purchase ballistic windshields for our patrol vehicles to enhance officer safety and improve our ability to respond to critical events.

Across the country, law enforcement officers are increasingly encountering situations involving firearms and high-risk engagements, such as the one in DeKalb County last year. During many of these incidents, officers rely on their patrol vehicles for mobility and limited cover. Standard vehicle windshields, however, provide no ballistic protection and can easily be penetrated by gunfire, placing officers at significant risk while responding to or managing dangerous situations.

This upgrade aligns with our ongoing commitment to equip our personnel with the tools necessary to perform their duties safely and effectively.

RECOMMENDATION

Staff recommend the City Council approve the purchase of ballistic windshields for \$245,986.43
