## **MEMORANDUM**

**To:** Mayor and City Council

**From:** Michael Smith, Public Works Director

**Date:** April 13, 2026

**Subject:** **Funding Authorization for Ridgeview Road Improvements**

---

### **ACTION**

Authorize the Mayor, City Manager, or designee to provide up to \$190,000 for Autaco to construct roadway and sidewalk improvements on Ridgeview Road near Manoah Court.

### **SUMMARY**

There is a short section of Ridgeview Road near Manoah Court that has a substandard pavement width and a 300-foot gap in the sidewalk. The city has designed road and sidewalk improvements to be consistent with the rest of Ridgeview Road. The construction will consist of site grading, a short retaining wall, curb and gutter, and sidewalk. Autaco has provided a construction estimate of \$172,132 based on unit prices in their existing on-call contract with the city. After Autaco completes their work, all of Ridgeview Road will be repaved as part of the 2026 paving contract. The proposed cost plus a 10% construction contingency is within the \$250,000 budget allocated in SPLOST for this project (SP124-1849).

### **RECOMMENDED ACTION**

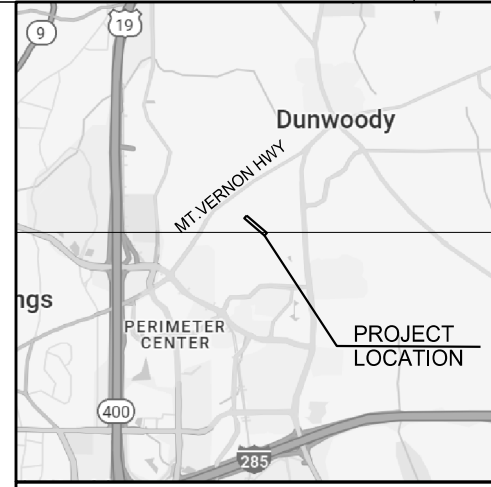

Authorize the Mayor, City Manager, or designee to provide up to \$190,000 for Autaco to construct roadway and sidewalk improvements on Ridgeview Road near Manoah Court.
