

MEMORANDUM

To: Mayor and City Council

From: Mike Carlson, Chief of Police

Date: July 13, 2026

Subject: Intergovernmental agreement (IGA) between City of Dunwoody and Chattahoochee River 911 Authority.

ACTION

Authorize the mayor, city manager, or designee to approve the IGA between the City of Dunwoody and the Chattahoochee River 911 Authority.

BACKGROUND/SUMMARY

The IGA is with the Chattahoochee River 911 Authority. The Dunwoody Third Amendment extends the Term of the Agreement and amends the Compensation portion of the Agreement to provide Dunwoody with 911 communication services on a subscription basis. The Term of Agreement commences on May 1, 2026, and terminates at 2400 hours on September 1, 2027 (Initial Term). Following Initial Term, Agreement will automatically continue (renew) on an annual basis unless terminated 6 months in advance of the renewal date. Contract cannot last longer than 50 years from the initial commencement date of August 1, 2011. This is in accordance with GA Law Art. IX. III, Par. 1 of the Constitution of the State of Georgia.

Compensation, effective July 1, 2026. Dunwoody pays the Authority annually in twelve (12) equal monthly installments for each year as a member. Agrees to pay monthly installments no later than fifteen (15) days after the date of the invoice for service. Talks about failure to meet obligations. No capital outlay requirements unless directed solely to the benefit of Dunwoody. The Dunwoody agreement is a standalone one. No effect on other members. Also, does not affect the separate agreement between City of Brookhaven and Dunwoody related to Computer Aided Dispatch Integration with DeKalb 911 for Fire and Emergency Medical Services.

RECOMMENDATION

Staff recommend the City Council approve the IGA agreement.

THIRD AMENDMENT TO AMENDED AND RESTATED AGREEMENT

THIS THIRD AMENDMENT (“Third Amendment”) to that certain Amended and Restated Agreement dated April 30, 2020 by and between THE JOINT PUBLIC SAFETY AND JUDICIAL FACILITIES AUTHORITY for the CITIES OF SANDY SPRINGS, GEORGIA and JOHNS CREEK, GEORGIA d/b/a CHATTAHOOCHEE RIVER 9-1-1 AUTHORITY (the “Authority”), a statutorily created entity by the Cities of Sandy Springs and John Creek, acting by and through its duly appointed Authority Board Members, and IXP CORPORATION, a Delaware corporation (the “Contractor”), the Authority and the Contractor being referred to herein singularly as a “Party” and collectively as the “Parties”, is entered into by the Parties as of the date it shall have been executed below (the “Effective Date”).

WHEREAS, the Parties entered into that certain Amended and Restated Agreement between the Joint Public Safety and Judicial Facilities Authority for the Cities of Sandy Springs, Georgia and Johns Creek, Georgia d/b/a Chattahoochee River 9-1-1 Authority (ChatComm) and IXP Corporation dated April 30, 2020 (the “Original Amended and Restated Agreement”); and

WHEREAS, the Original Amended and Restated Agreement was amended by that certain First Amendment to Amended and Restated Agreement executed by Contractor on or about July 28, 2020 and executed by the Authority on or about August 9, 2020 (the “First Amendment”) and by that certain Second Amendment to Amended and Restated Agreement executed by the Authority on May 17, 2021 and executed by the Contractor on May 18, 2021 (the “Second Amendment”) (the Original Amended and Restated Agreement, as amended by the First Amendment and Second Amendment, is hereinafter referred to as the “Agreement”); and

WHEREAS, pursuant to Section 6.1 of the Agreement, the Term of the Agreement will expire on August 31, 2024; and

WHEREAS, the Parties desire, pursuant to Section 6.1 and by way of this Third Amendment, to extend the Term of the Agreement and to further amend the Agreement as set forth herein.

NOW THEREFORE, in consideration of the mutual covenants and conditions set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Authority and Contractor do hereby amend the Agreement and agree as follows:

I. AMENDMENT TO SECTION 4(b): Section 4 of the Agreement entitled “Notices” is amended and replaced to update the Contractor’s mailing address as follows:

If to Contractor: IXP Corporation
Lawrence D. Consalvos, President/COO
150 College Road West, Suite 200
Princeton, NJ 08540

With copies to: Legal
150 College Road West, Suite 200
Princeton, NJ 08540

II. AMENDMENT TO SUB-SECTION 6.1: Sub-section 6.1 of the Agreement entitled “Initial Term” is deleted in its entirety and replaced with the following:

“6.1. Initial Term. The initial term of this Agreement commenced on January 9, 2009 and shall continue until August 31, 2029. This Agreement is subject to the parties’ right to terminate for cause or convenience as described in Section 26. The Parties may extend the Term of this Agreement by mutual written agreement.”

III. AMENDMENT TO SCHEDULE A, SECTION 3: Schedule A entitled “Statement of Work”, Section 3 entitled “Technology” of the Agreement is deleted in its entirety and replaced with “SCHEDULE A (AMENDED)-STATEMENT OF WORK”, attached hereto and incorporated herein by reference.

IV. AMENDMENT TO ATTACHMENT A-1: Attachment A-1 to the Agreement entitled “Scope of Work for Planned Task Order Based Services” is deleted in its entirety and replaced with “ATTACHMENT A-1 (AMENDED)- SCOPE OF WORK FOR PLANNED TASK ORDER BASED SERVICES”, attached hereto and incorporated herein by reference.

V. AMENDMENT TO SCHEDULE C: Schedule C of the Agreement entitled “Pricing and Payment” is deleted in its entirety and replaced with “SCHEDULE C (AMENDED)- PRICING AND PAYMENT”, attached hereto and incorporated herein by reference.

VI. AMENDMENT TO SCHEDULE B: Schedule B to the Agreement is amended to read as follows:

“B. The section titled “9-1-1 Emergency Call Answering Performance” in Schedule B to the Agreement, is deleted and replaced with the following:

The National Emergency Number Association (NENA) recommends that 90% of all 9-1-1 calls arriving at the Public Safety Answering Point (PSAP) shall be answered within 15 seconds; 95% of all 9-1-1 calls should be answered within 20 seconds. The application of the standard shall begin at the time of call arrival and extend to the time of call answer at the point when two-way communication can begin.

The interval between Call Arrival and Call Answer should be evaluated, for each preceding month using a full month of data. Determining if the PSAP has successfully met the call interval metric of 90% in 15 seconds (and 95% in 20 seconds), should be based upon the one-month evaluation.

This metric will be measured through standard traffic and performance reports out of the 9-1-1 telephone switch and reported on a monthly basis to the Authority.

The tracking of this metric is incumbent that the technology in the Communications Center can provide this data for analysis.”

VII. GOVERNING LAW.

This Third Amendment shall be governed in all respects by the laws of the State of Georgia.

VIII. ENTIRE AGREEMENT.

The Agreement, as amended by this Third Amendment, constitutes the entire Agreement between the parties with respect to the subject matter contained herein. To the extent any inconsistencies exist between the terms and conditions of this Third Amendment and the terms and conditions of the Agreement, the terms and conditions of this Second Amendment will prevail. Neither party has relied on any representation, promise, nor inducement not contained herein.

IX. SEVERABILITY.

The terms and provisions hereof are severable such that if any term or provision is declared or found to be invalid or unenforceable, such invalidity or unenforceability shall not affect the remaining terms and provisions of this Third Amendment or the Agreement.

X. MISCELLANEOUS.

A. Capitalized terms used but not defined herein shall have the meanings set forth in the Agreement.

B. All other terms and conditions of the Agreement that are not amended with this Third Amendment shall remain in full force and effect.

C. In the event of any inconsistency or conflict between the terms contained herein or with the Exhibits and Schedules attached and incorporated within this Third Amendment and those of the Agreement, the terms contained within this Third Amendment and the Exhibits and Schedules attached hereto shall control.

XI. COUNTERPARTS.

This Third Amendment may be executed in one or more counterparts, any one of which shall be deemed an original, and all of which shall constitute one and the same agreement.

IN WITNESS WHEREOF, the Parties have caused this Third Amendment to be duly executed by their authorized representatives.

SCHEDULE C (AMENDED)
PRICING AND PAYMENT

This Agreement contains both Fixed-Fee pricing for On-Site Operations (GA), On-Site System Administration (GA) and Corporate Administrative Support (NJ), as well as Time and Materials pricing for Task Orders.

FIXED-FEE: ON-SITE OPERATIONS (GA), ON-SITE SYSTEM ADMINISTRATION
(GA) AND CORPORATE ADMINISTRATIVE SUPPORT (NJ)

Each year's fixed fee for On-Site Operations (GA), On-Site System Administration (GA) and Corporate Administrative Support (NJ) is inclusive of ChatComm operations for the Cities of Sandy Springs, Johns Creek, Brookhaven and Dunwoody. Fixed fee line items will be invoiced at the beginning of each month, for the prior month's services, at the rate of one-twelfth of the annual fee for the applicable year.

Year 20	Sep 1, 2028 to Aug 31, 2029	Planned Technology Support	\$4,177,287.60	\$348,107.30

TASK ORDER PROCESS

There are two categories of Task Order Based services: PLANNED and UNPLANNED.

PLANNED

- **ROUTINE MAINTENANCE/LICENSE FEES:** This includes invoices received and paid by Contractor for existing hardware, software, applications, and equipment located at ChatComm, pertaining to ChatComm operations, and managed by the Contractor.
- **TECHNOLOGY SUPPORT SERVICES:** This includes planned monitoring and preventive maintenance activities; problem diagnosis, troubleshooting, and resolution; attendance at monthly TAC meetings, regularly scheduled Operations/Technology planning meetings, and other related meetings; development of technical specifications and designs; and other support related tasks for Public Safety technology systems, hardware, software, network, and equipment to maintain uptime and performance standards.
- **TECHNOLOGY REFRESH SERVICES:** This includes planned hardware, software, network, and other services for replacement and upgrade of equipment and systems, as required, to maintain uptime and performance standards. Planned services are listed in **Attachment A-1 (Amended)**.
- **Project Management:** Technical oversight and management of all technology activities.
- **Task Order Administration:** This includes activities required to develop and track Task Orders and related activities.

UNPLANNED

- **EMERGENCY TECHNOLOGY SUPPORT:** This includes diagnosis of technical issues, scheduling and management of vendors, ordering and shipment of equipment, and break/fix services, as needed.

- **OUT OF SCOPE TECHNOLOGY ACTIVITIES:** This includes unplanned requests for additional technical services such as, but not limited to, product research, services related to relocation of a city facility, and services related to the addition of a new city, agency, or network interface.
- **EXPEDITED SYSTEM ADMINISTRATION:** This includes system administration requests from the Authority that cannot be completed in a particular time frame without utilizing additional resources.

The estimates provided in this **Schedule C (Amended)** do not include unplanned services that were not known during the preparation of the estimates. Any project or service not listed in **Attachment A-1 (Amended)** will require completion of a Decision Request (“DR”) form and approval by the Authority. On receipt of the approved DR, the Contractor will prepare a project plan, cost estimates, and a Task Order for approval by the Authority. All Task Orders will contain a list of positions, hourly rates, estimated hours, and estimated total costs for all labor. When equipment, maintenance service fees, and other expenses are required, a Bill of Materials will also be provided showing the anticipated cost plus a 10% fee.

PLANNED TASK ORDERS

Planned technology support costs have been estimated for each year. Planned Technology Refresh projects are listed in **Attachment A-1 (Amended)**. These projects are required to keep the technology at ChatComm current, maintain operational performance and functionality, and are based on Contractor’s knowledge of the technology life cycles of each system and component.

YEARLY TASK ORDER

Prior to the beginning of each year, a single Task Order will be submitted by the Contractor covering Operations costs and planned technology costs. The technology costs will cover:

1. **Estimated costs for Technology projects** related to technology refresh and planned enhancements required at ChatComm, pertaining to ChatComm operations, and conducted by the Contractor or third-party vendor and listed by the Contractor in **Attachment A-1 (Amended)**.
2. **Estimated non-labor costs** detailed in **Attachment A-1 (Amended)** which include:
 - a. Estimated costs for technology break/fix confined to existing hardware, software, applications, and equipment located at ChatComm, pertaining to ChatComm operations, and managed by the Contractor.
 - b. Estimated costs for ongoing manufacturer warranty, maintenance and support agreement costs, third-party vendor agreement costs, and vendor licensing agreement costs. The estimates are limited to renewal of agreements currently in place for existing hardware, software, applications, and equipment located at ChatComm, pertaining to ChatComm operations, and managed by the Contractor.
 - c. Estimated costs for ongoing supplies to be purchased by the Contractor for items pertaining to ChatComm operations, used at ChatComm, and managed by the Contractor.
 - d. Estimated costs for travel-related expenses for trips related to technology work required at ChatComm, pertaining to ChatComm operations, and conducted by the Contractor or third-party vendors.

Contractor will submit the Yearly Task Order to the Authority’s Executive Director prior to the beginning of each year. The Contractor will then invoice for technology support at the end of each month on a Time and Materials basis.

UNPLANNED TASK ORDERS

Unplanned activities require execution of an additional Task Order, which will include separate pricing terms and invoicing schedules.

- **EMERGENCY TECHNOLOGY SUPPORT**

In order to support a 911 Emergency Communications Center, technical failures must be handled expeditiously, and therefore Contractor must engage immediately. Emergency technology support may be completed by the Contractor immediately, at the cost and expense of the Authority. Contractor will notify the Executive Director as soon as practical of any required emergency technology support.

- **OUT OF SCOPE TECHNOLOGY ACTIVITIES**

Attachment A-1 (Amended) lists planned technology projects throughout the Term of the Agreement. Any requested Contractor technology projects or support not included in **Attachment A-1 (Amended)** requires an executed DR and subsequent Task Order signed by the Authority. Out of Scope services require additional costs based upon actual Contractor and/or vendor labor and commodities, as required, to successfully deliver the services. Out of scope projects include new solutions, services or products not included in **Attachment A-1 (Amended)**, or technical services that result from a vendor life cycle change for products or services.

- **EXPEDITED SYSTEM ADMINISTRATION**

System Administration activities are within the scope of the onsite technical personnel (GA) if the scope of such activities can be completed without impacting other duties. If a project, such as a major realignment of dispatch response policy, has a required timeline that cannot be accommodated by System Administration personnel (GA) without additional assistance, or requires services supplied by Contractor IT staff (NJ), Contractor will submit a DR and subsequent Task Order to the Authority for approval. IT staff other than onsite System Administration staff (GA) will be charged on a Time and Materials basis.

PAYMENT TERMS

All prices are exclusive of any local, state, or federal taxes or business fees that may be required to conduct business within the State of Georgia.

The Authority agrees to pay the invoiced amount within fifteen (15) days after receipt for the invoice of services. Failure of the Authority to pay the invoice by the 21st day of the payment month will accrue interest at the rate of 2% per month until paid.

If it becomes necessary in any given week for System Administration employees (GA) and/or Contractor Technology Support employees (NJ) to work more than 40 hours, Contractor will charge the Authority hours at the applicable hourly labor rates identified in the most current annual Planned Task Order document.

**THIRD AMENDMENT TO INTERGOVERNMENTAL AGREEMENT BETWEEN THE
CITY OF DUNWOODY, GEORGIA AND**

THE CHATTAHOOCHEE RIVER 911 AUTHORITY

This Third Amendment ("Third Amendment") to the Intergovernmental Agreement ("the Agreement") entered into on April 1, 2011 by and between Dunwoody, Georgia ("Dunwoody" or "City") and the Joint Public Safety and Judicial Facilities Authority for the Cities of Sandy Springs, Georgia and Johns Creek, Georgia d/b/a Chattahoochee River 9-1-1 Authority (the "Authority"), as amended by that certain First Amendment to Intergovernmental Agreement Between the City of Dunwoody, Georgia and the Chattahoochee River 911 Authority dated April 1, 2011, and as amended by that certain Second Amendment to Intergovernmental Agreement Between the City of Dunwoody, Georgia and the Chattahoochee River 911 Authority dated April 1, 2014 (the initial Intergovernmental Agreement and all previous amendments being collectively referred to herein as "the Agreement") is entered into as of the date it shall have been executed by both Dunwoody and the Authority.

WHEREAS, the Authority and Dunwoody, by way of the First Amendment, amended the Definitions, Term, Compensation and Consideration, and Services portions of the Agreement; and

WHEREAS, the Authority and Dunwoody, by way of the Second Amendment, amended the Term and Compensation and Consideration portions of the Agreement; and

WHEREAS, the Authority and Dunwoody now desire to extend the Term of the Agreement and to amend the Compensation portion of the Agreement to provide Dunwoody with 911 communication services on a subscription basis; and

WHEREAS, Dunwoody and the Authority have authorized the execution of this Agreement through appropriate Resolutions adopted by their governing bodies; and

NOW, THEREFORE, in consideration of the following mutual obligations, Dunwoody and the Authority hereby agree to amend the Agreement as follows:

A. Within **ARTICLE 3** entitled "**TERM OF AGREEMENT**" is deleted in its entirety and replaced with the following:

- 3.1 This Agreement shall commence on May 1, 2026 and shall terminate at 2400 hours on September 1, 2027 (the "Initial Term"). The Initial Term together with any subsequent Renewal Term(s) as described in Section 3.1 below are collectively referred to herein as the Term.
- 3.2 Following the Initial Term of this Agreement as defined above, this Agreement shall automatically continue on an annual basis unless at least six (6) months prior to each anniversary of the start of the Initial

Term, either Party provides written notice of its intention not to renew this Agreement under the same terms as provided herein (each a "Renewal Term").

- 3.3 The Parties hereby agree that the Term of the Agreement is subject to in accordance with Art. IX, Sec. III, Par. 1 of the Constitution of the State of Georgia, that in no event shall the Agreement extend beyond a period of fifty (50) years from the commencement of the initial Intergovernmental Agreement, or fifty (50) years from August 1, 2011.

B. Within **ARTICLE 4** entitled "**COMPENSATION AND CONSIDERATION**" is deleted in its entirety and replaced with the following, effective July 1, 2026:

- 4.1 Dunwoody shall pay the Authority annually in twelve (12) equal monthly installments for each year during the Term of this Agreement those amounts described in Schedule C (Amended), entitled "Pricing and Payment," attached to that certain Third Amendment to Amended and Restated Agreement by and between the Joint Public Safety and Judicial Facilities Authority for the Cities of Sandy Springs, Georgia and Johns Creek, Georgia d/b/a Chattahoochee River 9-1-1 Authority and IXP Corporation, dated August 15, 2024, the same being attached hereto as Exhibit "A" and incorporated herein by this reference (the "Third Amendment to Restated Agreement"). The Authority will invoice Dunwoody for the monthly installment on the first (1st) day of each month for services performed during the previous month, beginning one (1) month after June 30, 2026. Dunwoody agrees to pay the monthly installment no later than fifteen (15) days after the date of the invoice for services.
- 4.2 Should Dunwoody fail to meet its financial obligations under this Agreement, the Authority shall not withhold any 911 Emergency Communication Services from the citizens of Dunwoody as a remedy against Dunwoody, unless the Authority has obtained a valid court order authorizing the cessation of services or has terminated the Agreement pursuant to the notice requirements of Section 14.1 or 14.2.
- 4.3 Dunwoody shall not be required to make any financial capital outlay contributions, either retroactively or in the future, except for capital improvements which are implemented by the Authority for the direct and sole benefit of Dunwoody and which are mutually agreed upon by the parties, in writing, prior to expenditure.
- 4.4. This Agreement shall have no effect nor shall have any bearing on the separate agreement between the City of Brookhaven and the City of Dunwoody related to Computer Aided Dispatch integration with Dekalb 911 for Fire and Emergency Medical Services.

IN WITNESS WHEREOF, the Authority and Dunwoody have caused this Second Amendment to the Agreement through their duly authorized officers on this _____ day of _____, 2026.
