SUMMARY

In 2024, the City received a Congressional Direct Spending award for the Top End I-285 Georgetown Trail project, in the amount of \$850,000. The award was divided between two phases: Preliminary Engineering and Right-of-Way and requires a 20% local match (\$212,500). DETAILS

The Project Framework Agreement is

The City plans to use the Congressional Direct Spending funding to prepare preliminary engineering plans in accordance with GDOT's Plan Development Process (PDP) and to acquire right-of-way, if necessary, based on these plans. In addition to the \$212,500 local match, GDOT is requiring \$20,000 for oversight funding to cover GDOT staff time for review and coordination. If any portion of the oversight funding is not utilized, the remaining balance will be returned to the City.

GDOT will incorporate construction of the Top End I-285 Georgetown Trail into GDOT's I-285 Top End Express Lanes Project.

This Project Framework Agreement for Transportation Facility Improvements is made and entered into this _____ (the “Effective Date”), by and between the GEORGIA DEPARTMENT OF TRANSPORTATION, an agency of the State of Georgia, hereinafter called the "DEPARTMENT", and the City of Dunwoody, GEORGIA, hereinafter called "SPONSOR" (the “Agreement”). The DEPARTMENT and the SPONSOR may sometimes be referred to individually as the “PARTY” and collectively as the “PARTIES”.

WHEREAS, the SPONSOR has represented to the DEPARTMENT a desire to improve the transportation facility described in Exhibit A, attached and incorporated herein by reference, identified as PI # 0020667 and hereinafter referred to as the "PROJECT"; and

WHEREAS, the SPONSOR has represented to the DEPARTMENT a desire to participate in certain activities, as applicable, including the funding of certain portions of the PROJECT and the DEPARTMENT has relied upon such representations; and

WHEREAS, the DEPARTMENT has expressed a willingness to participate in certain activities of the PROJECT as set forth in this Agreement; and

WHEREAS, the Constitution authorizes intergovernmental agreements whereby state and local entities may contract with one another “for joint services, for the provision of services, or for the joint or separate use of facilities or equipment; but such contracts must deal with activities, services or facilities which the contracting parties are authorized by law to undertake or provide.” Ga. Constitution Article IX, §III, ¶I(a).

NOW THEREFORE, in consideration of the mutual promises made and of the benefits to flow from one to the other, the DEPARTMENT and the SPONSOR hereby agree each with the other as follows:

1. [The SPONSOR has applied for and received “Qualification Certification” to administer federal-aid projects. The GDOT Local Administered Project (LAP) Certification Committee has reviewed, confirmed and approved the LAP certification for the SPONSOR (current expiration date: 6/30/2030) to develop federal project(s) within the scope of its certification and pursuant to and in accordance with the DEPARTMENT’S current versions of Local Administered Project Manual, the DEPARTMENT’S Plan Development Process (hereinafter referred to as “PDP”), Electronic Data Guidelines, Plan Presentation Guide, and any other applicable DEPARTMENT guidance.

2. The DEPARTMENT shall participate in the PROJECT by funding all or certain portions of the PROJECT costs for the preconstruction engineering (design) activities, herein referred to as “PE”, as specified in Exhibit A. SPONSOR shall contribute to the PROJECT by funding those PROJECT costs as set out in Exhibit A.

Revised: 04/24/2026

Packet page:...

3. The funding portion as identified in Exhibit A of this Agreement only applies to the PE. Further, the SPONSOR may be responsible for repayment of any expended federal funds if the PROJECT does not proceed forward to completion due to a lack of available funding in future PROJECT phases, changes in local priorities, or cancellation of the PROJECT by the SPONSOR without concurrence by the Federal Highway Administration (FHWA).

4. The SPONSOR shall accomplish the PE activities in accordance with and pursuant to the applicable guidelines of the American Association of State Highway and Transportation Officials, hereinafter referred to as "AASHTO", the DEPARTMENT's Standard Specifications Construction of Transportation Systems, and all applicable design guidelines and policies of the DEPARTMENT, in order to, among other goals, produce a cost-effective PROJECT. Failure to follow all applicable guidelines and policies will jeopardize the use of federal funds in some or all categories outlined in this Agreement, and it shall be the responsibility of the SPONSOR to make up the loss of that funding.

5. The primary consultant firm or subconsultants hired by the SPONSOR to provide services on the PROJECT shall be prequalified with the DEPARTMENT in the appropriate area-classes. The DEPARTMENT shall, on request, furnish the SPONSOR with a list of prequalified consultant firms in the appropriate area-classes. If there is federal-aid highway program funding participation, the SPONSOR shall comply with all applicable state and federal regulations for the procurement of engineering and design related services including but not limited to 23 C.F.R. Part 172 and the Brooks Architect-Engineers Act of 1972, for any consultant hired to perform work on the PROJECT. If there is no federal-aid highway program funding in the engineering and design related services contract, the contracting agency may procure the services in accordance with its own established policies and procedures which reflect applicable State and local laws. However, in such an event, the costs of consultant service contracts that utilize only State or local funding which were not procured, negotiated, or administered in accordance with applicable Federal laws and regulations would not be eligible to apply toward the non-Federal share of costs for subsequent phases (e.g., construction) of a project funded by the federal aid highway program.

6. The DEPARTMENT will be responsible for all railroad coordination on DEPARTMENT let and/or State Route (On-System) projects; the SPONSOR shall address concerns, comments, and requirements to the satisfaction of the railroad and the DEPARTMENT for the PROJECT. If the SPONSOR will let the PROJECT to construction on off-system routes, the SPONSOR shall be responsible for all railroad coordination and shall address concerns, comments, and requirements to the satisfaction of the railroad and the DEPARTMENT for the PROJECT.

7. The DEPARTMENT reserves the right to review and approve all aspects of the PROJECT provided, however, this review and approval authority does not relieve the SPONSOR of its responsibilities under the terms of this Agreement.

8. The SPONSOR agrees that all reports, plans, drawings, studies, specifications, estimates, maps, computations, computer files and printouts, notes, and any other data, materials, and deliverables (for purposes of this Section 8, the "Documents and Data") prepared by or for SPONSOR under the terms of this Agreement shall become the exclusive property of the DEPARTMENT if the PROJECT is being let by the DEPARTMENT. The SPONSOR shall deliver a printed hardcopy with an electronic copy of the Documents and Data to the DEPARTMENT upon request, but no later than the advertisement of the PROJECT for letting. The hardcopy of the Documents and Data shall be organized, indexed, and bound, and the electronic copy shall be delivered in a compatible format as instructed by the DEPARTMENT. In the event the PROJECT is not being let by the DEPARTMENT, the DEPARTMENT shall have the right to use the Documents and Data without restriction or limitation and without compensation to the SPONSOR.

9. The SPONSOR shall be responsible for the professional quality, technical accuracy, and the coordination of all reports, designs, drawings, specifications, and other services furnished by or on behalf of the SPONSOR pursuant to this Agreement. The SPONSOR shall correct or revise, or cause to be corrected or revised, any errors or deficiencies in the reports, designs, drawings, specifications, and other services furnished for this PROJECT. Failure by the SPONSOR to address the errors, omissions or deficiencies within 30 days of notification shall cause the SPONSOR to assume all responsibility for construction delays and supplemental agreements caused by the errors and deficiencies. All revisions shall be coordinated with the DEPARTMENT prior to issuance. The SPONSOR shall also

be responsible for any claim, damage, loss or expense, to the extent allowed by law that is attributable to errors, omissions, or negligent acts related to the designs, drawings, specifications, and other services furnished by or on behalf of the SPONSOR pursuant to this Agreement.
