SUMMARY

The city's ADA transition plan, updated in 2024, identified 714 sidewalk curb ramps in public right of way that need to be upgraded to meet ADA accessibility standards. Earlier this year Public Works completed 84 ramp upgrades with 2025 SPLOST funding. The 2026 budget includes \$100,000 for additional ramp upgrades. Public Works identified 28 ramps on Vermack Road, Womack Road and the south end of Tilly Mill Road for upgrades and advertised a request for written quotes (IWQ 26-05) from contractors to perform the work. Eight quotes were received as follows:

Based on the available construction budget of \$90,000, an additional 14 ramps can be replaced using the unit prices provided by Bostic/Bostic & Associates, LLC.
