I. Athletic Association Requirements

This document serves as the Athletic Association Policy and Procedures Manual for The City of Dunwoody Parks and Recreation. This manual shall apply to all athletic associations (AA) and contains requirements that all AAs must fulfill in order to conduct its program in a City owned park or facility.

This Manual will outline the basic structure of the City of Dunwoody's requirements for the AA to operate within the City to ensure all programs are operated in accordance with the City standards. In order to qualify to operate on City property, each AA must adhere to minimum requirements. These requirements are necessary to insure the protection of all AA members. Violation of any requirements shall constitute cause for revocation of the facility. In addition, situations may arise requiring the City to be involved in issues related to AA operations. In these instances, the AA is required to cooperate with the City to resolve issues not specially covered by this Manual.

1. Nonprofit Organization Status

The AA will incorporate and register with the Georgia Secretary of State's Office as a not-for-profit corporation. Proof of not-for-profit status must be submitted annually to the City by April 1st of each year.

2. Liability Insurance Coverage

- a. AA shall at all times exonerate, indemnify, and hold harmless the CITY from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation, and actions, based upon or arising out of damage or injury (including death) to persons or property (i) caused by, or (ii) sustained on the Space in connection with the performance of this Agreement or any extension or renewal thereof or conditions created thereby and shall assume and pay for, without cost to the CITY, the defense of any and all claims, litigation and actions, suffered through any act or omission of the AA, or anyone directly or indirectly employed by or under the supervision of any of them, or in any way arising out of the use and occupancy of the space.
- b. Except as otherwise consented to in writing by CITY, AA shall maintain in force during the life of this Agreement or any extension or renewal thereof comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.
- c. Except as otherwise consented to in writing by CITY, AA shall furnish to the CITY within thirty (30) days after execution of this agreement, a certificate or certificates evidencing such insurance coverage in companies doing business in Georgia and acceptable to CITY covering:
 - i. The location and the operations to which the insurance applies
 - ii. The expiration date of policies
 - iii. An agreement that the policies certified will not be changed or canceled

without thirty (30) days prior notices to CITY, as evidenced by return receipts of registered or certified letters. Prior to ten (10) days before the expiration of any such certificate, AA shall deliver to the CITY a certificate renewing or extending the terms for a period of at least one (1) year, or a certificate acceptable to CITY evidencing the required insurance coverage.

- d. Except as otherwise consented to in writing by CITY, AA shall insure that any organizations participating in any sporting event with AA at the Facility shall maintain in force comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.

3. Bylaws

A copy of the AA bylaws must be submitted to the City each year and within five days after any amendments or changes prior to use of any City facilities. The AA should review and approve their bylaws a minimum of every two years.

4. Financial Reports

The Official Code of Georgia Annotated requires that all corporate minutes and books of account be held open for inspection by any member of the AA at any reasonable time. The AA shall assume the financial responsibility for the recreation program it operates. The City of Dunwoody recommends that each AA be bonded and that annual internal audits are performed on all accounts. The AA must provide financial statements to the CITY as defined in their facility usage agreement.

Without regard to any designation made by the person or entity entering this Agreement, the City of Dunwoody considers all information submitted in relation to the Agreement to be a public record that will be disclosed upon request pursuant to the Georgia Open Records Act O.C.G.A. § 50-18-70 *et seq.* as may be amended in the future, unless a court order is obtained to the contrary.

5. City of Dunwoody Meeting Requirements

Each year, the City will host a meeting that the AA is required to attend. The purpose of the meeting is to increase communication between both parties and improve operations.

- a. The meeting will be held yearly (usually in December)
- b. AA President attendance is required or at least one representative
- c. This requirement must be met in order for the AA to have use of City facilities for the next year.

- d. All AA season forms are due at this meeting (Insurance, non-profit paperwork/renewal, field requests for the year, AA information form) (Appendix page 6).

6. Non-Discrimination Requirement

The AA must ensure that no persons be denied participation in any program based on race, color, creed, religion, sex, national origin, age, disability, genetic information, pregnancy, childbirth, or other legally protected category or classification with the exception that children may be grouped by age on teams to ensure safety of the participants. The AA must be in compliance with the Americans with Disabilities Act.

7. Facility Use Agreement

The AA must obtain a Facility Use Agreement from the City a minimum thirty (30) days prior to the first scheduled practice of each year. This permit is to be obtained from the City on behalf of the AA by the President. This permit, issued annually per sport, specifically identifies facilities to be used by the AA and the terms and conditions of said use. Adherence to all requirements outlined in this Manual for an AA operating in a Park is a condition of the Facility Use Agreement. Failure to adhere to the Policies and Procedures may result in suspension or revocation of the Facility Use Agreement.

The sole purpose of Facility Use Agreement is for the use of sports fields and adjacent spectator areas. This does not include public park areas such as, but not limited to walking trails, paths, sidewalks, parking lots, playgrounds, and pavilions which must remain open for active/ passive park users. Passive and open may not be reserved for organized practice or play. Use of the walking trails for purposes other than running or walking is strictly prohibited. The AA is responsible for ensuring that walking tracks and trails adjacent to sports fields are clear of spectators during AA activities. The AA may be liable for any incidents related to unauthorized use.

The AA may not sublet Park facilities to another organization or permit any separate organization to use a Park under the AA name, except as defined in their Facility Usage Agreement for fundraising initiatives.

I. Athletic Association Requirements

This document serves as the Athletic Association Policy and Procedures Manual for The City of Dunwoody Parks and Recreation. This manual shall apply to all athletic associations (AA) and contains requirements that all AAs must fulfill in order to conduct its program in a City owned park or facility.

This Manual will outline the basic structure of the City of Dunwoody's requirements for the AA to operate within the City to ensure all programs are operated in accordance with the City standards. In order to qualify to operate on City property, each AA must adhere to minimum requirements. These requirements are necessary to insure the protection of all AA members. Violation of any requirements shall constitute cause for revocation of the facility. In addition, situations may arise requiring the City to be involved in issues related to AA operations. In these instances, the AA is required to cooperate with the City to resolve issues not specially covered by this Manual.

1. Nonprofit Organization Status

The AA will incorporate and register with the Georgia Secretary of State's Office as a not-for-profit corporation. Proof of not-for-profit status must be submitted annually to the City by April 1st of each year.

2. Liability Insurance Coverage

- a. AA shall at all times exonerate, indemnify, and hold harmless the CITY from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation, and actions, based upon or arising out of damage or injury (including death) to persons or property (i) caused by, or (ii) sustained on the Space in connection with the performance of this Agreement or any extension or renewal thereof or conditions created thereby and shall assume and pay for, without cost to the CITY, the defense of any and all claims, litigation and actions, suffered through any act or omission of the AA, or anyone directly or indirectly employed by or under the supervision of any of them, or in any way arising out of the use and occupancy of the space.
- b. Except as otherwise consented to in writing by CITY, AA shall maintain in force during the life of this Agreement or any extension or renewal thereof comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.
- c. Except as otherwise consented to in writing by CITY, AA shall furnish to the CITY within thirty (30) days after execution of this agreement, a certificate or certificates evidencing such insurance coverage in companies doing business in Georgia and acceptable to CITY covering:
 - i. The location and the operations to which the insurance applies
 - ii. The expiration date of policies
 - iii. An agreement that the policies certified will not be changed or canceled

without thirty (30) days prior notices to CITY, as evidenced by return receipts of registered or certified letters. Prior to ten (10) days before the expiration of any such certificate, AA shall deliver to the CITY a certificate renewing or extending the terms for a period of at least one (1) year, or a certificate acceptable to CITY evidencing the required insurance coverage.

- d. Except as otherwise consented to in writing by CITY, AA shall insure that any organizations participating in any sporting event with AA at the Facility shall maintain in force comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.

3. Bylaws

A copy of the AA bylaws must be submitted to the City each year and within five days after any amendments or changes prior to use of any City facilities. The AA should review and approve their bylaws a minimum of every two years.

4. Financial Reports

The Official Code of Georgia Annotated requires that all corporate minutes and books of account be held open for inspection by any member of the AA at any reasonable time. The AA shall assume the financial responsibility for the recreation program it operates. The City of Dunwoody recommends that each AA be bonded and that annual internal audits are performed on all accounts. The AA must provide financial statements to the CITY as defined in their facility usage agreement.

Without regard to any designation made by the person or entity entering this Agreement, the City of Dunwoody considers all information submitted in relation to the Agreement to be a public record that will be disclosed upon request pursuant to the Georgia Open Records Act O.C.G.A. § 50-18-70 *et seq.* as may be amended in the future, unless a court order is obtained to the contrary.

5. City of Dunwoody Meeting Requirements

Each year, the City will host a meeting that the AA is required to attend. The purpose of the meeting is to increase communication between both parties and improve operations.

- a. The meeting will be held yearly (usually in December)
- b. AA President attendance is required or at least one representative
- c. This requirement must be met in order for the AA to have use of City facilities for the next year.

- d. All AA season forms are due at this meeting (Insurance, non-profit paperwork/renewal, field requests for the year, AA information form) (Appendix page 6).

6. Non-Discrimination Requirement

The AA must ensure that no persons be denied participation in any program based on race, color, creed, religion, sex, national origin, age, disability, genetic information, pregnancy, childbirth, or other legally protected category or classification with the exception that children may be grouped by age on teams to ensure safety of the participants. The AA must be in compliance with the Americans with Disabilities Act.

7. Facility Use Agreement

The AA must obtain a Facility Use Agreement from the City a minimum thirty (30) days prior to the first scheduled practice of each year. This permit is to be obtained from the City on behalf of the AA by the President. This permit, issued annually per sport, specifically identifies facilities to be used by the AA and the terms and conditions of said use. Adherence to all requirements outlined in this Manual for an AA operating in a Park is a condition of the Facility Use Agreement. Failure to adhere to the Policies and Procedures may result in suspension or revocation of the Facility Use Agreement.

The sole purpose of Facility Use Agreement is for the use of sports fields and adjacent spectator areas. This does not include public park areas such as, but not limited to walking trails, paths, sidewalks, parking lots, playgrounds, and pavilions which must remain open for active/ passive park users. Passive and open may not be reserved for organized practice or play. Use of the walking trails for purposes other than running or walking is strictly prohibited. The AA is responsible for ensuring that walking tracks and trails adjacent to sports fields are clear of spectators during AA activities. The AA may be liable for any incidents related to unauthorized use.

The AA may not sublet Park facilities to another organization or permit any separate organization to use a Park under the AA name, except as defined in their Facility Usage Agreement for fundraising initiatives.

The AA may collect a fee for managing tournaments with organizations associated with the AA in addition to the terms defined in their Facility Usage Agreement for fund raising initiatives. The associated organization will have to pay the rental fee for those tournaments to the City at the Category 2 outside tournament/organization rate noted and may not host any tournaments for any other sport other than what the AA offers. Violation of these rules will require the forfeiture of any money made as a result of the use of the Park and may result in the revocation of the Facility Use Agreement.

8. Cancellations

The City of Dunwoody reserves the right to cancel any scheduled activity on City property when it determines that such use could potentially cause unsafe conditions for the AA, spectators, general public and/or damage to the facility or grounds. Furthermore, the City maintains the authority to close a facility at any time it deems it to be in the best interest of

the public.

I. Athletic Association Requirements

This document serves as the Athletic Association Policy and Procedures Manual for The City of Dunwoody Parks and Recreation. This manual shall apply to all athletic associations (AA) and contains requirements that all AAs must fulfill in order to conduct its program in a City owned park or facility.

This Manual will outline the basic structure of the City of Dunwoody's requirements for the AA to operate within the City to ensure all programs are operated in accordance with the City standards. In order to qualify to operate on City property, each AA must adhere to minimum requirements. These requirements are necessary to ensure the protection of all AA members. Violation of any requirements shall constitute cause for revocation of the facility. In addition, situations may arise requiring the City to be involved in issues related to AA operations. In these instances, the AA is required to cooperate with the City to resolve issues not specially covered by this Manual.

1. Nonprofit Organization Status

The AA will incorporate and register with the Georgia Secretary of State's Office as a not-for-profit corporation. Proof of not-for-profit status must be submitted annually to the City by April 1st of each year.

2. Liability Insurance Coverage

- a. AA shall at all times exonerate, indemnify, and hold harmless the CITY from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation, and actions, based upon or arising out of damage or injury (including death) to persons or property (i) caused by, or (ii) sustained on the Space in connection with the performance of this Agreement or any extension or renewal thereof or conditions created thereby and shall assume and pay for, without cost to the CITY, the defense of any and all claims, litigation and actions, suffered through any act or omission of the AA, or anyone directly or indirectly employed by or under the supervision of any of them, or in any way arising out of the use and occupancy of the space.
- b. Except as otherwise consented to in writing by CITY, AA shall maintain in force during the life of this Agreement or any extension or renewal thereof comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.
- c. Except as otherwise consented to in writing by CITY, AA shall furnish to the CITY within thirty (30) days after execution of this agreement, a certificate or certificates evidencing such insurance coverage in companies doing business in Georgia and acceptable to CITY covering:
 - i. The location and the operations to which the insurance applies
 - ii. The expiration date of policies
 - iii. An agreement that the policies certified will not be changed or canceled

without thirty (30) days prior notices to CITY, as evidenced by return receipts of registered or certified letters. Prior to ten (10) days before the expiration of any such certificate, AA shall deliver to the CITY a certificate renewing or extending the terms for a period of at least one (1) year, or a certificate acceptable to CITY evidencing the required insurance coverage.

- d. Except as otherwise consented to in writing by CITY, AA shall ensure that any organization participating in any sporting event with AA at the Facility shall maintain in force comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.

3. Bylaws

A copy of the AA bylaws must be submitted to the City each year and within five days after any amendments or changes prior to use of any City facilities. The AA should review and approve their bylaws at a minimum of every two years.

4. Financial Reports

The Official Code of Georgia Annotated requires that all corporate minutes and books of account be held open for inspection by any member of the AA at any reasonable time. The AA shall assume the financial responsibility for the recreation program it operates. The City of Dunwoody recommends that each AA be bonded and that annual internal audits are performed on all accounts. The AA must provide financial statements to the CITY as defined in their facility usage agreement.

Without regard to any designation made by the person or entity entering this Agreement, the City of Dunwoody considers all information submitted in relation to the Agreement to be a public record that will be disclosed upon request pursuant to the Georgia Open Records Act O.C.G.A. § 50-18-70 *et seq.* as may be amended in the future, unless a court order is obtained to the contrary.

5. City of Dunwoody Meeting Requirements

Each year, the City will host a meeting that the AA is required to attend. The purpose of the meeting is to increase communication between both parties and improve operations.

- a. The meeting will be held yearly (usually in December)
- b. AA President attendance is required or at least one representative
- c. This requirement must be met in order for the AA to have use of City facilities for the next year.

- d. All AA season forms are due at this meeting (Insurance, non-profit paperwork/renewal, field requests for the year, AA information form) (Appendix page 6).

6. Non-Discrimination Requirement

The AA must ensure that no persons be denied participation in any program based on race, color, creed, religion, sex, national origin, age, disability, genetic information, pregnancy, childbirth, or other legally protected category or classification with the exception that children may be grouped by age on teams to ensure safety of the participants. The AA must be in compliance with the Americans with Disabilities Act.

7. Facility Use Agreement

The AA must obtain a Facility Use Agreement from the City a minimum thirty (30) days prior to the first scheduled practice of each year. This permit is to be obtained from the City on behalf of the AA by the President. This permit, issued annually per sport, specifically identifies facilities to be used by the AA and the terms and conditions of said use. Adherence to all requirements outlined in this Manual for an AA operating in a Park is a condition of the Facility Use Agreement. Failure to adhere to the Policies and Procedures may result in suspension or revocation of the Facility Use Agreement.

The sole purpose of Facility Use Agreement is for the use of sports fields and adjacent spectator areas. This does not include public park areas such as, but not limited to walking trails, paths, sidewalks, parking lots, playgrounds, and pavilions which must remain open for active/passive park users. Passive and open may not be reserved for organized practice or play. Use of the walking trails for purposes other than running or walking is strictly prohibited. The AA is responsible for ensuring that walking tracks and trails adjacent to sports fields are clear of spectators during AA activities. The AA may be liable for any incidents related to unauthorized use.

The AA may not sublet Park facilities to another organization or permit any separate organization to use a Park under the AA name, except as defined in their Facility Usage Agreement for fundraising initiatives.

The AA may collect a fee for managing tournaments with organizations associated with the AA in addition to the terms defined in their Facility Usage Agreement for fund raising initiatives. The associated organization will have to pay the rental fee for those tournaments to the City at the Category 2 outside tournament/organization rate noted and may not host any tournaments for any other sport other than what the AA offers. Violation of these rules will require the forfeiture of any money made as a result of the use of the Park and may result in the revocation of the Facility Use Agreement.

8. Cancellations

The City of Dunwoody reserves the right to cancel any scheduled activity on City property when it determines that such use could potentially cause unsafe conditions for the AA, spectators, general public and/or damage to the facility or grounds. Furthermore, the City maintains the authority to close a facility at any time it deems it to be in the best interest of

the public.

I. Athletic Association Requirements

This document serves as the Athletic Association Policy and Procedures Manual for The City of Dunwoody Parks and Recreation. This manual shall apply to all athletic associations (AA) and contains requirements that all AAs must fulfill in order to conduct its program in a City owned park or facility.

This Manual will outline the basic structure of the City of Dunwoody's requirements for the AA to operate within the City to ensure all programs are operated in accordance with the City standards. In order to qualify to operate on City property, each AA must adhere to minimum requirements. These requirements are necessary to insure the protection of all AA members. Violation of any requirements shall constitute cause for revocation of the facility. In addition, situations may arise requiring the City to be involved in issues related to AA operations. In these instances, the AA is required to cooperate with the City to resolve issues not specially covered by this Manual.

1. Nonprofit Organization Status

The AA will incorporate and register with the Georgia Secretary of State's Office as a not-for-profit corporation. Proof of not-for-profit status must be submitted annually to the City by April 1st of each year.

2. Liability Insurance Coverage

- a. AA shall at all times exonerate, indemnify, and hold harmless the CITY from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation, and actions, based upon or arising out of damage or injury (including death) to persons or property (i) caused by, or (ii) sustained on the Space in connection with the performance of this Agreement or any extension or renewal thereof or conditions created thereby and shall assume and pay for, without cost to the CITY, the defense of any and all claims, litigation and actions, suffered through any act or omission of the AA, or anyone directly or indirectly employed by or under the supervision of any of them, or in any way arising out of the use and occupancy of the space.
- b. Except as otherwise consented to in writing by CITY, AA shall maintain in force during the life of this Agreement or any extension or renewal thereof comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.
- c. Except as otherwise consented to in writing by CITY, AA shall furnish to the CITY within thirty (30) days after execution of this agreement, a certificate or certificates evidencing such insurance coverage in companies doing business in Georgia and acceptable to CITY covering:
 - i. The location and the operations to which the insurance applies
 - ii. The expiration date of policies
 - iii. An agreement that the policies certified will not be changed or canceled

without thirty (30) days prior notices to CITY, as evidenced by return receipts of registered or certified letters. Prior to ten (10) days before the expiration of any such certificate, AA shall deliver to the CITY a certificate renewing or extending the terms for a period of at least one (1) year, or a certificate acceptable to CITY evidencing the required insurance coverage.

- d. Except as otherwise consented to in writing by CITY, AA shall insure that any organizations participating in any sporting event with AA at the Facility shall maintain in force comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.

3. Bylaws

A copy of the AA bylaws must be submitted to the City each year and within five days after any amendments or changes prior to use of any City facilities. The AA should review and approve their bylaws a minimum of every two years.

4. Financial Reports

The Official Code of Georgia Annotated requires that all corporate minutes and books of account be held open for inspection by any member of the AA at any reasonable time. The AA shall assume the financial responsibility for the recreation program it operates. The City of Dunwoody recommends that each AA be bonded and that annual internal audits are performed on all accounts. The AA must provide financial statements to the CITY as defined in their facility usage agreement.

Without regard to any designation made by the person or entity entering this Agreement, the City of Dunwoody considers all information submitted in relation to the Agreement to be a public record that will be disclosed upon request pursuant to the Georgia Open Records Act O.C.G.A. § 50-18-70 *et seq.* as may be amended in the future, unless a court order is obtained to the contrary.

5. City of Dunwoody Meeting Requirements

Each year, the City will host a meeting that the AA is required to attend. The purpose of the meeting is to increase communication between both parties and improve operations.

- a. The meeting will be held yearly (usually in December)
- b. AA President attendance is required or at least one representative
- c. This requirement must be met in order for the AA to have use of City facilities for the next year.

- d. All AA season forms are due at this meeting (Insurance, non-profit paperwork/renewal, field requests for the year, AA information form) (Appendix page 6).

6. Non-Discrimination Requirement

The AA must ensure that no persons be denied participation in any program based on race, color, creed, religion, sex, national origin, age, disability, genetic information, pregnancy, childbirth, or other legally protected category or classification with the exception that children may be grouped by age on teams to ensure safety of the participants. The AA must be in compliance with the Americans with Disabilities Act.

7. Facility Use Agreement

The AA must obtain a Facility Use Agreement from the City a minimum thirty (30) days prior to the first scheduled practice of each year. This permit is to be obtained from the City on behalf of the AA by the President. This permit, issued annually per sport, specifically identifies facilities to be used by the AA and the terms and conditions of said use. Adherence to all requirements outlined in this Manual for an AA operating in a Park is a condition of the Facility Use Agreement. Failure to adhere to the Policies and Procedures may result in suspension or revocation of the Facility Use Agreement.

The sole purpose of Facility Use Agreement is for the use of sports fields and adjacent spectator areas. This does not include public park areas such as, but not limited to walking trails, paths, sidewalks, parking lots, playgrounds, and pavilions which must remain open for active/ passive park users. Passive and open may not be reserved for organized practice or play. Use of the walking trails for purposes other than running or walking is strictly prohibited. The AA is responsible for ensuring that walking tracks and trails adjacent to sports fields are clear of spectators during AA activities. The AA may be liable for any incidents related to unauthorized use.

The AA may not sublet Park facilities to another organization or permit any separate organization to use a Park under the AA name, except as defined in their Facility Usage Agreement for fundraising initiatives.

The AA may collect a fee for managing tournaments with organizations associated with the AA in addition to the terms defined in their Facility Usage Agreement for fund raising initiatives. The associated organization will have to pay the rental fee for those tournaments to the City at the Category 2 outside tournament/organization rate noted and may not host any tournaments for any other sport other than what the AA offers. Violation of these rules will require the forfeiture of any money made as a result of the use of the Park and may result in the revocation of the Facility Use Agreement.

8. Cancellations

The City of Dunwoody reserves the right to cancel any scheduled activity on City property when it determines that such use could potentially cause unsafe conditions for the AA, spectators, general public and/or damage to the facility or grounds. Furthermore, the City maintains the authority to close a facility at any time it deems it to be in the best interest of

the public.

I. Athletic Association Requirements

This document serves as the Athletic Association Policy and Procedures Manual for The City of Dunwoody Parks and Recreation. This manual shall apply to all athletic associations (AA) and contains requirements that all AAs must fulfill in order to conduct its program in a City owned park or facility.

This Manual will outline the basic structure of the City of Dunwoody's requirements for the AA to operate within the City to ensure all programs are operated in accordance with the City standards. In order to qualify to operate on City property, each AA must adhere to minimum requirements. These requirements are necessary to insure the protection of all AA members. Violation of any requirements shall constitute cause for revocation of the facility. In addition, situations may arise requiring the City to be involved in issues related to AA operations. In these instances, the AA is required to cooperate with the City to resolve issues not specially covered by this Manual.

1. Nonprofit Organization Status

The AA will incorporate and register with the Georgia Secretary of State's Office as a not-for-profit corporation. Proof of not-for-profit status must be submitted annually to the City by April 1st of each year.

2. Liability Insurance Coverage

- a. AA shall at all times exonerate, indemnify, and hold harmless the CITY from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation, and actions, based upon or arising out of damage or injury (including death) to persons or property (i) caused by, or (ii) sustained on the Space in connection with the performance of this Agreement or any extension or renewal thereof or conditions created thereby and shall assume and pay for, without cost to the CITY, the defense of any and all claims, litigation and actions, suffered through any act or omission of the AA, or anyone directly or indirectly employed by or under the supervision of any of them, or in any way arising out of the use and occupancy of the space.
- b. Except as otherwise consented to in writing by CITY, AA shall maintain in force during the life of this Agreement or any extension or renewal thereof comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.
- c. Except as otherwise consented to in writing by CITY, AA shall furnish to the CITY within thirty (30) days after execution of this agreement, a certificate or certificates evidencing such insurance coverage in companies doing business in Georgia and acceptable to CITY covering:
 - i. The location and the operations to which the insurance applies
 - ii. The expiration date of policies
 - iii. An agreement that the policies certified will not be changed or canceled

without thirty (30) days prior notices to CITY, as evidenced by return receipts of registered or certified letters. Prior to ten (10) days before the expiration of any such certificate, AA shall deliver to the CITY a certificate renewing or extending the terms for a period of at least one (1) year, or a certificate acceptable to CITY evidencing the required insurance coverage.

- d. Except as otherwise consented to in writing by CITY, AA shall insure that any organizations participating in any sporting event with AA at the Facility shall maintain in force comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.

3. Bylaws

A copy of the AA bylaws must be submitted to the City each year and within five days after any amendments or changes prior to use of any City facilities. The AA should review and approve their bylaws a minimum of every two years.

4. Financial Reports

The Official Code of Georgia Annotated requires that all corporate minutes and books of account be held open for inspection by any member of the AA at any reasonable time. The AA shall assume the financial responsibility for the recreation program it operates. The City of Dunwoody recommends that each AA be bonded and that annual internal audits are performed on all accounts. The AA must provide financial statements to the CITY as defined in their facility usage agreement.

Without regard to any designation made by the person or entity entering this Agreement, the City of Dunwoody considers all information submitted in relation to the Agreement to be a public record that will be disclosed upon request pursuant to the Georgia Open Records Act O.C.G.A. § 50-18-70 *et seq.* as may be amended in the future, unless a court order is obtained to the contrary.

5. City of Dunwoody Meeting Requirements

Each year, the City will host a meeting that the AA is required to attend. The purpose of the meeting is to increase communication between both parties and improve operations.

- a. The meeting will be held yearly (usually in December)
- b. AA President attendance is required or at least one representative
- c. This requirement must be met in order for the AA to have use of City facilities for the next year.

- d. All AA season forms are due at this meeting (Insurance, non-profit paperwork/renewal, field requests for the year, AA information form) (Appendix page 6).

6. Non-Discrimination Requirement

The AA must ensure that no persons be denied participation in any program based on race, color, creed, religion, sex, national origin, age, disability, genetic information, pregnancy, childbirth, or other legally protected category or classification with the exception that children may be grouped by age on teams to ensure safety of the participants. The AA must be in compliance with the Americans with Disabilities Act.

7. Facility Use Agreement

The AA must obtain a Facility Use Agreement from the City a minimum thirty (30) days prior to the first scheduled practice of each year. This permit is to be obtained from the City on behalf of the AA by the President. This permit, issued annually per sport, specifically identifies facilities to be used by the AA and the terms and conditions of said use. Adherence to all requirements outlined in this Manual for an AA operating in a Park is a condition of the Facility Use Agreement. Failure to adhere to the Policies and Procedures may result in suspension or revocation of the Facility Use Agreement.

The sole purpose of Facility Use Agreement is for the use of sports fields and adjacent spectator areas. This does not include public park areas such as, but not limited to walking trails, paths, sidewalks, parking lots, playgrounds, and pavilions which must remain open for active/ passive park users. Passive and open may not be reserved for organized practice or play. Use of the walking trails for purposes other than running or walking is strictly prohibited. The AA is responsible for ensuring that walking tracks and trails adjacent to sports fields are clear of spectators during AA activities. The AA may be liable for any incidents related to unauthorized use.

The AA may not sublet Park facilities to another organization or permit any separate organization to use a Park under the AA name, except as defined in their Facility Usage Agreement for fundraising initiatives.

The AA may collect a fee for managing tournaments with organizations associated with the AA in addition to the terms defined in their Facility Usage Agreement for fund raising initiatives. The associated organization will have to pay the rental fee for those tournaments to the City at the Category 2 outside tournament/organization rate noted and may not host any tournaments for any other sport other than what the AA offers. Violation of these rules will require the forfeiture of any money made as a result of the use of the Park and may result in the revocation of the Facility Use Agreement.

8. Cancellations

The City of Dunwoody reserves the right to cancel any scheduled activity on City property when it determines that such use could potentially cause unsafe conditions for the AA, spectators, general public and/or damage to the facility or grounds. I. Athletic Association Requirements

This document serves as the Athletic Association Policy and Procedures Manual for The City of Dunwoody Parks and Recreation. This manual shall apply to all athletic associations (AA) and contains requirements that all AAs must fulfill in order to conduct its program in a City owned park or facility.

This Manual will outline the basic structure of the City of Dunwoody's requirements for the AA to operate within the City to ensure all programs are operated in accordance with the City standards. In order to qualify to operate on City property, each AA must adhere to minimum requirements. These requirements are necessary to insure the protection of all AA members. Violation of any requirements shall constitute cause for revocation of the facility. In addition, situations may arise requiring the City to be involved in issues related to AA operations. In these instances, the AA is required to cooperate with the City to resolve issues not specially covered by this Manual.

1. Nonprofit Organization Status

The AA will incorporate and register with the Georgia Secretary of State's Office as a not-for-profit corporation. Proof of not-for-profit status must be submitted annually to the City by April 1st of each year.

2. Liability Insurance Coverage

- a. AA shall at all times exonerate, indemnify, and hold harmless the CITY from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation, and actions, based upon or arising out of damage or injury (including death) to persons or property (i) caused by, or (ii) sustained on the Space in connection with the performance of this Agreement or any extension or renewal thereof or conditions created thereby and shall assume and pay for, without cost to the CITY, the defense of any and all claims, litigation and actions, suffered through any act or omission of the AA, or anyone directly or indirectly employed by or under the supervision of any of them, or in any way arising out of the use and occupancy of the space.
- b. Except as otherwise consented to in writing by CITY, AA shall maintain in force during the life of this Agreement or any extension or renewal thereof comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.
- c. Except as otherwise consented to in writing by CITY, AA shall furnish to the CITY within thirty (30) days after execution of this agreement, a certificate or certificates evidencing such insurance coverage in companies doing business in Georgia and acceptable to CITY covering:
 - i. The location and the operations to which the insurance applies
 - ii. The expiration date of policies
 - iii. An agreement that the policies certified will not be changed or canceled

without thirty (30) days prior notices to CITY, as evidenced by return receipts of registered or certified letters. Prior to ten (10) days before the expiration of any such certificate, AA shall deliver to the CITY a certificate renewing or extending the terms for a period of at least one (1) year, or a certificate acceptable to CITY evidencing the required insurance coverage.

- d. Except as otherwise consented to in writing by CITY, AA shall insure that any organizations participating in any sporting event with AA at the Facility shall maintain in force comprehensive general public liability and property damage insurance, in the minimum amount of \$1,000,000.00 with respect to each person, and in the sum of \$300,000.00 with respect to each accident or occurrence, and in the sum of \$1,000,000.00 for injury or damage to property, and CITY shall be named as an additional insured under such policy or policies of insurance.

3. Bylaws

A copy of the AA bylaws must be submitted to the City each year and within five days after any amendments or changes prior to use of any City facilities. The AA should review and approve their bylaws a minimum of every two years.

4. Financial Reports

The Official Code of Georgia Annotated requires that all corporate minutes and books of account be held open for inspection by any member of the AA at any reasonable time. The AA shall assume the financial responsibility for the recreation program it operates. The City of Dunwoody recommends that each AA be bonded and that annual internal audits are performed on all accounts. The AA must provide financial statements to the CITY as defined in their facility usage agreement.

Without regard to any designation made by the person or entity entering this Agreement, the City of Dunwoody considers all information submitted in relation to the Agreement to be a public record that will be disclosed upon request pursuant to the Georgia Open Records Act O.C.G.A. § 50-18-70 *et seq.* as may be amended in the future, unless a court order is obtained to the contrary.

5. City of Dunwoody Meeting Requirements

Each year, the City will host a meeting that the AA is required to attend. The purpose of the meeting is to increase communication between both parties and improve operations.

- a. The meeting will be held yearly (usually in December)
- b. AA President attendance is required or at least one representative
- c. This requirement must be met in order for the AA to have use of City facilities for the next year.

- d. All AA season forms are due at this meeting (Insurance, non-profit paperwork/renewal, field requests for the year, AA information form) (Appendix page 6).

6. Non-Discrimination Requirement

The AA must ensure that no persons be denied participation in any program based on race, color, creed, religion, sex, national origin, age, disability, genetic information, pregnancy, childbirth, or other legally protected category or classification with the exception that children may be grouped by age on teams to ensure safety of the participants. The AA must be in compliance with the Americans with Disabilities Act.

7. Facility Use Agreement

The AA must obtain a Facility Use Agreement from the City a minimum thirty (30) days prior to the first scheduled practice of each year. This permit is to be obtained from the City on behalf of the AA by the President. This permit, issued annually per sport, specifically identifies facilities to be used by the AA and the terms and conditions of said use. Adherence to all requirements outlined in this Manual for an AA operating in a Park is a condition of the Facility Use Agreement. Failure to adhere to the Policies and Procedures may result in suspension or revocation of the Facility Use Agreement.

The sole purpose of Facility Use Agreement is for the use of sports fields and adjacent spectator areas. This does not include public park areas such as, but not limited to walking trails, paths, sidewalks, parking lots, playgrounds, and pavilions which must remain open for active/ passive park users. Passive and open may not be reserved for organized practice or play. Use of the walking trails for purposes other than running or walking is strictly prohibited. The AA is responsible for ensuring that walking tracks and trails adjacent to sports fields are clear of spectators during AA activities. The AA may be liable for any incidents related to unauthorized use.

The AA may not sublet Park facilities to another organization or permit any separate organization to use a Park under the AA name, except as defined in their Facility Usage Agreement for fundraising initiatives.

The AA may collect a fee for managing tournaments with organizations associated with the AA in addition to the terms defined in their Facility Usage Agreement for fund raising initiatives. The associated organization will have to pay the rental fee for those tournaments to the City at the Category 2 outside tournament/organization rate noted and may not host any tournaments for any other sport other than what the AA offers. Violation of these rules will require the forfeiture of any money made as a result of the use of the Park and may result in the revocation of the Facility Use Agreement.

8. Cancellations

The City of Dunwoody reserves the right to cancel any scheduled activity on City property when it determines that such use could potentially cause unsafe conditions for the AA, spectators, general public and/or damage to the facility or grounds. Furthermore, the City maintains the authority to close a facility at any time it deems it to be in the best interest of

the public.
