Re: Homecoming Park Construction and Playground

Date: November 16, 2026

Action

Approval of transferring funds from Unallocated Capital (Shallowford Road Proceeds) to Project #26B Homecoming Park, for park construction; and approval of an agreement with PlaySouth Playground Creators for manufacturing and installation of the park playground.

Details

Homecoming Park Project #26B currently has $5,000,000 of allocated funding. Funding has been approved for Program Management Services with CPS, Construction Management at Risk Services with Lusk Commercial Contractors, and Design Services with LDDBlueline, totaling $1,071,594. This leaves a construction budget of $3,928,405.

Construction estimates for the adopted Master Plan reflected an initial cost of $5,958,536. The project team has identified design efficiencies to lower construction costs to $5,380,407, or $1,452,001 over the initial construction budget.

Staff recommends proceeding with construction of the park, using the design efficiency cost option of $5,380,407. This results in the following key changes:

1. Paving the trail portion that surrounds key amenities, while keeping the trail within the wooded areas of the park as mulch/soft surface.
2. Removing solar panels from the restroom and community building roofs, to be added at a later date.

Additional funding needed for the above-mentioned cost option, in the amount of $1,452,001, will be allocated from Unallocated Capital (Shallowford Road Proceeds). Note: current budget available within Unallocated Capital (Shallowford Road Proceeds) is $1,452,001.

Staff has been actively working with local families for site needs and details of the inclusive playground. After review, the steering committee selected the proposed concept by PlaySouth Playground Creators. The playground will be deemed an “International Project of Distinction,” and features equipment for children of all ages and abilities.

Funding for this project, in the amount of $997,308.85, will be allocated from Project #26B Homecoming Park.

Homecoming Park Construction & Playground

November 16, 2026

Summary

- Approval of transferring funds from Unallocated Capital (Shallowford Road Proceeds) to Project #26B Homecoming Park, for park construction.
- Approval of an agreement with PlaySouth Playground Creators for manufacturing and installation of the park playground.

Background/Timeline- Park Construction

Homecoming Park is now approximately 40% designed.

- Playground steering committee has selected a playground design and vendor.
- Details on community building aesthetic have been finalized.
- Preferred approaches for utility infrastructure such as stormwater and septic have been reviewed with key departments.

Financial Impact- Construction

- Homecoming Park Project #26B currently has $5,000,000 of allocated funding. Funding for Program Management, CMAR, and design firms total $1,071,594, leaving a construction budget of $3,928,405.
- Construction estimates for the adopted Master Plan reflected an initial cost of $5,958,536. The project team has identified design efficiencies to lower construction costs to $5,380,407, or $1,452,001 over the initial construction budget.

Financial Impact- Construction

- Staff recommends proceeding with construction of the park, using the design efficiency cost option of $5,380,407. This results in the following key changes:
  - Paving the trail portion that surrounds key amenities, while keeping the trail within the wooded areas of the park as mulch/soft surface.
  - Removing solar panels from the restroom and community building roofs, to be added at a later date.

Background/Timeline- Inclusive Playground

- Staff has been actively working with local families for site needs and details of the inclusive playground. After review, the steering committee selected the proposed concept by PlaySouth Playground Creators. The playground will be deemed an "International Project of Distinction," and features equipment for children of all ages and abilities.

Playground Components

- Wheelchair Activities:
  - The Innova Rocker allows wheelchair bound users to rock themselves without assistance.
  - Avec Glider encourages children to play with their peers, advances the play experience for children while encouraging teamwork, collaboration and interaction for everyone.
  - Sensory rails
  - Ground level accessible equipment

Avec Glider

Sensory Rail

Innova Rocker

Inclusive Orbit

360 Loop

Playground Components

- Neurodevelopment Activities:
  - Serenity Spot offers a fort-like environment with games, a spinning seat, a rubber kick pad and a variety of activities that can be calming.
  - Niche Capsule blends comfort and relaxation with movement and play, offering an exciting new experience for the play space. Here, children have a place to rest, socialize or plan their play experience.
  - Bravo Universal Swing redefines swinging as not just simply pumping your legs but using whatever part of your body you're most comfortable with – arms, core or legs.
  - Nido Spinner is a cozy, pod-like design makes children feel sheltered and gives them the option to be spun around and around—an activity that's fun and developmentally rich for everyone and can be soothing for those who experience overstimulation in busy spaces.

Niche Capsule blends comfort and relaxation with movement and play, offering an exciting new experience for the playspace. Here, children have a place to rest, socialize or plan their play experience. At the same time, swaying contributes to a soothing sensory experience completed by textured surfaces, elliptical patterns and acrylic windows letting colorful light into the space. Openings on each side offer caregivers excellent sight lines while providing children with an accessible space. Niche Capsule and Niche Capsule Nano bring everyone together with seats at ADA transfer height and hand supports to make the transfer and openings on both sides so children can create their pathways into the play event.

Learn more at bciburke.com/new

Niche Capsule

The Nido Spinner is a soothing space at the playground where all children, including children with autism spectrum disorder (ASD) or other sensory processing differences, can go to find comfort and regroup. The cozy, pod-like design makes children feel sheltered and gives them the option to be spun around and around—an activity that's fun and developmentally rich for everyone and can be soothing for those who experience oversimulation in busy spaces. Thoughtfully designed to be an inclusive event, the Nido Spinner invites everyone inside to give it a whirl!

Nido Spinner

PLAY THAT MOVES YOU.

Learn. Socialize. Sit. Relax. Play. Engage. All this and more are the purpose behind the creation of the Serenity Spot. Within a playspace sometimes a child, caregiver or parent needs a comfortable place to step away and still be part of the playspace. Children with autism or other sensory processing differences can be especially overwhelmed by noise, movement or simply need a space to express themselves freely. The Serenity Spot can offer that space. A fort-like environment with games, a spinning seat, a rubber kick pad and a variety of activities that can be calming and allow the expression of stimming behaviors, this is a place where everyone is welcome to be themselves.

Serenity Spot

PLAY THAT MOVES YOU.

The Brava Universal Swing is a gateway to independence for children of all abilities. With a unique and completely new way for children to swing themselves, it redefines swinging as not just simply pumping your legs but using whatever part of your body you're most comfortable with – arms, core or legs. It is also designed to mimic stimming behaviors so children on the autism spectrum can participate in an activity that is comfortable and calming for them and build confidence by participating in group activities with other children of varying abilities.

Rachel Waldron
City of Dunwoody
4800 Ashford Dunwoody Rd
Dunwoody, GA 30338

Dear Rachel Waldron:

PlaySouth Playground Creators is delighted to provide City of Dunwoody with this playground equipment proposal.

This design was developed with your specific needs in mind, and we look forward to discussing this project further with you to ensure your complete satisfaction. PlaySouth Playground Creators is confident that this proposal will satisfy City of Dunwoody's functional, environmental, and safety requirements -- and most importantly -- bring joy and excitement to the children and families directly benefiting from your new playground.

You have our personal commitment to support this project and your organization in every manner possible, and we look forward to developing a long-standing relationship with City of Dunwoody. We appreciate your consideration and value this opportunity to earn your business.

Sincerely,

Todd Wambold

COOPERATIVE PURCHASING OPTIONS

PLAYGROUNDS WITHOUT ALL THE PAPERWORK

Purchasing with contracts may sound intimidating, but getting your community playspace doesn't need to be a painful process of writing specifications, issuing RFP's and jumping through hoops – it can be simplified – we promise! As you continue planning for your new playground, review the Purchasing Contracts offered through our partners.

EQUALIS GROUP

Equalis is an innovative cooperative purchasing organization that believes in the power of partnership and that when you work together you achieve more. The basic premise of the Equalis cooperative purchasing organization is to leverage the combined buying power of all members for better pricing and favorable contract terms. Equalis Group uses the lead agency model for competitively bid contracts, provides our participants the savings they expect and offers efficiencies and peace of mind within the procurement process. It is our mission to continuously improve the measurable and meaningful impact of cooperative services for everyone throughout the supply chain.

GOVMVMT

GOVMVMT is a non-profit group purchasing organization that meets the highest industry standards while putting the public's interest at the forefront of everything they do. Each one of GOVMVMT's first-class suppliers has consciously joined their mission to create the most credible, ethical, and public agency-focused non-profit cooperative purchasing program in the country.

GSA

Federal parks, child development programs, military bases and other agencies are a major priority for BCI Burke, and agencies can purchase Burke playgrounds through Burke's GSA contract for installation virtually anywhere in the world.

OMNIA PARTNERS

OMNIA Partners, Public Sector (Subsidiary National IPA) is the largest and most experienced organization in purchasing and supply chain management. Comprised of participants and suppliers in the public sector, we bring together industry-leading buying power and world-class suppliers to offer an extensive portfolio of competitively solicited and publicly awarded contracts and partnerships. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

SOURCEWELL

As a leader in cooperative purchasing, Sourcewell is passionate about helping members fulfill their public service missions. Sourcewell builds strong relationships with members and vendors to develop practical solutions together.

The easiest way to Join Our Movement is to call your local Representative at 800.266.1250 or v**isit bciburke.com/rep**. Our passion is bringing play to communities like yours and we can't wait to help you get started!

FEATURED PLAY EVENTS

PETAL POST TOPPER
Post Toppers are a fun way to provide a finishing touch to any playground structure. Place one, two, three or more of these post toppers on your structure to create an aesthetic appeal or a fun, imaginative play concept.

Straight Overhead
Overhead events build upper body strength and endurance, improve eye-hand coordination and elevate children's self-confidence.

Ladybug Rider
Colorful, fun characters come to life on Burke's themed rider collection! Children can let their imaginations soar while developing balance, coordination and core strength.

FEATURED PLAY EVENTS

PlayEnsemble Cirque Drums
As a universal experience that inspires everyone to create, music brings a sense of wonder to the play environment. Musical experiences aren't just play; they accelerate child development intellectually, socially and emotionally.

Odyssey Post Link - Double
This awesome climber creates a more advanced and complex climbing experience on a playground structure. Kids love a challenge, and this deck link provides them with options to climb around, through or over!

CAR ACCESSIBLE REACH PANEL
Interactive play events provide opportunities for social interaction while increasing coordination and adding additional sensory stimulation to the playground.

FEATURED PLAY EVENTS

Market Discovery Station
Events and accessories improve children's balance and coordination, help them build body strength and provide extra sensory experiences.

15' X 15' SHADEPLAY CANOPY
ShadePlay Canopies can reduce playground temperature by up to 30 degrees and block up to 90 percent of harmful UV radiation.

DESIGN SUMMARY

PlaySouth Playground Creators is very pleased to present this Proposal for consideration for the Homecoming Park located in Dunwoody. BCI Burke Company, LLC has been providing recreational playground equipment for over 100 years and has developed the right mix of world-class capabilities to meet the initial and continuing needs of City of Dunwoody. We believe our proposal will meet or exceed your project's requirements and will deliver the greatest value to you.

The following is a summary of some of the key elements of our Proposal:

- Project Name: Homecoming Park
- Project Number: 132-221504-3
- User Capacity: 451
- Age Groups: 5 to 12, 2 to 5, 2 to 12
- Dimensions: 143' 11" x 109' 9"
- Designer: Denise Stalinger

PlaySouth Playground Creators has developed a custom playground configuration based on the requirements as they have been presented for the Homecoming Park playground project. Our custom design will provide a safe and affordable playground environment that is aesthetically pleasing, full of fun for all users and uniquely satisfies your specific requirements. In addition, proposal # 132-221504-3 has been designed with a focus on safety, and is fully compliant with ASTM F1487 and CPSC playground safety standards.

We invite you to review this proposal for the Homecoming Park project and to contact us with any questions that you may have.

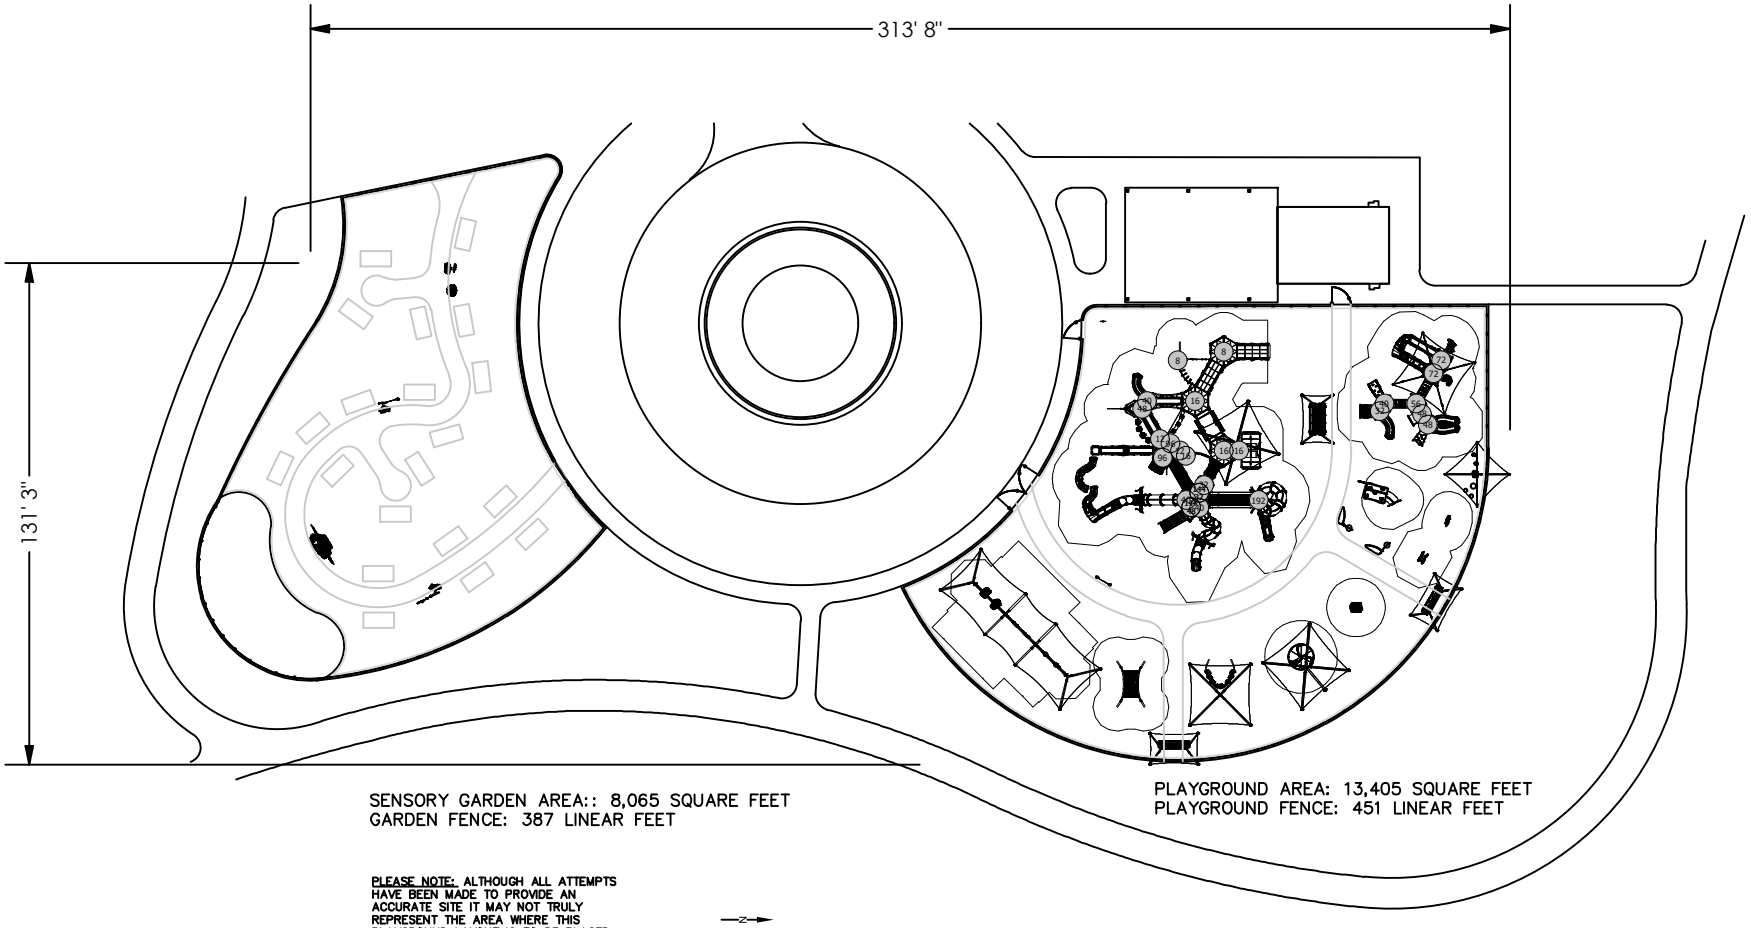

Thank you in advance for giving us the opportunity to make this project a success.

PROPOSAL 132-221504-3 | 9/8/2026 | 2026 PRICING

The play components identified in this proposal are IPEMA certified. The use and layout of these components conform to the requirements of ASTM F1487 and CPSC. To verify product certification, visit www.ipema.org.

The space requirements shown in this proposal are to ASTM standards. Requirements for other standards may be different.

BURKE GENERATIONS WARRANTY®

BCI Burke Company, LLC ("Burke") warrants that all standard products are warranted to be free from defects in materials and workmanship, under normal use and service, for a period of one (1) year from the date of shipment.

We stand behind our products.

In addition, the following products are warranted, under normal use and service from the date of shipment as follows:

- One Hundred (100) Year Limited Warranty on aluminum and steel upright posts (including Nucleus®, Nucleus Evolution®, Nucleus Aspire®, Intensity®, Level X®, Synergy®, Synergy Imagination® & 4ME®) against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on KoreKonnect® Clamp Castings against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on Hardware (nuts, bolts, washers).
- One Hundred (100) Year Limited Warranty on bolt-through and direct-bolt fastening and clamp systems (Synergy®, Intensity®, Nucleus®).
- Twenty-Five (25) Year Limited Warranty on spring assemblies and aluminum cast animals.
- Fifteen (15) Year Limited Warranty on structure platforms and decks, metal roofs, table tops, bench tops, railings and barriers against structural failure due to materials or workmanship.
- Fifteen (15) Year Limited Warranty on all plastic components against structural failure due to materials or workmanship.
- Ten (10) Year Limited Warranty on ShadePlay® Canopies fabric, threads, and cables against degradation, cracking or material breakdown resulting from ultra-violet exposure, natural deterioration or manufacturing defects. This warranty is limited to the design loads as stated in the specifications.
- Ten (10) Year Limited Warranty on NaturePlay® Boulders and GFRC products against structural failure due to natural deterioration or workmanship. Natural wear, which may occur with any concrete product with age, is excluded from this warranty.
- Ten (10) Year Limited Warranty on Full Color Custom Signage against manufacturing defects that cause delamination or degradation of the sign. Full Color Custom Signs also carry a two (2) year warranty against premature fading of the print and graphics on the signs.
- Five (5) Year Limited Warranty on Nucleus®, Intensity®, and RopeVenture® cables against premature wear due to natural deterioration or manufacturing defects. Determination of premature wear will be at the manufacturer's discretion.
- Five (5) Year Limited Warranty on rubber belt material against premature wear due to natural deterioration or manufacturing defects. Determination of premature wear will be at the manufacturer's discretion.
- Five (5) Year Limited Warranty on moving parts, including swing components, against structural failure due to materials or workmanship.
- Five (5) Year Limited Warranty on PlayEnsemble® cables and mallets against defects in materials and workmanship.
- Three (3) Year Limited Warranty on electronic panel speakers, sound chips and circuit boards against electronic failure caused by manufacturing defects.

The warranty stated above is valid only if the equipment is erected in conformity with the layout plan and/or installation instructions furnished by BCI Burke Company, LLC using approved parts; have been maintained and inspected in accordance with BCI Burke Company, LLC instructions. Burke's liability and your exclusive remedy hereunder will be limited to repair or replacement of those parts found in Burke's reasonable judgment to be defective. Any claim made within the above stated warranty periods must be made promptly after discovery of the defect. A part is covered only for the original warranty period of the applicable part. Replacement parts carry the applicable warranty from the date of shipment of the replacement from Burke. After the expiration of the warranty period, you must pay for all parts, transportation and service charges.

Burke reserves the right to accept or reject any claim in whole or in part. Burke will not accept the return of any product without its prior written approval. Burke will assume transportation charges for shipment of the returned product if it is returned in strict compliance with Burke's written instructions.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IF THE FOREGOING DISCLAIMER OF ADDITIONAL WARRANTIES IS NOT GIVEN FULL FORCE AND EFFECT, ANY RESULTING ADDITIONAL WARRANTY SHALL BE LIMITED IN DURATION TO THE EXPRESS WARRANTIES AND BE OTHERWISE SUBJECT TO AND LIMITED BY THE TERMS OF BURKE'S PRODUCT WARRANTY. SOME STATES DO NOT ALLOW THE EXCLUSION OF CERTAIN IMPLIED WARRANTIES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

Warranty Exclusions: The above stated warranties do not cover: "cosmetic" defects, such as scratches, dents, marring, or fading; damage due to incorrect installation, vandalism, misuse, accident, wear and tear from normal use, exposure to extreme weather; immersion in salt or chlorine water, unauthorized repair or modification, abnormal use, lack of maintenance, or other cause not within Burke's control; and

Limitation of Remedies: Burke is not liable for consequential or incidental damages, including but not limited to labor costs or lost profits resulting from the use of or inability to use the products or from the products being incorporated in or becoming a component of any other product. If, after a reasonable number of repeated efforts, Burke is unable to repair or replace a defective or nonconforming product, Burke shall have the option to accept return of the product, or part thereof, if such does not substantially impair its value, and return the purchase price as the buyer's entire and exclusive remedy. Without limiting the generality of the foregoing, Burke will not be responsible for labor costs involved in the removal of products or the installation of replacement products. Some states do not allow the exclusion of incidental damages, so the above exclusion may not apply to you.

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.

Contact your local Burke Representative for warranty information regarding Burke Turf® and Burke Tile products.

Terms of Sale

Pricing: Prices published in this catalog are in USD, are approximate and do not include shipping & handling, surfacing, installation nor applicable taxes. All prices are subject to change without notice. Contact your Burke representative for current pricing. Payments are to be made in USD.

Weights: Weights are approximate and may vary with actual orders.

Installation: All equipment is shipped unassembled. For a list of factory-certified installers in your area, please contact your Burke representative.

Specifications: Product specifications in this catalog were correct at the time of publication. However, product improvements are ongoing at Burke, and we reserve the right to change or discontinue specifications without notice.

Loss or Damage in Transit: A signed bill of lading is our receipt from a carrier that our shipment to you was complete and in good condition upon arrival. Before you sign, please check the Bill of Lading carefully when the shipment arrives to make sure nothing is missing and there are no damages. Once the shipment leaves our plant, we are no longer responsible for any damage, loss or shortage.

For more information regarding the warranty, call Customer Service at 920-921-9220 or 800-356-2070. **01/2025**
